Kairos Defining Moments B.W. Hambrick,2011-09-12 Have you ever had a moment when everything seems to change What makes that momentary but long lasting difference God shows up to participate in our lives and performs a miracle speaks words of peace gives new direction or whatever else the Creator of the universe chooses to do But in those defining moments virtually everything changes the impossible becomes possible Why Because God is God and He still rules His universe The God who created all things can accomplish more in His defining moment than we can accomplish in a lifetime After all according to Genesis He created the heavens and earth including man in just six days and rested on the seventh From that truth one would draw an obvious conclusion that what we do is not going to impress God but when He acts in our behalf it will always astound us We serve an awesome God Those times are kairos moments For twenty five years Pastor B W Hambrick has pastored the people of the Ephrata Church of the Nazarene Ephrata Pennsylvania Changed lives culture change renovations new buildings even relocation have all been part of the ongoing movement of the church There have been many events that have defined the church and Pastor Hambricks ministry but nothing has defined it quite like those unique moments those kairos moments when everything changed for the better Nothing absolutely nothing can explain the stories shared here except the immediate intervention of God **Understanding a Course in Miracles** D. Olsen,2023-02-22 The Twelve Pillars of Unbelief Why the Arguments for Atheism Don t Work and Why the Ones for Christianity Do By Douglas Olsen About the Book This book summarizes the reasons atheism is logically faulty from a Christian perspective The author incorporates his own examples insights and humor According to the author we are living in an increasingly secular society and there have been best selling books by the so called New Atheists which need to be put in their place with a fresh approach to the beliefs of Christianity This book is different from other books attacking atheism in the inclusion of a chapter on heaven and hell with an nontraditional but Biblical view of hell and a section on evolution Intelligent Design and creationism I hope the reader who is more likely to be Christian rather than atheist will be armed with arguments against atheism as well as thoughtful ideas about Christianity Maybe some agnostics or seekers will find truth in
