Gentle Sailing Routes to the Mediterranean Michael Briant,2018-06-21 The passage from the UK down to the Mediterranean does not need to be like an outward bound course The book is designed to help the lightly crewed boat with perhaps only a couple of people on board who are without much or indeed any offshore experience have a relaxed and enjoyable time If you follow the route suggested by the author who has sailed to and from the Mediterranean many times in all sorts of boats you will find it a very gently cruise making landfall each afternoon in a relaxed fashion It details the ports marinas and route you should use between the UK and Gibraltar There are of course hundreds of options but some are very much better than others and you need to know which should be your port or marina of choice It is important to know if a port has must see places to visit or has it got a launderette good WiFi connections places to eat at a reasonable price if the broken widget can be repaired there or easy flights back to the UK it is also important to know the places you should avoid It is the cruise of a lifetime occupying a summer or maybe two so it does need planning The book contain chartlets pictures port and marina guides At home it will make it will enable you to plan and prepare for your voyage in a knowledgeable and sensible way *Catalog of Maps, Charts, and Related Products* Defense Mapping Agency Combat Support Center (U.S.),1993
