Promoting Nonprofit Organizations Ruth Ellen Kinzey, 2013-08-21 Promoting Nonprofit Organizations is a practical guide to developing and implementing a strategic public relations program to enhance a nonprofit's reputation The ways in which businesses both for profit and not for profit communicate with customers has changed dramatically in recent years Coupled with economic uncertainty nonprofits have had to adopt a leaner operational mode further underlining the need for organizations to take advantage of all the promotion strategies available to them This book Discusses why public relations and reputation management go hand

in hand with marketing efforts Offers a step by step guide to develop a public relations strategy Considers the importance of nonprofit sustainable citizenship Provides tips for reputation enhancement using a range of tools such as social media and board ambassadorship Guides the reader in developing a reputation approach to crisis communication management Highly practical in its approach this book is a great guide for students in public relations and nonprofit management courses as well as for professionals seeking to enhance the success of their nonprofit organization

Strategic Management in the Arts

Lidia Varbanova, 2013-01-03 Strategic Management in the Arts looks at the unique characteristics of organisations in the arts and culture sector and shows readers how to tailor a strategic plan to help these diverse organizations meet their objectives Strategic management is an essential element that drives an organisation's success yet many cultural organizations have yet to apply strategic thinking and entrepreneurial actions within the management function Varbanova reviews the existing theories and models of strategic management and then relates these specifically to cultural organisations Also included are sections on entrepreneurship and innovations in the arts considering the concept of a learning organisation an organisation able to adapt its strategy within a constantly changing complex environment The book is structured to walk the reader through each element of the strategic plan systematically With a fresh approach key questions examples international cases to connect theory with practice and suggestions for further reading this book is designed to accompany classes on strategic planning cultural management or arts management

Leadership in Nonprofit Organizations

Kathryn A. Agard, 2010-10-19 Leaders of nonprofit organizations deliver programs and services vital to the quality of life in the United States All the activities of our religious communities the vast majority of the arts and culture human services and community development pursuits as well as education and environmental advocacies take root and deliver their services within the nonprofit sector Welcome to the world of leadership in nonprofit organizations This sector offers an opportunity to serve as well as to lead Leadership in Nonprofit Organizations A Reference Handbook engages voices on issues and leadership topics important to those seeking to understand more about this dynamic sector of society A major focus of this two volume reference work is on the specific roles and skills required of the nonprofit leader in voluntary organizations Key Features Presents contributions from a wide range of authors who reflect the variety vibrancy and creativity of the sector itself Provides an overview of the history of nonprofit organizations in our country Describes a robust and diverse assortment of organizations and opportunities for leadership Explores the nature of leadership and its complexity as exemplified in the nonprofit sector Includes topics such as personalities of nonprofit leaders vision and starting a nonprofit organization nonprofit law statutes taxation and regulations strategic management financial management collaboration public relations for promoting a nonprofit organization and human resource policies and procedures Nonprofit organizations are a large independent diverse and dynamic part of our society This landmark Handbook tackles issues relevant to leadership in the nonprofit realm making it a welcome addition to any academic or public library
