A level 4 Oxford Bookworms Library graded reader. This version includes an audio book; listen to the story as you read. Retold for Learners of English by John Escott. When Black Beauty is trained to carry a rider on his back or to pull a carriage behind him, he finds it hard at first. But he is lucky; his first home is a good one where his owners are kind people who would never be cruel to a horse. But in the nineteenth century many people were cruel to their horses, whipping them and beating them and using them like machines until they dropped dead. Black Beauty soon finds this out, and as he describes his life, he has many terrible stories to tell. Sociological Theory in the Classical Era Laura Desfor Edles, Scott Appelrouth, 2005. Sociological Theory in the Classical Era: A Text and Readings is a hybrid between a reader and a secondary text. It combines the major writings of sociology's core classical theorists with a historical as well as theoretical framework for understanding them. The book provides not just a biographical and theoretical summary of each theorist but also examines, compares, and contrasts each theorist's major themes and concepts. The book is packed with pedagogical devices and visual aids such as charts, figures, and photographs to help summarize key concepts, illuminate complex ideas, and provoke student interest. No other theory text combines such student-friendly explanation and analysis with original theoretical works. BLACK BEAUTY (With Original Illustrations) Anna Sewell, 2017-07-06. The story is narrated in the first person as an autobiographical memoir told by the titular horse named Black Beauty, beginning with his carefree days as a colt on an English farm, with his mother, to his difficult life pulling cabs in London, to his happy retirement in the country. Along the way, he meets with many hardships and recounts many tales of cruelty and kindness. Each chapter recounts an incident in Black Beauty's life containing a lesson or moral typically related to the kindness, sympathy, and understanding treatment of horses, with Sewell's detailed observations and extensive descriptions of horse behaviour lending the novel a good deal of verisimilitude. While forthrightly teaching animal welfare, it also teaches how to treat people with kindness, sympathy, and respect. With fifty million copies sold, Black Beauty is one of the best-selling books of all time. Anna Sewell (1820-1878) was an English novelist best known as the author of the classic 1877 novel Black Beauty. Anna was unable to stand without a crutch.
