Integration Approaches to Group Taxation in the European Internal Market Ioanna Mitroyanni, 2008-10-13 The creation of a group taxation framework to subject affiliated entities resident in more than one EC

Member State to a single set of rules is an experiment without precedent Group taxation normally deals with tax liability in the context of a single jurisdiction There is no system of group taxation worldwide which embraces more than one fiscal jurisdiction under a single regulatory umbrella This thought provoking work explores the prospect for creating a group taxation system extending across national borders in the EC The objective is to specify what shape the elements of such a system should take as well as to identify the areas of complexity or probable impasse Among the topics covered The relevant jurisprudential and legislative framework of the European Internal Market A survey of the tax systems of Canada Switzerland and the US with a focus on the principles pertaining to the division of power between the federal and sub federal tiers The policies for corporate taxation in integrated markets Administrative concerns compliance enforcement dispute resolution and re assessment of tax liability Tests for entitlement to group membership Tax base integration Territorial delineation of the group and Formulary apportionment In sum this book provides valuable insights into an area of significant importance to taxpayers their advisors and policymakers as well

A Companion to the United States Constitution and Its Amendments John R. Vile, 2025-07-24 Charting 250 years of history the 8th edition of this constitutional companion shows students just how revolutionary the Constitution was and how relevant it remains today After revisiting the key events leading to the Constitution's ratification including the drafting of the Declaration of Independence and the proceedings of the Constitutional Convention this book explores the Constitution article by article and amendment by amendment to help readers better understand how each section of the document shapes the America we live in today The 8th edition illuminates how recent laws political debates and Supreme Court decisions are continually reshaping our understanding of the Constitution and its role in American life and society including such issues as Donald Trump's immunity from prosecution for the January 6th riots Mike Pence's role in certifying Electoral College votes Ketanji Brown Jackson's appointment to the Supreme Court and the Dobbs decision among other controversial developments

Materielles Recht und Beweisrecht im System der Grundfreiheiten Jens C. Dammann, 2007 Die Grundfreiheiten des EG Vertrages begrenzen die Regelungsautonomie der Mitgliedstaaten In einer Welt die durch das Bestehen tatsächlicher Unsicherheiten geprägt ist werden diese Grenzen nicht allein durch materielle rechtliche Anforderungen an die mitgliedstaatliche Gesetzgebung bestimmt Vielmehr kommt auch beweisrechtlichen Aspekten insbesondere der Beweislastverteilung und dem Beweismaß eine tragende Rolle zu Materielles Recht und Beweisrecht stehen dabei nicht isoliert nebeneinander sondern entfalten erst im Zusammenspiel ihre Wirkung Für die Auslegung des EG Vertrages ist diese Interdependenz von wesentlicher Bedeutung Jens Dammann schlägt eine Auslegung der Grundfreiheiten vor die dieser Einsicht gerecht wird

Administrative Justice in the United States Peter L. Strauss, 2002 Foreign attorneys seeking an introduction to American public law American students of administrative law and others wanting to understand the workings of American government from a legal perspective will all be well served by the second edition of An Introduction to Administrative Justice in the United States Like

the first edition widely adopted in American universities it provides an overview of American administrative law Originally written to introduce lawyers from abroad to American public law it discusses most subjects that would be covered in an American law school course on Administrative Law or on the structural elements of American constitutional law Strauss makes a particular effort to explain arrangements of American government that might be surprising to lawyers from other parts of the world Thoroughly revised and current through June 2001 the second edition offers not only a comprehensive introduction to the caselaw statutes and literature of the subject but also a wide range of websites through which American government can be explored firsthand An eminent American attorney called the first edition of An Introduction to Administrative Justice in the United States the most elegantly written book on law that I have read in a long time
