Bizarre Sex Roy D. Eskapa, 1989 **Sex Weird-o-Pedia** Ross Benes, 2019-06-04 Whether you are an abstinent virgin or a kinky horndog one thing we can all agree on is that sex manifests itself throughout society in bizarre ways Sex is the ultimate multidisciplinary subject and it cannot be confined to a single facet of life Through a series of amusing tidbits Sex Weird o Pedia will walk you through how sex affects our technologies economics politics religions and cultures as well as some strange sex facts that for better or for worse will make your conversations memorable to everyone at the party Bizarre facts include Which animal species engage in necrophilia Who has done it in outer space Why premature ejaculation has evolutionary advantages How masturbation led to the invention of cereal And more Knowing that Calvin Klein cologne turns tigers on probably won't help you get laid but it could prove useful if you're in a conversation needing some pizzazz or you find yourself in mixed company with a bunch of large cats *Sex Lives of Superheroes* Diana McCallum, 2024-11-19 Is sex with The Hulk technically a threesome Does The Flash do everything faster Has Wonder Woman really never faked an orgasm Explore these questions and more with this collection of speculative comedic essays on how superpowers might affect the sex lives of famous superheroes Based on genuine scientific research and both Marvel and DC comic book and movie canon and more Sex Lives of Superheroes is a refreshingly frank and fun deep dive into the pros cons and plot twists of superpowered sex Drawing from biology physics psychology and more to play out wild fictional scenarios about superheroes sex lives this in depth analysis will definitively answer your burning questions including How does sex ed from the 1930s and 1940s stack up to today's and what does that mean for Captain America's love life Can Spider Man do whatever a spider can in bed Do factors like radiation psychological stress and tight spandex affect Batman's sperm count Does Green Lantern prove that sex is better in space Would Wolverine's healing factor make his sperm immortal What would sex be like with Daredevil's enhanced senses Why did Dr Strange's girlfriend cheat on him with Benjamin Franklin Wait Superman made a porno With interludes detailing some of the strangest sexcapades in superhero history and the closest sexual equivalents we have in the real world Sex Lives of Superheroes is a testament that sometimes life is even stranger than fiction though not by much comics are weird Stimulating in more ways than one this provocative supplement to your favorite heroes lore is a hilarious and thought provoking glimpse under the covers revealing everything you ever wanted to know about the Sex Lives of Superheroes Sex, Lies, and Autobiography James L. O'Rourke, 2006 In Sex Lies and Autobiography James O'Rourke explores the relationships between literary form and ethics revealing how autobiographical texts are able to confront readers with the moral complexities of everyday life Tracing the ethical legacy of Jean Jacques Rousseau's Confessions in a series of English language texts the author shows how Rousseau's doubts about the possibility of ethical behavior in everyday life shadows the first person narratives of five canonic works William Wordsworth's Prelude Charlotte Brontë's Jane Eyre and Villette Mary Shelley's Frankenstein and Vladimir Nabokov's Lolita Offering a fascinating

new way of thinking about ethics through literature *Sex Lies and Autobiography* challenges the most fundamental principles of the philosophical study of ethics revealing the innate difference between morality in life and morality in literature O'Rourke begins with Rousseau's inability to reconcile his intuitive belief that he is a good person with the effects that his actions have on others and he goes on to show how this same ethical impasse recurs in the five aforementioned texts The ethical crises these texts describe such as when *Jane Eyre*'s happiness can be purchased only at the cost of Bertha Mason's suicide or when Humbert Humbert's artistry demands the sacrifice of Dolores Haze are not instances of authorial ethical blindness O'Rourke says but rather are ethical challenges that force us as readers to consider our own lives In each of these works a narrator attempts to justify his or her behavior and fails in each case the rigorous narrative of self-examination demands a similar effort from the reader whose own sense of moral rectitude is put into question Confronting the long-held philosophical construction that links ethical principles and life choices thereby reassuring us of the ethical coherence of everyday life the narrators of these literary autobiographies come to a very different conclusion by looking back on their lives they cannot understand how their most benevolent desires led to such damaging life stories By leaving meaning inexplicit O'Rourke argues these texts are able to recover traumatic material that is ordinarily repressed and then bring that repressed knowledge to bear on self-justifying narratives For readers interested in autobiographical studies ethical criticism and trauma and literary studies *Sex Lies and Autobiography* provides a groundbreaking analysis of the role of ethics in literature

Sexual Perversions and Paraphilias: An A to Z Mark Griffiths, 2024-12-01 Paraphilias from the Greek beyond usual or typical love are uncommon types of sexual expression often more commonly described as sexual deviations sexual perversions or disorders of sexual preference They are accompanied by intense sexual arousal and may appear bizarre or at the extreme end of the sexual continuum socially unacceptable For some paraphilic behaviour may be sporadic for others it may be compulsive or addictive This is both an important and timely book Some content is likely to be considered by many as truly shocking and horrendous while other material and case studies simply interesting baffling or perhaps even amusing To learn more you simply must open the book and read and because it's an A to Z you don't have to start at the beginning
