Courting Of Dinah Shadd Other Stories:

The Courting of Dinah Shadd, and Other Stories Rudyard Kipling, 1916 The Internationalisation of Copyright Law Catherine Seville, 2006-11-23 Technological developments have shaped copyright law's development and now the prospect of endless effortless digital copying poses a significant challenge to modern copyright law. Many complain that copyright protection has burgeoned wildly far beyond its original boundaries. Some have questioned whether copyright can survive the digital age. From a historical perspective, however, many of these new challenges are simply fresh presentations of familiar dilemmas. This book explores the history of international copyright law and looks at how this history is relevant today. It focuses on international copyright during the nineteenth century as it affected Europe, the British colonies, particularly Canada, America, and the UK. As we consider the reform of modern copyright law, nineteenth-century experiences offer highly relevant empirical evidence. Copyright law has proved itself robust and flexible over several centuries. If directed with vision, Seville argues, it can negotiate cyberspace. Charter, By-laws and Library Rules of the Mercantile Library Company of Philadelphia Mercantile Library of Philadelphia, 1886 **Alphabetical List (by Title) of the Class of Prose Fiction** Mercantile Library of Philadelphia, 1891 Writings on Writing Rudyard Kipling, 1996-07-26 Unlike his contemporaries Virginia Woolf and Henry James, Kipling always denied he was a critic. But his letters, speeches, and stories are full of comments on writing and writers. This collection, including many formerly unpublished private letters and papers, details Kipling's response to the commercialisation of literature and the emerging role of the writer as celebrity in the turbulent literary world of the 1890s and beyond. They reveal a mind intensely concerned with questions of literary value, with language and imagination, with truth, realism, and romanticism. Kipling's fame made him a significant spokesperson for important segments of the reading public: the soldiers, engineers, and functionaries central to Britain's imperial expansion. He profoundly influenced English literary language and our perception of English national character. This book offers access to the private and public history of a writer whose continuing influence is still a matter of fierce controversy. **Politics and Awe in Rudyard Kipling's Fiction** Peter Havholm, 2016-12-05 There has been a resurgence of interest in Kipling among critics who struggle to reconcile the multiple pleasures offered by his fiction with the controversial political ideas that inform it. Peter Havholm takes up the challenge, piecing together Kipling's understanding of empire and humanity from evidence in Anglo-Indian and Indian newspapers of the 1870s and 1880s, and offering a new explanation for Kipling's post-1891 turn to fantasy and stories written to be enjoyed by children. By dovetailing detailed contextual knowledge of British India with informed and sensitive close readings of well-known works like *The Man Who Would Be King*, *Kim*, *The Light That Failed*, and *They*, Havholm offers a fresh reading of Kipling's early and late stories that acknowledges Kipling's achievement as a writer and illuminates the seductive allure of the imperialist fantasy. *Kim* Rudyard Kipling, 2005-06-02 *Kim* tells the story of Kimball O'Hara, an orphaned Irish boy growing up in late nineteenth-century India and his quest for identity as he strives to reconcile his

Western inheritance with the Indian life he has always known This edition sets the novel in the context of the historical period and addresses Kipling's ambivalent relationship with India the Empire's treatment of the other classes and races who worked to maintain the British presence in India and the place of Kim in Kipling's career as a writer Appendices include contemporary reviews of the novel and historical documents on Britain's and Russia's struggle for control of Asia Indian colonization and the writing of Kim
