Wiener,1993-01-01 [The Beatles Diary Volume 1: The Beatles Years](#) Barry Miles,2009-10-27 An intimate day by day history of all four Beatles from childhood to the break up of the group All the concerts film TV and radio appearances interviews hushed up scandals the sex and the drugs the triumphs and quarrels and all the Beatles related births marriages and deaths Essential reading for anyone interested in rock s most influential phenomenon of all time

The Beatles 1962-1966 Alberto Bravin,Andrew Wild,2025-04-07 Other than I Me Mine and some minor overdubs The Beatles entire EMI Apple catalogue was recorded in fewer than seven years from 4 September 1962 through to 20 August 1969 Twelve albums twenty two singles two standalone EPs 213 songs That in itself is remarkable enough But the quality of the music the rapid development of musical complexity and the innovations in studio production lifted The Beatles above every other band The Fab Four were not always fab But that some writers take the time and expend energy to point this out and purposefully diss perfect songs such as Yesterday merely serves to remind us that most of the time The Beatles were unarguably brilliant Authors Andrew Wild and Alberto Bravin have listened to digested and discussed the entire Beatles back catalogue to remind them why they love their music How do they affect us today Answer they were bloody good They still are This first volume covers the period 1962 to 1966 from Love Me Do to Tomorrow Never Knows and the early albums that were different in the UK and the USA to Rubber Soul and Revolver marking four years of outstanding groundbreaking music Andrew Wild is a British writer collector and long time Beatles fan who recalls hearing the Red and Blue albums in the mid 1970s and has been in love with their music ever since He has copies of every known Beatles outtake and live concert recording His thorough and exhaustive study of every song performed or recorded by the band Four Sides Of The Circle was republished in 2024 He has written numerous music related books including several in the On Track series about artists as diverse as The Allman Brothers Band Phil Collins and Dire Straits He lives in Rainow Cheshire UK Alberto Bravin is a musician multi instrumentalist and songwriter He is the lead singer of the progressive rock band Big Big Train Alberto was previously a member of the highly regarded Italian progressive rock band PFM Premiata Forneria Marconi from 2015 to 2022 and for many years he also played with his The Beatles tribute band Marshmallow Pies He lives with his family in Trieste in the north east of Italy This is his first book **The Encyclopedia of Popular Music** Colin Larkin,2011-05-27 This

text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day [The Beatles Diary Volume 2: After The Break-Up 1970-2001](#) Keith Badman,2009-10-28 From 1970 onwards the disbanded Beatles were at last free to follow their individual interests From that point on there were four separate stories but they were stories that would form a complex overlapping history of quarrels and reconciliations personal projects and sporadic collaborations For the first time ever a noted Beatles expert has meticulously documented the entire period of The Beatles after the break up **Beatleness** Candy Leonard,2016-07-05 A must have for Beatles fans looking for new insight

Leonard uncovers fresh ideas that six decades of Beatles literature passed over The Spectrum Part generational memoir and part cultural history of the sixties Beatleness is the first book to tell the story of the Beatles and their impact on America from the fans perspective When the Beatles arrived in the United States on February 7 1964 they immediately became a constant compelling presence in fans lives For the next six years the band presented a nonstop deluge of steadily evolving sounds ideas and images that transformed the childhood and adolescence of millions of baby boomers and nurtured a relationship unique in history Exploring that relationship against the backdrop of the sexual revolution political assassinations the Vietnam War and other events Beatleness examines critically the often heard assertion that the Beatles changed everything and shows how through the interplay between the group the fans and the culture that change came about Beatleness incorporates hundreds of hours of in depth fan interviews and includes many fan vignettes Offering a fresh perspective and new insights on the Beatles phenomenon it allows readers to experience or re experience what it was like to be a young person during those transformative years

The Rockin' 60s: The People Who Made the Music Brock

Helander,2001-01-01 The Rockin 60s is a comprehensive guide through the decade that produced the greatest music of all time The Beatles The Rolling Stones Bob Dylan Jimi Hendrix Led Zeppelin Phil Spector The Beach Boys Aretha Franklin and hundreds more emerged from this era Delve into a narrative history of each group and examine the people behind the music along with an analysis of key recordings discography and archival photos throughout

The Beatles as Musicians Walter Everett,1999 Given the phenomenal fame and commercial success that the Beatles knew for the entire course of their familiar career their music per se has received surprisingly little detailed attention Not all of their cultural influence can be traced to long hair and flashy clothing the Beatles had numerous fresh ideas about melody harmony counterpoint rhythm form colors and textures Or consider how much new ground was broken by their lyrics alone both the themes and imagery of the Beatles poetry are key parts of what made and still makes this group so important so popular and so imitated This book is a comprehensive chronological study of every aspect of the Fab Four s musical life including full examinations of composition performance practice recording and historical context during their transcendent late period 1966 1970 Rich authoritative interpretations are interwoven through a documentary study of many thousands of audio print and other sources

critically acclaimed Beatles book reappears in a visually stunning second edition The book is an hour by hour account of the fateful day the two founding Beatles met in July 1957 But it is much more than that it s a spellbinding story of how fate brought together two men who would radically change the face of popular music from its look and feel to its sound Jim O Donnell a veteran rock music writer spent eight years researching The Day John Met Paul Published in 1996 and translated into several languages the book was widely praised for its blend of accurate reporting and colorful storytelling Long out of print but revered among Beatles fans the new printing enlivens the text with many well chosen photos of the Liverpool landmarks from Strawberry Field to Penny Lane that played a role in the Beatles lives and works The Day John Met Paul chronicles the first Day in the Life of the Beatles a day that changed the musical world

Between Montmartre and the Mudd Club Bernard Gendron, 2023-08-31 During the late nineteenth and early twentieth century popular music was considered nothing but vulgar entertainment Today jazz and rock music are seen as forms of art and their practitioners are regularly accorded a status on par with the cultural and political elite To take just one recent example Bono lead singer and lyricist of the rock band U2 got equal and sometimes higher billing than Pope John Paul II on their shared efforts in the Jubilee 2000 debt relief project When and how did popular music earn so much cultural capital To find out Bernard Gendron investigates five key historical moments when popular music and avant garde art transgressed the rigid boundaries separating high and low culture to form friendly alliances He begins at the end of the nineteenth century in Paris s Montmartre district where cabarets showcased popular music alongside poetry readings in spaces decorated with modernist art works Two decades later Parisian poets and musicians slumming in jazz clubs assimilated jazz s aesthetics in their performances and compositions In the bebop revolution in mid 1940s America jazz returned the compliment by absorbing modernist devices and postures in effect transforming itself into an avant garde art form Mid 1960s rock music under the leadership of the Beatles went from being reviled as vulgar music to being acclaimed as a cutting edge art form Finally Gendron takes us to the Mudd Club in the late 1970s where New York punk and new wave rockers were setting the aesthetic agenda for a new generation of artists Between Montmartre and the Mudd Club should be on the shelves of anyone interested in the intersections between high and low culture art and music or history and aesthetics

The Music of George Harrison Thomas MacFarlane, 2019-04-08 George Harrison was one of the most prolific popular music composers of the late 20th century During his tenure with the Beatles he caught the wave of 1960s pop culture and began channeling its pervasive influence through his music Often described as The Invisible Singer his solo recordings reveal him to be an elusive yet essential element in the Beatles sound The discussion of George Harrison s Beatle tracks featured in the text employs a Songscape approach that blends accessible music analysis with an exploration of the virtual space created on the sound recording This approach is then used to explore Harrison s extensive catalog of solo works which due to their varied cultural sources seem increasingly like early examples of Global Pop In that sense the music of George Harrison may ultimately be

viewed as an important locus for pan cultural influence in the 20th century making this book essential reading for those interested in the history of songwriting and recording as well as the cultural study of popular music TeenSet, Teen Fan Magazines, and Rock Journalism Allison Bumsted, 2024-10-15 Since the magazine's first issue in 1964 TeenSet's role in popular music journalism has been overlooked and underappreciated Teen fan magazines often written by women and assumed to be read only by young girls have been misconstrued by scholars and journalists to lack seriousness in their coverage of popular music TeenSet Teen Fan Magazines and Rock Journalism Don't Let the Name Fool You disputes the prevailing conception that teen fan magazines are insignificant and elevates the publications to their proper place in popular music history Analyzing TeenSet across its five year publication span Allison Bumsted shows that the magazine is an important artifact of 1960s American popular culture Through its critical commentary and iconic rock photography TeenSet engaged not only with musical genres and scenes but also broader social issues such as politics race and gender These countercultural discourses have been widely overlooked due to a generalization of teen fan magazines which have wrongly presumed the magazine to be antithetical to rock music and as unimportant to broader American culture at the time Bumsted also examines the leadership of editor Judith Sims and female TeenSet staff writers such as Carol Gold By offering a counternarrative to leading male oriented narratives in music journalism she challenges current discourses that have marginalized women in popular music history Ultimately the book illustrates that TeenSet and teen fan magazines were meaningful not only to readers but also to the broader development of the popular music press and 1960s cultural commentary

The Top Books of the Year Beatles The Ultimate Recording Guide The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Beatles The Ultimate Recording Guide : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Beatles The Ultimate Recording Guide : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Beatles The Ultimate Recording Guide : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
