Black Youth and the Juvenile Justice System Rev. Dr. Andre H. Humphrey, 2013-05-14 The purpose is to lay the foundation for making ourselves aware of the needs and concerns of these individuals As Christians we must face the fact that aside from seeing and hearing about these individuals we must do whatever we can to aide them in turning their lives around We must be willing to meet these individuals in all the areas of their lives for instance emotional intellectual physical and most importantly spiritually There are many obstacles that are presented to these troubled individuals on a daily basis We as Christian soldiers must be willing to step in and fill the void In addition to God we must inform them that there is someone and somewhere else they can go to gain the support and strength needed to survive

Salt City and its Black Community S. David Stamps, Miriam Burney Stamps, 2008-03-10 A robust black professional class has existed in many southern cities since the nineteenth century and in large northern cities such as Chicago New York and Washington D C since early in the twentieth century In contrast the black professional class in Syracuse New York a mid-sized northern industrial city developed relatively late and struggled in its early relationship with the white community Employing a conflict theory approach the authors analyze the effects of black migration north affirmative action school integration urban renewal deindustrialization political mobilization and suburbanization on the growth and development of the black community The authors demonstrate how competition for limited resources has fostered varying degrees of confrontation social dispute adjustment and eventual change in black white relations Drawing upon urban surveys and quantitative research combined with personal testimony this book offers a richly detailed and compelling portrait of a minority community providing indispensable insights into the dynamics of community development as a historical and sociological process

Black Separatism and Social Reality Raymond L. Hall, 2013-10-22 Black Separatism and Social Reality Rhetoric and Reason deals with the contemporary debate over black separatism in America It brings together for the first time many of the perspectives ideas orientations and ideologies that all directly or indirectly address the question of black separatism pro and con from the vantage point of their own realities It raises fundamental issues that have recurred throughout the last century and continue unabated today such as whether black Americans should seek their political destiny apart from white Americans or whether economic growth within the black community can eventually lead to true black power This book is comprised of 31 chapters and begins with a historical overview and social reality of black separatism in America how and why black separatist movements emerge and why separatism appeals to some individuals and not to others The next section explores the similarities of white racist assumptions and black separatism as well as the arguments for and against

separatism The prospects of black separatism are analyzed along with Pan Africanism and black studies A comprehensive review of the history of separatist thought and a bibliography concerning the relation of Afro Americans with Africa are presented The possibility of a violent confrontation between whites and blacks is also considered Finally the book ponders the question of whether there is a need for a distinct black social science This monograph will appeal to sociologists social scientists political scientists politicians blacks and scholars of black studies

Introduction to African American Studies

Talmadge Anderson, James Benjamin Stewart, 2007 There is an ongoing debate as to whether African American Studies is a discipline or multidisciplinary or interdisciplinary field Some scholars assert that African American Studies use a well defined common approach in examining history politics and the family in the same way as scholars in the disciplines of economics sociology and political science Other scholars consider African American Studies multidisciplinary a field somewhat comparable to the field of education in which scholars employ a variety of disciplinary lenses be they anthropological psychological historical etc to study the African world experience In this model the boundaries between traditional disciplines are accepted and researches in African American Studies simply conduct discipline based an analysis of particular topics Finally another group of scholars insists that African American Studies is interdisciplinary an enterprise that generates distinctive analyses by combining perspectives from d

Milwaukee 'Supporting Self-help for Collective Development' ,1995 **The Separate City** Christopher Silver,John V. Moeser,2014-07-15 A ground breaking collaborative study merging perspectives from history political science and urban planning The Separate City is a trenchant analysis of the development of the African American community in the urban South While similar in some respects to the racially defined ghettos of the North the districts in which southern blacks lived from the pre World War II era to the mid 1960s differed markedly from those of their northern counterparts The African American community in the South was and to some extent still is a physically expansive distinct and socially heterogeneous zone within the larger metropolis It found itself functioning both politically and economically as a separate city a city set apart from its predominantly white counterpart Within the separate city itself internal conflicts reflected a structural divide between an empowered black middle class and a larger group comprising the working class and the disadvantaged Even with these conflicts the South s new black leadership gained political control in many cities but it could not overcome the economic forces shaping the metropolis The persistence of a separate city admitted to the profound ineffectiveness of decades of struggle to eliminate the racial barriers with which southern urban leaders indeed all urban America continue to grapple today *Liberating Black Theology* Demaine Solomons,Eugene Baron,2024-02-14 Current debates on decolonisation call for academic disciplines including the practitioners of Black theology to reflect on its content and curriculum This edited volume actively engages in these ongoing dialogues specifically addressing the pertinence of a Black theology of liberation within the postapartheid landscape It not only delves into the historical underpinnings of this theological framework but also endeavours to establish a conceptual framework for assessing its significance within the current discourse on decolonising theological disciplines In addition to shedding light on the historical importance of Black theology the late Vuyani Vellel poses a crucial question What lessons has Black theology yet to learn This inquiry by emerging South African scholars serves as a guide for navigating the path forward in developing this theological perspective Beyond emphasising the historical context the volume aims to contribute to broader discussions about social cohesion in South Africa where conflicting socio political narratives persist This work adds to the theoretical development by grappling with the history of Black theological thought and influences contemporary engagements with theology Its impact spans various levels encompassing the reconsideration of Black theology s influence on race gender politics community development and more Ultimately this volume serves as a catalyst for understanding and reshaping the discourse on Black theology offering valuable insights for navigating the complexities of theological thought in today s diverse and evolving landscape **Pages from a Black Radical's Notebook** James Boggs,2011 Stephen M Ward is assistant professor at the University of Michigan in the Center for Afroamerican and African Studies and the Residential College Book Jacket Black Enterprise ,1993-12 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal
