Bitter Trumpet:

The Revelation Rainbow Charles Walter Doughty, 2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God s Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion The Revelation in Plain Jarno Noordermeer, This is a verse by verse study of the book of Revelation You will

learn about the seven churches seals trumpets and the seven last plagues You will also learn what the mark of the beast really is in short it s not a chip This book is a unique opportunity to learn more about the book of Revelation as seen through the eyes of a Seventh day Adventist If you have the love of the truth and you understand that time is short then this book is for you **The Kingdom of Israel** J. P. Philpott, 2024-02-28 Reprint of the original first published in 1883 **Father's**

Revelation of the Son Raul Pena, 2010-11-30 The Father s Revelation of the Son will settle you in the Truth of God s love and in His intentions and purpose for the human race In the book you will encounter the Truth of His love The Personal undertaking for our salvation by His Sacrifice on the Cross and His personal interest in us by coming into our lives to teach us and guide us fulfilling all the desires of our Father as He prepares us for His Eternal Priesthood Remember Jesus came into the world to sow the Seed of Godliness into the heart of man Both male and Female Gen 5 2 and for those who receive Him He brings and presents them blameless on that Day To those who endure with Him during His trials against evil and the oppositions to His Love in this world He will reward eternally Look into the life of David though he was anointed King during the time of Saul s Reign He did not cross the line but waited till the time appointed by the Father for his Throne Therefore all those who were on David s side who labored and endured with him he rewarded with positions and places of honor at the time of his inauguration and reign Let us press on to know the Lord through the Father s revelation of the Son to obtain all He has prepared for us in the times of our generations Rp The Four Horses of the Apocalypse Benjamin Dock

Jr., 2022-08-01 The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound The scriptures pertaining to the first three and a half years of seven week years of Daniel is so full of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand Consequently the same vision of John s revelation are written plainly and simple rolling up all of

Daniel's entities into two basic ones. One is the appearance of the beast out of the sea having seven heads and ten horns, which are both the Antichrist and the beast. Secondly, the beast out of the land is the false prophet sent for the destruction of Israel. The scarlet woman is Jerusalem or Babylon. That is pretty much it made simple so any one reading should comprehend the book. Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book. As well, those who miss the catching away of the bride of Christ will need the information written in God's word. Not much mention of this by modern ministers. You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul. Not only do you have to refrain from the 666 mark and the worship of the beast; you must also obey the everlasting gospel Jesus teaches in Matthew 25:31-46. Evidently, with so many failures of souls saved during the first half, God sends an angel close to the first half ending of tribulation to announce the everlasting gospel. Many people have hoarded food and other supplies but are only concerned with themselves. It must have been that many people were unaware of this sheep and goat judgment in force. Those who will not share with folks in need are goats and will be cast out of the kingdom. You survived the 666 mark and the beast worship but failed to share. God help you. Journey to Future Events James McClain, 2022-08-03. Want to know about future events mentioned in the Bible. Here are twenty-four topics each dealing with you and the Bible. The bottom line is this faith comes from hearing the message and the message is heard through the word about Christ. *The Interpretation of the Apocalypse and the Chief Prophetical Scriptures Connected with it* William Henry SCOTT (Fellow of Brasenose College, Oxford.), 1853.

Revelation John Walvoord, Philip E. Rawley, 2011-04-01. The book of Revelation has long fascinated and even confused readers and students of the Bible. Yet the Bible is written to be understood and Revelation is no exception. Who better to help you understand the seals, trumpets, vials, woes, and plagues than John F. Walvoord, one of evangelicalism's most prominent leaders, and Mark Hitchcock, today's leading Bible prophecy expert. In this first in a renewed series of commentaries from Dr. Walvoord, he points out that much of the book's symbolism can be interpreted literally. At key points, different views and approaches to interpretation are explored. Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language. Refined, updated with the English Standard Version (ESV) and streamlined, this classic text is set to help you interpret the last book of the Bible and gain a better grasp of current trends and the climax of history. **The**

This study offers a creative combination of methodologies to provide grounded intertextual procedure for the apocalyptic genre with impact on understanding Revelation 15. Along with the analysis on narrative elements to prove the similarity in the scenery background and examinations of the designation and context of the songs, this research reveals thematic parallels in the contents of the songs in Exodus 15:1-18 and Revelation 15:3-4, not argued fully to this point in studies of the

Apocalypse These diverse analyses of the intertextuality between Exodus 15 and Revelation 15 strengthen the argument that Exodus 15 should be considered as the OT source of Revelation 15 3 4 John s elaborate deliberate skills interweaving the Exodus theme with his eschatological vision can be observed in the whole book of Revelation in the vision of the bowl judgments Revelation 15 16 in the song of Moses and the song of the Lamb Revelation 15 3 4 and even in the duality of the song s title John offers a glimpse of the readers ultimate victory in their present time and at the eschaton by reminding them of their almighty God who saved the Israelites in the Exodus journey especially at the Red Sea

A Missionary Looks at the Conquest of Babylon Richard Lehman, 2025-03-01 Many recognize that Revelation reveals the most important last day s issues and battle for mankind But is that battle physical or spiritual Is it only yet to come or has it been going on already for a long time What kind of battle is being described and what should I be doing to ensure that I am on the right side of the battle If you attempt to interpret Revelation literally which most interpreters do to some degree or another you come up with many different physical battle interpretations or political religious personality warnings all according to the author s worldview So now the confusion comes from trying to determine which interpretation is actually coming to pass and how to prepare yourself for it But if you focus on a spiritual interpretation you will find that there is only one interpretation and that one points to the life and testimony of Jesus Christ see Revelation 1 2 So if you prepare yourself to follow Jesus Christ s testimony revealed through Revelation you will find that you are prepared for anything In scripture the number seven is often used to represent the completed work of God Revelation is a book of many sevens because it is intended to complete the testimony of Jesus Christ within you With that purpose this book is a follow on from the first book that focused on Jesus Christ s Love Letter to the church covering the first eight chapters of Revelation This book will continue by covering the next eight chapters and by explaining the spiritual meaning of most of the many sevens within Revelation As those sevens are revealed we will see a spiritual battle unfold uncovering the greatest foe to the true church which is hypocrisy Revelation will ultimately describe this hypocrisy as MYSTERY BABYLON THE GREAT THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH Revelation 17 5 As a missionary I am focused on exposing hypocrisy which is spiritual harlotry so that we might establish the kingdom of God that Jesus brought within the hearts of people In particular my calling is to focus on identifying a true ministry to enable them to follow the Holy Spirit s lead in reaching and teaching others So it is only natural that this book would focus on the Revelation purpose of The Conquest of Babylon because spiritual Babylon represents the spiritual harlotry that has saturated the multitude of church organizations and their ministry Therefore Revelation shows us a calling vision for

a ministry that has the everlasting gospel to preach to them that dwell on the earth and to every nation and kindred and tongue and people Saying with a loud voice Fear God and give glory to him for the hour of his judgment is come and worship him that made heaven and earth and the sea and the fountains of waters And there followed another angel a ministry saying Babylon is fallen is fallen that great city because she made all nations drink of the wine of the wrath of her fornication Revelation 14 6 8 Hypocrisy has corrupted most every church organization which in turn has also influenced great corrupted purposes within most every institution of mankind People learn how to play the insincere facade of hiding the corrupted purposes of their heart by the examples that have been shown them through corrupted church organizations and their leadership There are many symbolic lessons within Revelation the seven trumpets the three woes the two witnesses the woman with a crown of 12 stars the 1 260 days the dragon the war in heaven where Satan is cast out the beast the image of the beast the mark and number of the beast fallen Babylon the 1 600 furlongs and the seven vials of God s wrath poured out All of these and more are covered thoroughly within this book *The great crisis, at the period 1867 to 1875. From 1888-9 to 1901* Michael Paget Baxter,1887 *End-Time Prophecy Made Easy* William Lightner,2018-08-24 I chose the name End Time Prophecy Made Easy because my goal in writing this book was to simplify prophecy for the average layperson Moreover since Prophecy for Dummies was already taken and copy written I had to choose something If you are a biblical scholar or theological genius this book is definitely not for you However if you are one of the millions of regular people who would just like to know more about end time prophecy this book will make things easier to understand and reduce it to the bare bones It explains what the rapture is where it is located in the Bible and who it is directed toward It explains the tribulation judgment seat of Christ wedding banquet of the Lamb and millennium in nontechnical language This book also distinguishes the differences between the nation of Israel the church and the rest of the world describing their parts in each event It takes each end time event and besides describing what each event is puts it on a timeline depicting the order of these events Interestingly to most people this book also points to the various places in the Bible where the United States is mentioned in prophecy Although the United States was not a nation at the time the Bible was written it gives a very extensive and widespread description of this country This description fits the United States to a tee It is so graphically expressive and vivid that as the description is given every other nation on the face of the earth is eliminated At the same time as the portrayal is depicted the case for it pointing to the United States grows It is obviously clear that the United States is this end time nation the Bible portrays *The Glory of Revelation* Apostle Anne Grant,2012-04-26 Have you ever longed for a simple easy reading on the book of Revelation This is it Apostle Anne takes you on a spiritual journey that will deepen your love for Christ create in you a desire to keep on pressing and increase your knowledge and understanding of Gods glory and power the present and what we expect to come This book will equip and empower the saints for ultimate victory over Satan and evil while demonstrating Gods great love for mankind Each chapter takes you beyond the timetable of events and Johns symbolic

style of literature to the great truth of the authors revelation of Jesus the Christ Hidden In Plain Sight: A Study of the Revelation to John Uchenna Mezue,2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits **Christian Budget and News of the Day** ,1895 *The Seamless Bible* ,2005 More than 25 years in the making The Seamless Bible presents the entire New Testament arranged in sequential order with special care given to preserve and blend the original New King James text into one continuous flow of events The books of the New Testament are used to create a biblical biography of unique simplicity that details the life of Jesus Every available reference was researched and studied in the compilation of this book including other versions of the bible bible reference and related scriptural texts *The Wrap-up: 21 Days to Learn what the Bible Teaches about the End Of* Kay Paulson,2007-02 Paulson offers a fresh logical way of integrating the complex eschatological passages of the Bible into a cohesive whole The passages mesh beautifully when interpreted according to the plain reading of the text and are in sync with what other passages say on the same subject Biblical Studies
