THE RECOVERY FROM DEPENDENT DRUG USE

Beating The Dragon The Recovery From Dependent Drug Use

James Macintosh

Beating The Dragon The Recovery From Dependent Drug Use:

Beating the Dragon James Macintosh,2014-09-25 Suitable for 2nd and 3rd year students taking courses on drug use misuse principally in departments such as Sociology Law Cultural and Media Studies and Psychology Also particularly relevant for students taking courses leading to a profession such as nurses and social workers The use of illegal drugs is widespread in many societies Within many western societies particular concern has been focused on the nature and extent of illegal drug use amongst young people In much of the media coverage an impression is often conveyed that the use of illegal drugs other than cannabis is a one way street leading inevitably to addiction destitution family breakdown and death This impression fails to grasp the fact that most drug users do not become addicts and most addicts do not die The perception of addiction as a fixed end point characterised by personal and social dissolution fails to recognise that many dependent drug users even after a period of prolonged dependent drug use nevertheless still manage to overcome their dependence upon illegal drugs This process of recovery either with or without the assistance of helping agencies has been variously described by researchers drug counsellors clinicians and others

Beating the Dragon James McIntosh,Neil P. McKeganey,2002 Suitable for 2nd and 3rd year students taking courses on drug misuse principally in departments such as Sociology Law Nursing and Social Work The use of illegal drugs is widespread in many societies In much of the media coverage an impression is often conveyed that the use of illegal drugs other than cannabis is a one way street leading inevitably to addiction destitution family breakdown and death The perception of addiction as a fixed end point characterised by personal and social dissolution fails to recognise that many dependent drug users even after a period of prolonged dependent drug use nevertheless still manage to overcome their dependence upon illegal drugs This process of recovery either with or without the assistance of helping agencies has been variously described by researchers drug counsellors clinicians and others We still lack much of an understanding of the process recovery as seen from the addict s own viewpoint **Beating the Dragon** describes in detail the road from addiction as experienced by 70 ex addicts All the people interviewed had been using major illegal drugs for many years and yet managed to overcome their addiction through a variety of means By looking in detail at the experiences of this group of recovering addicts the authors aim to produce a ground breaking ethnography of the recovery process

Recovery Monographs Volume Ii William White,2015-11-06 The addictions treatment field is reaching a tipping point that is revolutionizing the ways that behavioral health leaders think about people with alcohol and other drug problemsand how services and systems are developed Recovery Management Recovery Oriented Systems of Care contains six monographs by renowned recovery advocate William L While and colleagues These monographs provide insight and analysis of the topics important to todays addiction counselors and recovery coaches recovery oriented systems of care recovery management peer based recovery services and treating addiction as a chronic condition that requires ongoing management

Women and Substance Use: Specific Needs and Experiences of Use, Others' Use and Transitions

Towards Recovery Lucy Webb,Guilherme Messas,Sarah Fox,2023-12-15 Rethinking Drinking and Sport Catherine Palmer,2016-03-09 Rethinking Drinking and Sport examines the complex nature of sport related drinking With close attention to the contradictory nature of sport related drinking this book considers both the problem of drinking in sport as well as some of the issues for treatment and recovery that sports related drinking presents Bringing together a range of methodological and theoretical debates that address the relationships between alcohol and sport Rethinking Drinking and Sport draws on rich new interview material with fans and both drinking and non drinking sportsmen and women as well as documentary and media sources Based on research across a variety of sports in the UK and Australia Rethinking Drinking and Sport explores not only the relationship between alcohol fans participants and industry but also questions of gender and identity to provide fresh insights into the complex relationships between drinking and sport Examining possible directions for health and public policy in relation to sport related drinking this book will appeal to social scientists and policy makers with interests in consumption leisure sport drinking and health

Working within the Forensic Paradigm Rosemary Sheehan,James Ogloff,2014-12-17 Forensic work occurs across the criminal justice sector and the legal and health professions and intersects with work in a range of areas such as child protection family welfare mental health offending disability and addictions family violence programmes juvenile justice and sexual assault centres This book offers contemporary perspectives on forensic policy and practice from the range of practitioners working with people within the forensic domain and canvasses ideas about risk and offending behaviours together with ideas about effective responses to rehabilitation and recovery The contributors to this proposed book are drawn from the practitioners policy contributors advocates and researchers in mental health welfare law criminology policing and health Negligible attention has been paid to forensic policy and practice this proposed book offers cross national attention to how mental health welfare and justice systems intersect who they affect and how practitioners structure effective responses for vulnerable people within the forensic domain A particular strength of the book is its international focus making it relevant to academics and practitioners who work in this field around the world

Drug Addiction and Families Marina Barnard,2007 Drug Addiction and Families is an exploration of the impact of drug use on families and of the extent to which current practice meets the needs of families as well as problem drug users Drawing on a substantial research Marina Barnard examines the effects of drug use not only on drug users themselves but also their extended families

The Cambridge Handbook of Forensic Psychology Jennifer M. Brown,Elizabeth A. Campbell,2010-04-29 Forensic psychology has developed and extended from an original narrow focus on presenting evidence to the courts to a wider application across the whole span of civil and criminal justice which includes dealing with suspects offenders victims witnesses defendants litigants and justice professionals This Handbook provides an encyclopedic style source regarding the major concerns in forensic psychology It is an invaluable reference text for practitioners within community special hospital secure unit prison probation and law enforcement forensic settings as well as

being appropriate for trainees and students in these areas It will also serve as a companion text for lawyers and psychiatric and law enforcement professionals who wish to be apprised of forensic psychology coverage Each entry provides a succinct outline of the topic describes current thinking identifies relevant consensual or contested aspects and alternative positions Readers are presented with key issues and directed towards specialized sources for further reference **EBOOK:**

Introducing Qualitative Research in Psychology Carla Willig, 2013-05-16 Why use qualitative research in psychology How is qualitative research in psychology carried out What are the major debates and unresolved issues surrounding this form of research Introducing Qualitative Research in Psychology is a vital resource for students new to qualitative psychology It offers a clear introduction to the topic by taking eight different approaches to qualitative methods and explaining when each one should be used the procedures and techniques involved and any limitations associated with such research Throughout the new edition material has been re organized and updated to reflect developments in the field while Carla Willig s style of writing popular with students and lecturers alike remains unchanged Together with wider coverage of conceptual issues and epistemological theoretical challenges in qualitative research this third edition boasts three new methods chapters Thematic Analysis Narrative Analysis and Visual Methodologies Three additional chapters on Qualitative Research Design Data Collection The Role of Interpretation and Putting Together A Research Proposal will be invaluable to students and researchers during conceptual preparation This edition contains more interactive exercises and discussion points in order to help students understand what they are learning as well as three qualitative research reports written by students The third edition is supported by a new Online Learning Centre www.openup.co.uk/willig with resources for lecturers and students With contributions from Sarah Jane Dryden Caroline Silcock and Joanna Silver All students of qualitative research in psychology will find a wealth of information in Carla Willig s book With its expanded sections and detailed consideration of concepts techniques and applications of qualitative research the interactive approach taken in this book is ably supported by extensive research examples As usual with Carla Willig s clear and detailed writing style this book will give both new and existing researchers the opportunity to think clearly about their use of qualitative research and its methods Dr Nollaig Frost Senior Lecturer Psychology Middlesex University UK A tour de force from an expert guide which grounds students in the lexicon of qualitative psychology before explicating a range of major methodologies Students will appreciate many worked examples and will be stimulated by the coverage of contemporary innovations issues and debates an invaluable textbook Professor Brendan Gough Institute of Health and Wellbeing Leeds Metropolitan University UK In just over a decade Carla Willig s book has become one of the key introductory texts in the field Many of my students and supervisees have enjoyed reading it finding complex issues and debates have been explained in an accessible manner This latest edition includes helpful advice on writing a research proposal some newer research methods and discussion about the future of qualitative research In addition there are new chapters on epistemology and interpretation which I think my

students will find particularly valuable as these are often the most challenging topics when one is new to qualitative research

Dr David Harper Reader in Clinical Psychology University of East London UK Once again Carla Willig has produced a wonderfully clear account of how and why qualitative methods ought be used to answer psychological questions Not only does Willig examine key theories ethics and debates surrounding the use and interpretation of qualitative data she shows us how to do it step by step with a tremendous sense of balance and integrity This new edition covers some of the more recent debates in qualitative research contains new examples of how to design carry out and approach analysis in qualitative methods and lots of useful questions that researchers ask themselves along the way My students have used Willig s writings on qualitative methods for many years as they can understand and engage with it There is simply no other equivalent text in psychology to rival Willig s her clarity conviction and sheer brilliance in putting difficult ideas on methods into plain language is something students in psychology will relish for a very long time to come Paula Reavey Professor of Psychology London South Bank University UK In writing this text originally Carla Willig argued that unlike quantitative research where the aim is to follow a set of rules and get them right qualitative research is more about having adventures From the start it sounds a lot more fun and certainly a lot more interesting And it was Students and lecturers alike appreciate its lively practical approach its very clear and elegant writing its use of clever examples of students own work and its lucid explanations of the theory underpinning methods and methodologies This new third edition is a real triumph It s more comprehensive and it s bang up to date with three additional new chapters more examples of student projects and overall an even more systematic approach It is in my view the most approachable and person friendly text around introducing qualitative research in psychology and a great opportunity to boldly go have adventures and really get to grips with doing qualitative research

Wendy Stainton Rogers Professor Emerita Faculty of Health and Social Care The Open University UK *The Role of Community-Mindedness in the Self-Regulation of Drug Cultures* Anke Stallwitz,2012-04-26 This book analyzes heroin users and the drug subculture on the Shetland Islands an area known for its geographical remoteness rural character and relative wealth It fills the scientific gap created by the conventional research in heroin research which is usually conducted in urban areas and relies on treatment and prison populations Based on qualitative in depth interviews with twenty four heroin users this book depicts and analyzes the nature and historical development of the local heroin scene It illustrates the features and internal structures of the subculture and it examines the manner in which both are influenced by the location specific geographical cultural and socio economic conditions It thus reveals complex causal associations that are hard to recognize in urban environments Complete with a list of references used and recommendations for future research this book is a vital tool for progressive and pragmatic approaches to policy intervention and research in the field of illicit drug use

Addiction and Spiritual Transformation Srdjan Sremac,Srdan Sremac,2013 This study explores the relationship between addiction and spiritual transformation More specifically it examines how recovering drug addicts employ testimonies of conversion and

addiction to develop and sustain a sense of personal unity and create meaning from varied experiences in life Drawing on 31 original autobiographies the book analyzes conversion and addiction testimonies in two European contexts Serbia and The Netherlands Series Religion and Biography Religion und Biographie Vol 22 *Pathways to Recovery and Desistance* David Best,2019-09-04 Available Open Access under CC BY NC licence This is the first book that uses the latest research evidence to build guidance on community based rehabilitation with the aim of challenging stigma and marginalisation The case studies discussed and a strengths based approach emphasize the importance of long term recovery and the role that communities and peers play in the process Best examines effective methods for community growth offers sustainable ways of promoting social inclusion and puts forward a new drug strategy and a new reform policy for prisons *Hope in Addiction* Andy Partington,2023-04-04 London s suburbs Latin America s megacities West Africa s villages China s skyscrapers North America s homes Addiction is a worldwide and at home epidemic A powerful look at the gospel for the addicted Hope in Addiction helps us think about what it means to be the Church in light of this growing and heartbreaking epidemic How did we get here And how can we find freedom from addiction This book is not just about drug or alcohol abuse It s about gambling addictions porn dependencies workaholism and internet addictions It s a book about how slaves to addiction become children of the Living God and family in the community of God Wherever they are Whatever has enslaved them With clarity and compassion Andy Partington brings together personal stories compelling research and frontline ministry experience This book is for Christian leaders influencers counselors and educators For the friends and family of those gripped by addiction And for those who themselves battle addiction This book is for all of us There is hope in addiction Hope for freedom Hope for wholeness Hope for eternity *Tackling Addiction* Rowdy Yates,2010 This edited collection brings together the thoughts and experiences of researchers practitioners and service users from the fields of health addiction and criminal justice and centres on current developments in addiction policy and practice Tackling Addiction examines what recovery addiction and dependence really mean **Substance Misuse** Joy Barlow,2009-12-15 Substance misuse and its pervasive problems is a constant challenge for social work health and related professionals today It is paramount that professionals remain up to date on current issues and their responsibilities Based on research and evidence this book provides a sound basis for grounded and innovative practice **Fundamentals of Mental Health Nursing** Andrew Clifton,Steve Hemingway,Anne Felton,Gemma Stacey,2017-11-06 Fundamentals of Mental Health Nursing is an accessible evidence based introduction to the role of the mental health nurse This comprehensive overview explores concepts of mental health and distress ethics and accountability key nursing models to be aware of and the prevalence predisposing factors and features of the most commonly occurring mental health problems KEY FEATURES Places mental health conditions and interventions within a wider holistic context Situates recovery at the centre of mental health nursing practice Links key concepts to mental health across the lifespan Contains learning outcomes in each chapter and includes vignettes activities

and reflective exercises to root concepts in real life practice Information is placed in a practice context from the outset making this an essential guide to both the theory and the practice of mental health nursing It is ideal for students on courses relating to mental health care as well as for registered nurses and health care practitioners looking to revise their knowledge of key concepts www.wiley.com/go/fundamentalsofmentalhealth Interactive multiple choice questions Links to online resources Chapter summary sheets

Beating The Dragon The Recovery From Dependent Drug Use Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Beating The Dragon The Recovery From Dependent Drug Use PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Beating The Dragon The Recovery From Dependent

Drug Use PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Beating The Dragon The Recovery From Dependent Drug Use free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
