The Genesis Beast Gerald Lattocha Jr,2022-12-05 The reading of Will Smythe s will was supposed to be a somber event In his youth Will had almost disavowed his relatives and decided to have a reading of his will before he died of cancer It should have been noticed that Will s intent was anything but honorable but upon signing of the will it would be revealed just how far Will would go to reach immortality Unknown to Will s guests he had a deadly secret Now the guests would have to find a way to beat the mysterious and ferocious Genesis Beast So what form will the Genesis Beast be next A crocodile A T Rex It was a creature that could turn into any form of prehistoric carnivore and generate its optimum hunting environment So would the guests survive this horrible creature or would they all succumb to the nature of the beast and give William his total immortality Can they find a way to beat it Only by reading this story can one discover this outcome and find out the thrilling outcome of a good versus evil plot
