A compelling memoir at the intersection of baseball and American history, Cleon Jones has never forgotten where he came from. As a child growing up in a Mobile, Alabama, shotgun house with no electricity or running water, he yearned to follow the path of hometown heroes Satchel Paige and Hank Aaron, and his community uplifted him. Navigating the perilous norms of the Jim Crow South, Jones ascended to baseball's highest ranks, leading the 1969 New York Mets with his bat and catching the final out to clinch the miracle World Series title. But after 13 years in the major leagues, Jones returned to the place he loves: the neighborhood where it all started, Africatown. *Coming Home* is Jones's love letter to his roots in Alabama's most historic Black settlement, whose origins can be traced back to the last known illegal transport of slaves to the United States aboard the *Clotilda*. Jones candidly discusses how his Africatown neighbors helped supply him with a bat and glove when his family could not afford equipment; the opposition he faced as a Black player; after leaving Alabama, his fond memories of the Miracle Mets and his post-baseball fight to save his dying community. Also featuring Jones's outlook on the modern game and American society, this timely chronicle is a profound slice of history for all baseball fans. A Coaching Life Gary Blair, Rusty Burson, 2017-01-27. It's still difficult to describe the scene after the final buzzer sounded because the moment was just so damned surreal, writes head coach Gary Blair following the conclusion of the title game of the 2011 NCAA Division I women's basketball tournament. So many things happened that I will never forget: kissing my wife on the floor of Consecro Fieldhouse, looking toward the stands where my grandson was, flashbulbs popping as the Aggie Band played triumphantly, our players and coaches wildly celebrating the biggest win in women's basketball history at Texas A&M, tears streaming down the faces of former players. I remember thinking that I wished I could somehow stop time. This memory and countless others form the greatest treasure of Coach Blair's life, as he makes clear in this engaging, inspiring memoir written with veteran sports journalist and author Rusty Burson. Indeed, as Blair says, "What I cherish the most are the memories of these players and

coaches Beyond the trophies beyond the impressive won lost record compiled over more than four decades of coaching beyond even the ungrudging professional respect he has achieved among his peers in a fiercely competitive occupation Gary Blair values the images moments and memories collected during a life spent doing what he loves most coaching and mentoring young women on the basketball court In *A Coaching Life* Coach Blair offers readers a freeze frame view of a storied career He serves up more than a few of his favorite memories with wit grace and humility In the process he invites readers to reflect on life s wins and losses and most importantly what both have to teach us *Loving Nolan* Melayne Schmidt,2024-02-26 *Loving Nolan* was the most blissful and excruciating moment of my life Aiden and Nolan feel as though they have the world at their fingertips Falling in love graduating college and writing novels they have their lives figured out and they re ready to conquer the rest of their lives together That is until a secret Nolan has been harboring for most of their relationship becomes known to Aiden and ultimately tears them apart Five years later they meet again completely unexpectedly and Nolan can t help but feel that fate is on her side Aiden feels differently While Nolan wants to redeem herself for her past mistakes Aiden won t allow her to forget them The two grow from lovers to enemies to strangers and are now stuck wondering if they will ever be able to come back from what tore them apart Can they forgive each other Will Aiden allow himself to fall for Nolan all over again Or will this be the biggest heartbreak of his life *Video Rating Guide for Libraries* ,1991
