Resonant Games Eric Klopfer,Jason Haas,Scot Osterweil,Louisa Rosenheck,2025-05-13 Principles for designing educational games that integrate content and play and create learning experiences connecting to many areas of learners lives Too often educational videogames are narrowly focused on specific learning outcomes dictated by school curricula and fail to engage young learners This book suggests another approach offering a guide to designing games that integrates content and play and creates learning experiences that connect to many areas of learners lives These games are not gamified workbooks but are embedded in a long form experience of exploration discovery and collaboration that takes into consideration the learning environment Resonant Games describes twenty essential principles for designing games that offer

this kind of deeper learning experience presenting them in connection with five games or collections of games developed at MIT's educational game research lab the Education Arcade Each of the games which range from Vanished an alternate reality game for middle schoolers promoting STEM careers to Ubiquitous Bio a series of casual mobile games for high school biology students has a different story but all spring from these fundamental assumptions honor the whole learner as a full human being not an empty vessel awaiting a fill up honor the sociality of learning and play honor a deep connection between the content and the game and honor the learning context most often the public school classroom but also beyond the classroom The open access edition of this book was made possible by generous funding from the MIT Libraries and Klopfer's lab

A Study in Spandex Hal Bodner, 2021-12-07 Grieving his husband's untimely death Alec Archer doesn't feel up to donning the Whirlwind's skintight turquoise costume to defend Centerport against yet another supervillain But the evil genius who calls himself the Zookeeper doesn't care about Alec's feelings The Zookeeper has chosen Centerport as the perfect place to demonstrate his latest creation a genetic process that converts harmless house pets into lethal bioweapons Whether he's battling giant spiders rescuing the city from a vicious army of mutated puppies and kittens saving a child from an angry Grizzly bear or simply babysitting a pair of awkward newbie superheroes who are more trouble than they're worth Alec dutifully does his best even though his heart isn't in it Unfortunately the Whirlwind's unique biology proves irresistible to the Zookeeper Captured and horribly tortured to unlock the secrets of his superhuman genetics Alec's despair and grief threaten to overcome him and the outcome of the Whirlwind's final battle with the Zookeeper is far from certain

Deborah Martin Sampierre, 1988 *Howard Chaykin* Howard V. Chaykin, 2011-01-01 Collected interviews with the cartoonist best known for creating the groundbreaking sci-fi satire American Flagg **Shark Attacks** Blake Chapman, 2017-11 Humans spend more time in or on the water than ever before We love the beach But for many people getting in the water provokes a moment's hesitation Shark attacks are big news events and although the risk of shark attack on humans is incredibly low the fact remains that human lives are lost to sharks every year Shark Attacks explores the tension between risk to humans and the need to conserve sharks and protect the important ecological roles they play in our marine environments Marine biologist Blake Chapman presents scientific information about shark biology movement patterns and feeding behaviour She discusses the role of fear in the way we think about sharks and the influence of the media on public perceptions Moving first-hand accounts describe the deep and polarising psychological impacts of shark attacks from a range of perspectives This book is an education in thinking through these emotive events and will help readers to navigate the controversial issues around mitigating shark attacks while conserving the sharks themselves *The Truth About Babies* Tony Braxton-Hicks, 2021-10-29 The Truth About Babies reveals 101 evocatively illustrated facts that all new parents should know Breastfeeding mothers shouldn't take iron supplements as it will make their babies magnetic Adults who were born by caesarian section cannot complete escape rooms All babies are born psychic but this diminishes with age

until some become negatively psychic Baby brain makes many women forget how forgetful they were before they had children The happiness of all children depends on how much their mothers spend on baby books Expectant fathers love nothing more than reading books about babies specifically this one From family planning pregnancy and childbirth to parenting infants The Truth About Babies reveals 101 humorous facts you would never believe Or should believe *Red Mist: A Fan's View of the 2014/15 Season* Neil Collins, 2015-07-13 AFTER the heartbreak of last year's near miss Kopites anticipated Brendan Rodgers Liverpool taking one step further and winning their first title since 1990 But what followed was one of the most tumultuous seasons in the club's history Luis Suarez was embroiled in the third biting incident of his career at the World Cup and was reluctantly sold to Barcelona His replacement was the equally controversial Mario Balotelli And with the season at its lowest ebb the bombshell was dropped that arguably Liverpool's greatest ever player Steven Gerrard would be leaving Experience all the trials and tribulations from the perspective of an obsessive LFC fan featuring articles from The Liverpool Way Red All Over the Land and We Are Liverpool fanzines Packed with honesty and dark humour Red Mist is an intense examination of what exactly went wrong at Anfield this season both on the pitch and behind the scenes

Gender in the Vampire Narrative Amanda Hobson, Melissa Anyiwo, 2016-09-26 Gender in the Vampire Narrative addresses issues of masculinity and femininity unpacking cultural norms of gender This collection demonstrates the way that representations of gender in the vampire narrative traverse a large scope of expectations and tropes The text offers classroom ready original essays that outline contemporary debates about sexual objectification and gender norms using the lens of the vampire in order to examine the ways those roles are undone and reinforced through popular culture through a specific emphasis on cultural fears and anxieties about gender roles The essays explore the presentations of gendered identities in a wide variety of sources including novels films graphic novels and more focusing on wildly popular examples such as The Vampire Diaries True Blood and Twilight and also lesser known works for instance Byzantium and The Blood of the Vampire The authors work to unravel the ties that bind gender to the body and the sociocultural institutions that shape our views of gendered norms and invite students of all levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender This text makes a fascinating accompanying text for many courses such as first year studies literature film women's and gender studies sociology popular culture or media studies cultural studies American studies or history Ultimately this is a text for all fans of popular culture Hobson and Anyiwo chase the vampire through history and across literature film television and stage exploring this complexity and offering insightful and accessible analyses that will be enjoyed by students in popular culture gender studies and speculative fiction This collection is not to be missed by those with an interest in feminist cultural studies or the undead Barbara Gurr University of Connecticut Hobson and Anyiwo push the boundaries of the scholarship as it has been written until now Catherine Coker Texas A M University Amanda Hobson is Assistant Dean of Students and Director of the Women's Resource Center at Indiana State University U

The Opposite of Life Narrelle M. Harris,2023-03-01 Lissa Wilson has seen more than enough death in her family so when people start being savagely killed whenever she has a night out in Melbourne she s determined to investigate and to make the killing stop Even when she realises the murders must be the work of a vampire She reluctantly teams up with the painfully awkward suburban vampire Gary who has been instructed by Melbourne s vampires to find out who s making existence so difficult for the undead community But in getting to the undead heart of the matter Lissa and Gary face more challenges than Gary s appalling fashion sense Particularly when the idea of living forever can be a big temptation for someone who has lost so much A well made plot with a killer literally ending Kerry Greenwood It s certainly a most unusual vampire novel Lissa Wilson is a wonderful character not because she s an heroic supergirl but because she rings true If you can get this book do

Charlaine Harris author of the Sookie Stackhouse True Blood novels **Bite Club** ,2004 *Lonely Planet Germany* Lonely Planet, *Dimensions of the Fantastic* Daniel Ferreras Savoye,2023-05-17 Not to be confused with fantasy or the supernatural the fantastic is in actuality its own beast and perhaps the most deeply frightening of all narrative modes From Dracula and Nightmare on Elm Street to Carrie and Them the fantastic has become an ideal vehicle to denounce deep cultural dysfunctions that affect not only the way we understand reality but also how we construct it This work studies the various dimensions of the fantastic mode examining the influences of iconic authors such as H P Lovecraft and Jean Ray and addressing key narrations such as Guy de Maupassant s The Horla and Jordan Peele s Get Out It explains why the fantastic is not about ghosts or monsters but about the incomprehensible sides of our own reality and the terrifying unknown
