The Typewriter Is Holy Bill Morgan, 2011-05-01 Anyone who cares to understand the cultural ferment of America in the later twentieth century must know of the writings and lives of those scruffy bohemians known as the Beats In this highly entertaining work Bill Morgan the country's leading authority on the movement and a man who personally knew most of the Beat writers narrates their history tracing their origins in the 1940s to their influence on the social upheaval of the 1960s The Beats through their words and nonconformist lives challenged staid postwar America They believed in free expression dabbled in free love and condemned the increasing influence of military and corporate culture in our national life But the Beats were not saints They did too many drugs and consumed too much booze The fervent belief in spontaneity that characterized their lives and writings destroyed some friendships As we watch their peripatetic lives and sexual

The Beats: A Very Short Introduction David Sterritt,2013-07-11 In the late 1950s and early 1960s the writers of the Beat Generation revolutionized American literature with their iconoclastic approach to language and their angry assault on the conformity and conservatism of postwar society

They and their followers took aim at the hypocrisy and taboos of their time particularly those involving sex race and class in such provocative works as Jack Kerouac's *On the Road* 1957 Allen Ginsberg's *Howl* 1956 and William S Burroughs's *Naked Lunch* 1959 In this Very Short Introduction David Sterritt offers a concise overview of the social cultural and aesthetic sensibilities of the Beats bringing out the similarities that connected them and also the many differences that made them a loosely knit collective rather than an organized movement Figures in the saga include Neal Cassady Gregory Corso Lawrence Ferlinghetti John Clellon Holmes Carolyn Cassady and Gary Snyder As Sterritt ranges from Greenwich Village and San Francisco to Mexico western Europe and North Africa he sheds much light on how the Beats approached literature drugs sexuality art music and religion Members of the Beat Generation hoped that their radical rejection of materialism consumerism and regimentation would inspire others to purify their lives and souls as well Yet they urged the remaking of consciousness on a profoundly inward looking basis cultivating the unspeakable visions of the individual in Kerouac's phrase The idea was to revolutionize society by revolutionizing thought not the other way around This book explains how the Beats used their antiauthoritarian visions and radical styles to challenge dominant values fending off absorption into mainstream culture while preparing ground for the larger more explosive social upheavals of the 1960s More than half a century later the Beats impact can still be felt in literature cinema music theater and the visual arts This compact introduction explains why

The Beat Generation, *Beat Culture* Cornelis A. van Minnen, Jaap van der Bent, Mel van Elteren, 1999 *Breaking the Rule of Cool* Nancy McCampbell Grace, Ronna C. Johnson, 2012 BIOGRAPHY LITERARY CRITICISM The Beat movement nurtured many female dissidents and artists who contributed to Beat culture and connected the Beats with the second wave of the women's movement Although they have often been eclipsed by the men of the Beat Generation the women's contributions to Beat literature are considerable Covering writers from the beginning of the movement in the 1950s and extending to the present this book features interviews with nine of the best known women Beat writers including Diane di Prima Ruth Weiss Joyce Johnson Hettie Jones Joanne Kyger Brenda Frazer Bonnie Bremser Janine Pommy Vega Anne Waldman and the critic Ann Charters Each is presented by a biographical essay that details her literary or scholarly accomplishments In these recent interviews

the nine writers recall their lives in Beat bohemia and discuss their artistic practices Nancy M Grace outlines the goals and revelations of the interviews and introduces the community of female Beat writers created in their conversations with the authors Although they have not received attention equal to the men women Beat writers rebelled against mainstream roles for young women and were exuberant participants in creating the Beat scene Mapping their unique identities in the Beat movement Ronna C Johnson shows how their poetry fiction and memoirs broke the male rule that defined Beat women as silent bohemian chicks rather than artistic peers Breaking the Rule of Cool combines the interviews with literary criticism and biography to illustrate the vivacity and intensity of women Beat writers and argues that American literature was revitalized as much by the women s work as by that of their male counterparts Nancy M Grace a professor of English at the College of Wooster is the author of *The Feminized Male Character in Twentieth Century Literature* Her work has appeared in *Contemporary Literature* the *Beat Scene* and the *Artful Dodge* Ronna C Johnson a lecturer in English and American Studies at Tufts University has been published in *College Literature* the *Review of Contemporary Fiction* and the *Poetry Project Newsletter* Johnson and Grace are the editors of and contributors to *Girls Who Wore Black Women Writing the Beat Generation*
