Bishop Of The Resistance Life Of Eivind Berggrav:

The Struggle of Hungarian Lutherans under Communism H. David Baer, 2013-03-29 What does a religious community do when confronted by a political regime determined to eliminate a religion Under communism Hungary's persecuted Lutheran Church tried desperately to find a strategy for survival while remaining faithful to its Christian beliefs Appealing to the Lutheran Confessions many argued that the church can do whatever is necessary to survive provided it does not compromise on its essential ministry while others appealing to the witness of the confessor Bishop Lajos Ordass argued that the church must uncompromisingly witness to the truth even if that means ecclesiological extinction In *The Struggle of Hungarian Lutherans under Communism* H David Baer draws upon the disciplines of theology history ethics and politics to provide a comprehensive analysis of the different strategies developed by the church to preserve its integrity Relying on previously unnoted archival documents and other primary sources Baer has made a substantial contribution to Eastern European studies Vigorously written his telling of the history is also a sensitive and moving account of courage and cowardice in the face of religious persecution This book should be of interest not only to students of religion in Eastern Europe but also to anyone concerned about the problems that arise wherever there is religious persecution **Bishop of the Resistance** Edwin Hanton Robertson, 2000 Biography of Eivind Berggrav a Norwegian Lutheran bishop who battled the evils of Nazism while remaining loyal to God and his beliefs **'Intimately Associated for Many Years'** Gerhard Besier, 2016-08-17 The Anglican Bishop George Bell of Chichester and the General Secretary of the World Council of Churches Willem A Visser t Hooft of Geneva exchanged hundreds of letters between 1938 and 1958 The correspondence reproduced and commented upon here mirrors the efforts made across the ecumenical movement to unite the Christian churches and also to come to terms with an age of international crisis and conflict In these first decades of the World Council it was widely felt that the Church could make a noteworthy contribution to the mitigation of political tensions all over the world That's why Bell and Visser t Hooft talked not only to bishops and the clergy but also to the prime ministers and presidents of many countries They raised their voices in memoranda and published their public letters in important newspapers This was the World Council's most successful period **Encyclopedia of Protestantism** Hans J. Hillerbrand, 2004-08-02 This Encyclopedia is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought **Bishop of the Resistance** Edwin Hanton Robertson, 2000 Biography of a famous Norwegian war hero **The George Bell-Alphons Koechlin Correspondence** Andrew Chandler, Gerhard Ringshausen, 2024-05-30 George Bell was one of the most significant British church leaders of the mid 20th century and in many ways he came to define the involvement of British church people with the issues which arose from the Third Reich *The George Bell Alphons Koechlin Correspondence 1933-54* presents the extensive correspondence between Bell and a leading Swiss pastor and President of the Basel Church Council Alphons Koechlin The letters of Bell and Koechlin make an important

contribution to our understanding of ways in which the unfolding history of the Hitler regime was interpreted in an international context from its earliest months in 1933 to its final destruction in 1945 In presenting the letters this book captures a sustained meeting of European minds thinking together in the midst of a crisis that was altering the conventional perimeters of politics and religion and by degrees changing the life of the whole European continent and drawing British politics into its vortex This volume provides for the first time all the letters exchanged between Bell and Koechlin in their original English with full scholarly apparatus and connected material It contributes valuably to the historiography of the Third Reich and develops our understanding of Nazism not simply as an episode in German history but as a fundamental crisis in international politics religion and society **Dietrich Bonhoeffer 1906-1945** Ferdinand Schlingensiepen, 2012-04-05 A stunning biography of one of the most prominent Christian martyrs of the last century containing previously unpublished photographs and other new material Archbishop William King and the Anglican Irish Context, 1688-1729 Christopher J. Fauske, 2004 William King archbishop of Dublin was one of the most influential ecclesiastical and political figures of his day a cleric theologian and statesman whose struggles to reconcile secular sectarian and national interests shaped the future of Irish political discourse across all religious and political viewpoints This collection brings together essays from a range of established and emerging scholars to illuminate the complexity of King s character and intellect **Dictionary of Luther and the Lutheran Traditions**, 2017-08-22 In the five hundred years since the publication of Martin Luther s Ninety Five Theses a rich set of traditions have grown up around that action and the subsequent events of the Reformation This up to date dictionary by leading theologians and church historians covers Luther s life and thought key figures of his time and the various traditions he continues to influence Prominent scholars of the history of Lutheran traditions have brought together experts in church history representing a variety of Christian perspectives to offer a major cutting edge reference work Containing nearly six hundred articles this dictionary provides a comprehensive overview of Luther s life and work and the traditions emanating from the Wittenberg Reformation It traces the history theology and practices of the global Lutheran movement covering significant figures events theological writings and ideas denominational subgroups and congregational practices that have constituted the Lutheran tradition from the Reformation to the present day George Bell, Bishop of Chichester Andrew Chandler, 2016 The story of a significant British church leader who fought for justice and freedom during World War II It was to George Bell an English bishop that Dietrich Bonhoeffer sent his last words before he was executed at the Flossenb rg concentration camp in April 1945 Why he did so becomes clear from Andrew Chandler s new biography of George Kennedy Allen Bell 1883 1958 As he traces the arc of Bell s life Chandler reshapes our perspective on Bonhoeffer s life and times In addition to serving as bishop of Chichester Bell was an internationalist and ecumenical leader one of the great Christian humanists of the twentieth century a tenacious critic of the obliteration bombing of enemy cities during World War II and a key ally of those who struggled for years to resist Hitler in

Germany itself This inspiring biography raises important questions that still haunt the moral imagination today When should the word of protest be spoken When should nations go to war and how should they fight What are our obligations to the victims of dictators and international conflict

Historical Dictionary of Lutheranism Günther Gassmann, Mark W. Oldenburg, 2011-10-10 The Reformation of the 16th century was a complex and multifaceted political social cultural and religious process Most historians agree however that in the framework of this process it was the religious and theological efforts to reform and renew the late medieval church decadent and irrelevant in many ways that were the initiating forces that set a broad historical movement in motion Among these reforming religious and theological forces the Lutheran reform movement was the most important and influential one It was the historical impact of the theological genius of the Wittenberg professor Martin Luther 1483-1546 that profoundly changed and shaped the face of Europe and beyond Today Lutheranism has become a worldwide communion of churches that stretches from Germany to Siberia Papua New Guinea Madagascar and Surinam The second edition of the Historical Dictionary of Lutheranism presents information on major theological issues historical developments of Lutheranism worldwide Lutheran ecumenical and missionary involvement and activities worship and liturgy spirituality social ethics inter religious and Jewish relations Lutheranism and the arts theology and important representatives of Lutheranism This is done through a detailed chronology an introductory essay an appendix of Lutheran Churches a bibliography and hundreds of cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about Lutheranism

The Church and Humanity Andrew Chandler, 2016-03-16 George Bell remains one of only a handful of twentieth century English bishops to possess a continuing international reputation for his involvement in political affairs His insistence that Christian faith required active participation in public life at home and abroad established an eminent and often provocative contribution to Christian ethics at large Bell's participation in the tragic history of the German resistance against Hitler has earned him an enduring place in the historiography of the Third Reich his February 1944 speech protesting against the obliteration bombing of Germany made in the House of Lords is still often considered one of the great prophetic speeches of the twentieth century Throughout his long career Bell became a leading light in the burgeoning ecumenical movement a supporter of refugees from dictatorships of all kinds a committed internationalist and a patron of the Arts This book draws together the work of leading international historians and theologians including Rowan Williams and makes an important contribution to a range of ongoing political ecumenical and international debates

German Resistance Against Hitler Klemens Von Klemperer, 1992 However Professor von Klemperer shows that many of the principles and strategies of the Widerstand had distinct moral and historical consequences when considered in their context This context includes changes in the nature of international diplomacy which became evident in the resisters' contacts with the churches the international intelligence community and the Resistance movements outside Germany

The Fragmentation of the Church and Its Unity in Peacemaking Jeffrey Gros, John D. Rempel, 2001 The Gospel Places Peacemaking at the center of Christian identity Over the centuries however churches have divided over the role and place of the peacemaking imperative in their lives and teachings This volume offers deep ecumenical discussion of the relationship of the church to its peacemaking mission from the standpoints of history and the contemporary context Contributors representing ten major faith traditions Lois Y Barrett Alexander Brunett Murray W Dempster Donald F Durnbaugh John H Erickson Eric W Gritsch Jeffrey Gros Paul Meyendorff Lauree Hersch Meyer Thomas H Olbricht Thomas D Paxson Jr James F Puglisi John D Rempel Alan P F Sell and Glen H Stassen address this crucial topic from the perspective of their own churches and explore paths that could lead to the reconciliation of existing differences

The A to Z of Norway Jan Sjøvik, 2010-05-11 One of the smallest countries in Europe Norway has created for itself a position in the world community which is completely out of proportion to the size of its population Originally the home of sub Arctic hunters and gatherers then of ferocious Vikings it lost perhaps half of its population to the Black Death in 1349 ended up in a union with Denmark that lasted until 1814 and then became united with Sweden gaining complete independence only as recently as 1905 Over the centuries the Norwegians eked out a meager living from stony fields and treacherous seas while suffering through hunger darkness and cold however its recent productive use of such natural resources as hydroelectric power natural gas and oil has made the Norwegians some of the

richest people in the world The A to Z of Norway supplies a wealth of information that illuminates Norway's remarkable history society and culture This is done through a chronology a bibliography an introductory essay appendixes and over 250 cross referenced dictionary entries covering events and individuals of historical political social and cultural significance Both past and present political parties are discussed major economic sectors are described and basic economic facts are provided Several entries describe the history and attractions of major Norwegian cities and Norway's role in the international community is detailed as well providing a full portrait of this vibrant country

Churches and Religion in the Second World War Jan Bank,Lieve Gevers,2016-03-24 Despite the wealth of historical literature on the Second World War the subject of religion and churches in occupied Europe has been undervalued until now This critical European history is unique in delivering a rich and detailed analysis of churches and religion during the Second World War looking at the Christian religions of occupied Europe Catholicism Lutheranism Calvinism and Orthodoxy The authors engage with key themes such as relations between religious institutions and the occupying forces religion as a key factor in national identity and resistance theological answers to the Fascist and National Socialist ideologies especially in terms of the persecution of the Jews Christians as bystanders or protectors in the Holocaust and religious life during the war Churches and Religion in the Second World War will be of great value to students and scholars of European history the Second World War and religion and theology

The Church of England and the Second World War John D. Alexander,2025-08-28 In The Church of England and the Second World War John D Alexander analyses how historic Christian ethical traditions influenced the Church of England's contributions to British pre war and wartime public policy debates These traditions include just war holy war pacifism and Christian realism as deployed by such diverse Anglican figures as Cosmo Gordon Lang William Temple Herbert Hensley Henson George Bell Cyril Forster Garbett Charles Raven Percy Hartill Evelyn Underhill Vera Brittain and James Parkes Additional themes include war as divine judgement humanitarian intervention and Church of England responses to the Holocaust As a case study in the application of Christian ethical traditions this book makes vital connections between Anglican studies international relations theory and the diplomatic military and humanitarian challenges of the mid twentieth century
