## **Black Child:**

*Black Child, White Child* Judith D. R. Porter, 1971 I don't like colored people He's lazy because he's colored Similar attitudes have too many echoes in American society What distinguishes these particular comments is that they were made by preschool age children the former by a five year old white the latter by a four year old black The general public might be amazed to find that statements of this type were made by such young children yet it is now widely accepted by social scientists that racial attitudes are learned during preschool years

**The Black Child-Savers** Geoff K. Ward, 2022-12-22 During the Progressive Era a rehabilitative agenda took hold of American juvenile justice materializing as a citizen and state building project and mirroring the unequal racial politics of American democracy itself Alongside this liberal manufactory of citizens a parallel structure was enacted a Jim Crow juvenile justice system that endured across the nation for most of the twentieth century In *The Black Child Savers* the first study of the rise and fall of Jim Crow juvenile justice Geoff Ward examines the origins and organization of this separate and unequal juvenile justice system Ward explores how generations of black child savers mobilized to challenge the threat to black youth and community interests and how this struggle grew aligned with a wider civil rights movement eventually forcing the formal integration of American juvenile justice Ward's book reveals nearly a century of struggle to build a more democratic model of juvenile justice an effort that succeeded in part but ultimately failed to deliver black youth and community to liberal rehabilitative ideals At once an inspiring story about the shifting boundaries of race citizenship and democracy in America and a crucial look at the nature of racial inequality *The Black Child Savers* is a stirring account of the stakes and meaning of social justice

*Pedagogy of the Black Child* David E. Kirkland, 2025-06-25 In *Pedagogy of the Black Child* David E. Kirkland invites readers into an urgent conversation about race education and the future of Black childhoods Through the lens of his own experiences as a Black child he examines the hidden ways societal structures undermine the humanity and potential of Black children Blending personal stories historical analyses research and practical insights Kirkland weaves a compelling narrative that offers both reflection and actionable strategies moving readers beyond abstract theories into meaningful actions His narrative calls on educators policymakers and readers alike to confront the realities of racial injustice with courage and conviction to uplift possibilities that create spaces where Black children can thrive where their dignity is restored their potential embraced and their futures are shaped by hope not despair A rallying cry for those committed to justice *Pedagogy of the Black Child* is not just a book it's a blueprint for liberation urging us all to lift up Black children nurture their dreams and commit to creating the conditions that will allow them to soar
