

Pass CPR!

Periodic certification and recertification of CPR to AHA standards is required of many medical, and allied health professionals. It is also a prerequisite to successful ACLS course completion.

PASS CPR! is the best way to review, simply and privately, everything required of you to receive your CPR card. While BLS and CPR may seem simple, the skills review process is precise. Proper use of adjuncts is essential.

For medical office staff, nurses, EMTs, Paramedics, and everyone taking the AHA CPR course, this program will teach and reinforce CPR and BLS skills to current applicable standards. The booklet contains compression to ventilation ratios and other information for review. This can be useful for quick reference in the event of an emergency.
