Peace of Mind Michael L. Salvador,2017-01-03

You're just a boy. Four little words that cut right to the quick of any man. 33-year-old Mark Sawyer is no exception when he hears these dreaded words from his own romantic interest. Already in a tailspin from losing a coveted job in the radio industry in addition to the potential loss of the first great love of his life, hearing this brutal assault on his manhood drives Mark into a deeper sense of hopelessness. What if this charming barmaid is right about him? Mark reflects upon the path that brought him to his current state. His torturous days in Catholic school and high school, the fast-paced highs and lows of his time in the New Jersey radio business and the people who have made lasting impressions on him along the way. As Mark looks back on his life and the man he wants to prove himself to be, he must decide where his past should lead him. Should he risk forgoing the career he has worked hard to establish and chase his heart down to North Carolina, or play it safe and stay in the rat race of New Jersey? Or maybe there is something else holding him back from his future.

Author Michael L. Salvador weaves together the growing pains of adulthood with religious symbolism of the Holy Trinity. Through a coming-of-age story that will appeal to anyone who has questioned their direction in life, *Peace of Mind* follows the story of a man searching for his place in life and ultimately his own salvation.

Wasabi Gospel Shawn Wood, 2010-09-01 Have you ever eaten wasabi? That dainty green blob on your sushi plate may look pretty tame, but take a taste, or even a whiff, and you'll find that little dollop packs a powerful punch to your senses. Jesus also looks pretty innocuous at first glance. He's the Good Shepherd, after all. The Prince of Peace. Love your neighbor, he says. Forgive others. If we take a closer look at those red-lettered words, however, we'll find that some of the most tame and sappy-sounding things Jesus said actually pack the most punch. *Wasabi Gospel* brings seven well-known Gospel passages to life, unpacking their real significance and exploring what life would really look like if we lived out those seemingly subtle commands of Christ. Jesus' words were radical for his audience and still are for us today, giving us a metaphorical punch to the gut and challenging us to the depths of our souls to change the way we live, love, and look at the world.

The "O" with the Green Leaves Stephanie Mendelson, 2024-09-01 Get the tissues ready; you will laugh and cry at the same time. Stephanie Mendelson shares a gripping account of the most difficult and gut-wrenching time in her life. She finds herself as the caregiver to both of her parents as they simultaneously face terminal illness. She supports her mother through an unexpected battle with cancer while trying to navigate her father's worsening dementia. A series of unbelievable and catastrophic life events take her down a road that she never could have imagined. The ride is full of heartbreak and unthinkable stress, but there she also finds love and perspective. Her story is infused with humor and joy, even as she faces her darkest days. Go along with her on the journey of the child becoming the parent that many of us will face. Bear witness to the anguish and simultaneous beauty of being there until their last breath.

Superhero Thought Experiments Chris Gavalier, Nathaniel Goldberg, 2019-09-15 Examining the deep philosophical topics addressed in superhero comics authors Gavalier and Goldberg read plot lines for the complex thought experiments they contain and analyze their implications as if the comic authors were philosophers Reading superhero comic books through a philosophical lens reveals how they experiment with complex issues of morality metaphysics meaning and medium Given comics ubiquity and influence directly on especially young readers and indirectly on consumers of superhero movies and video games understanding these deeper meanings is in many ways essential to understanding contemporary popular culture The result is an entertaining and enlightening look at superhero dilemmas
