African Americans and the Nigerian Civil War, 1967-1970 James A. Farquharson, 2024-07-22 This book is the first to recover and analyse at length the extent complexity and character of African American responses to the Nigerian Civil War 1967 1970 Far from having only marginal significance the Nigerian Civil War collided at full velocity with the conflicting discourses and ideas by which black Americans sought to understand their place in the United States and the world in the late 1960s Black civil rights leaders offered their service as agents of direct diplomacy during the conflict seeking to preserve Nigerian unity grassroots activists organised food drives concerts and awareness campaigns in support of humanitarian aid for victims of famine in the warzone while other black activists warned of an imminent genocide and called for an united response from black Americans Drawing on private papers activist literature government records and especially the black press it charts the way the civil war shaped as well as challenged the worldview of African Americans regarding black internationalist solidarities territorial sovereignty and political viability humanitarian compassion and the political trajectory of postcolonial Africa With a chronological approach this study is the ideal resource for all those interested in the Nigerian Civil War and the history of black internationalism

Introduction to African American Studies Talmadge Anderson, James Benjamin Stewart, 2007 There is an ongoing debate as to whether African American Studies is a discipline or multidisciplinary or interdisciplinary field Some scholars assert that African American Studies use a well defined common approach in examining history politics and the family in the same way as scholars in the disciplines of economics sociology and political science Other scholars consider African American Studies

multidisciplinary a field somewhat comparable to the field of education in which scholars employ a variety of disciplinary lenses be they anthropological psychological historical etc to study the African world experience In this model the boundaries between traditional disciplines are accepted and researches in African American Studies simply conduct discipline based an analysis of particular topics Finally another group of scholars insists that African American Studies is interdisciplinary an enterprise that generates distinctive analyses by combining perspectives from d *Black American Writers and Performers* Walter Hazen,2004-09-01 Recognizing that there is more to black history than civil rights leaders and the fight for racial equality this packet profiles several lesser known yet significant black American writers and performers Reading comprehension questions as well as writing activities to promote higher order thinking accompany each profile **African Americans in Film** Camille R. Michaels,2017-07-15 The whitewashing of roles in films and the lack of representation at awards shows such as the Oscars are only two of the career obstacles African American actors and filmmakers have historically faced Although blackface is now taboo racism is still prevalent in Hollywood Readers explore the causes of the systemic oppression that has made it difficult for African Americans to break into the movie business Through full color photographs and primary sources readers will learn how to become more thoughtful viewers of movies and television

African Americans and Africa Nemata Amelia Ibitayo Blyden,2019-05-28 An introduction to the complex relationship between African Americans and the African continent What is an African American and how does this identity relate to the African continent Rising immigration levels globalization and the United States first African American president have all sparked new dialogue around the question This book provides an introduction to the relationship between African Americans and Africa from the era of slavery to the present mapping several overlapping diasporas The diversity of African American identities through relationships with region ethnicity slavery and immigration are all examined to investigate questions fundamental to the study of African American history and culture *Foreign-born African Americans* Festus E. Obiakor,Patrick A. Grant,2002 In this book immigrant minorities from Africa and the Caribbean tell their unique stories These new Americans recount their travels in the American maze and thus allow their voices to be heard Who really cares for these voices They do care and Americans should care Foreign born African Americans frequently find themselves in precarious situations They confront three intriguing questions How Black are they How much racism do they endure How do they survive in spite of the odds In reality they are Blacks who are Black enough to encounter problems that other Blacks in America experience However they also understand that they must succeed in a competitive complex society like America On the one hand they are grateful to be in America but on the other hand they wonder why they must cross so many rubicons to achieve their goals This book is unique Never before have voices of Africans from Africa and the Caribbean been heard in this manner These voices provide multidimensional cases for scholars educators program planners community leaders and politicians This book could be a required text for courses in international global education intercultural education and

multicultural education It could also be a supplementary text for courses in general education and African American Studies In fact it should be on the reading list of every American interested in making our world a better place to live

Kim,1984 *Next American Nation* Michael Lind,2010-06-15 Are we now or have we ever been a nation As this century comes to a close debates over immigration policy racial preferences and multiculturalism challenge the consensus that formerly grounded our national culture The question of our national identity is as urgent as it has ever been in our history Is our society disintegrating into a collection of separate ethnic enclaves or is there a way that we can forge a coherent unified identity as we enter the 21st century In this marvelously written wide ranging and thought provoking book Michael Lind provides a comprehensive revisionist view of the American past and offers a concrete proposal for nation building reforms to strengthen the American future He shows that the forces of nationalism and the ideal of a trans racial melting pot need not be in conflict with each other and he provides a practical agenda for a liberal nationalist

revolution that would combine a new color blind liberalism in civil rights with practical measures for reducing class based barriers to racial integration A stimulating critique of every kind of orthodox opinion as well as a vision of a new Trans American majority The Next American Nation may forever change the way we think and talk about American identity New York Newsday *African Americans and Homeschooling* Ama Mazama, Garvey Musumunu, 2014-08-27 Despite greater access to formal education both disadvantaged and middle class black students continue to struggle academically causing a growing number of black parents to turn to homeschooling This book is an in depth exploration of the motivations behind black parents decision to educate their children at home and the strategies they ve developed to overcome potential obstacles Citing current issues such as culture religion and safety the book challenges the commonly expressed view that black parents and their children have divested from formal education by embracing homeschooling as a constructive strategy to provide black children with a valuable educational experience *African Americans in Minnesota* David Vassar Taylor, 2002 African Americans have had a profound influence on the history and culture of Minnesota from its earliest days to the present Author David Vassar Taylor chronicles this rich story using first person accounts newspaper articles and a careful analysis of census records During the territorial and early statehood periods Blacks developed communities in St Paul Minneapolis and Duluth as well as rural areas and established churches businesses and social organizations Taylor recounts the triumphs and struggles of African Americans over the last two hundred years in a clear and concise narrative He also introduces influential and notable people including George Bonga the first African American born in the region during the fur trade era Harriet and Dred Scott whose two year residence at Fort Snelling in the 1830s later led to a famous though unsuccessful legal challenge to the institution of slavery John Quincy Adams publisher of the state s first Black newspaper Fredrick L McGhee the state s first Black lawyer social workers Gertrude Brown and I Myrtle Cardin labor activist Nellie Stone Johnson inventor Frederick McKinley Jones community leaders politicians and civil servants including James Griffin Sharon Sayles Belton Alan Page Jean Harris and Dr Richard Green and nationally influential artists including August Wilson Lou Bellamy Prince Jimmy Jam and Terry Lewis

The Top Books of the Year Black Americans The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Black Americans : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Black Americans : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
