## **Courage Under Fire:**

The War Film Robert T. Eberwein, 2005 War has had a powerful impact on the film industry while at the same time motion pictures can influence wartime behaviour shape our perception of the historical record This book collects essays that use a variety of critical approaches to explore this film genre **New York Magazine** ,1996-07-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Courage Under Fire Wiley Sword, 2011-03-29 If it is necessary that I should fall on the battlefield for my courage does not halt or falter Major Sullivan Ballou 1861 prior to the Battle of Bull Run In Courage Under Fire award winning historian Wiley Sword captures the fervor of a nation at war with itself a war that pitted brother against brother Through the immediacy of diaries and letters written not only on the battlefields and in camps but also on the deathbeds of soldiers from both the North and South Sword lays bare the complexities and depth of a soldier s mind in coming to grips with life and death even while his country and often his family is mercilessly ripped apart From wives and mothers to the highest military figures all strived toward often worthy but difficult objectives while seeking to suffer as little as possible Featured in this compelling study of men and women facing the severest stress of their lives are fascinating stories such as that of Union Lieutenant Colonel Frank Curtiss He was ordered to take his regiment the 127th Illinois in a hopeless charge against the enemy s fortified lines at Atlanta Ga on August 3 1864 Aware that many of his men would die needlessly and for minimal tactical gain he refused to obey these orders The moral courage to fight meant also to appropriately assess the risks and weigh the loss in lives of one s soldiers Confederate General John Bell Hood s decision to sacrifice much of his army at Franklin Tennessee on November 30th 1864 ranks as one of the saddest events of the war His aggressive behavior is assessed in terms of both moral and physical courage providing a revealing insight into the character of one of the war s key commanders The prospect of death in battle was a fearsome prospect for Lucy Morse who kept desperate hope her husband William H Morse would survive the fighting She wrote to him I was almost crazy before I heard from you for fear that you had shared the fate of many a brave soldier Her story and that of the fateful events in their lives provides graphic evidence of the fiber of America s soldiers and their worthy families In a revealing portrait of courage and its often bloody consequences Wiley Sword conveys a vivid picture of bravery under extreme stress which is fully appropriate in today s world **Super Bitches and Action Babes** Rikke Schubart, 2014-08-23 With actress Pam Grier s breakthrough in *Coffy* and Foxy Brown women entered action science fiction war westerns and martial arts films genres that had previously been considered the domain of male protagonists This ground breaking cinema however was and still is viewed with ambivalence While women were cast in new and exciting roles they did not always

arrive with their femininity intact often functioning both as a sexualized spectacle and as a new female hero rather than female character This volume contains an in depth critical analysis and study of the female hero in popular film from 1970 to 2006 It examines five female archetypes the dominatrix the Amazon the daughter the mother and the rape avenger The entrance of the female hero into films written by produced by and made for men is viewed through the lens of feminism and post feminism arguments Analyzed works include films with actors Michelle Yeoh and Meiko Kaji the Alien films the Lara Croft franchise Charlie s Angels and television productions such as Xena Warrior Princess and Alias

*Bad Girls* A. Susan Owen, Leah R. Vande Berg, Sarah R. Stein, 2007 *Bad Girls* examines representational practices of film and television stories beginning with post Vietnam cinema and ending with postfeminisms and contemporary public disputes over women in the military The book explores a diverse range of popular media texts from the Alien saga to Ally McBeal and Sex and the City from The Net and VR5 to Sportsnight and G I Jane The research is framed as a study of intergenerational tensions in portrayals of women and public institutions in careers governmental service and interactions with technology Using iconic texts and their contexts as a primary focus this book offers a rhetorical and cultural history of the tensions between remembering and forgetting in representations of the American feminist movement between 1979 and 2005 Looking forward the book sets an agenda for discussion of gender issues over the next twenty five years and articulates with authority the manner in which transgression itself has become a site of struggle
