Hammer's deadly final adventure challenges everything we knew about the enduring noir detective in this gripping finale with a shocking twist. The concluding Hammer novel begins with a 21st century funeral before flashing back to summer 1973. Nine years after the events of *Dig Two Graves*, Hammer takes another unlikely vacation this time on Long Island to help look after his partner Velda Sterling's seventeen-year-old sibling Mikki. Mikki must deal with the attention of two boys vying for her affection, Hammer preferring the good kid from a wealthy family over the long-haired dooper with an Easy Rider vibe. When Mikki gets hooked on heroin, Hammer, filled with contempt for dope dealers, goes on a rampage. He will find those behind the drug racket and teach them what shooting up is all about. But a final resolution awaits him in the future at that funeral.
