The World Religions Speak on "The Relevance of Religion in the Modern World" Finley P. Dunne,2013-12-14 **Eating Beauty** Ann W. Astell,2016-02-09

The enigmatic link between the natural and artistic beauty that is to be contemplated but not eaten on the one hand and the eucharistic beauty that is both seen with the eyes of faith and eaten on the other intrigues me and inspires this book One cannot ask theo aesthetic questions about the Eucharist without engaging fundamental questions about the relationship between beauty art broadly defined and eating from *Eating Beauty* In a remarkable book that is at once learned startlingly original and highly personal Ann W Astell explores the ambiguity of the phrase eating beauty The phrase evokes the destruction of beauty the devouring mouth of the grave the mouth of hell To eat beauty is to destroy it Yet in the case of the Eucharist the person of faith who eats the Host is transformed into beauty itself literally incorporated into Christ In this sense Astell explains the Eucharist was productive of an entire way of life a virtuous life form an artwork with Christ himself as the principal artist The Eucharist established for the people of the Middle Ages distinctive schools of sanctity Cistercian Franciscan Dominican and Ignatian whose members were united by the eucharistic sacrament that they received Reading the lives of the saints not primarily as historical documents but as iconic expressions of original artworks fashioned by the eucharistic Christ Astell puts the faceless Host in a dynamic relationship with these icons With the advent of each new spirituality the Christian idea of beauty expanded to include first the marred beauty of the saint and finally that of the church torn by division an anti aesthetic beauty embracing process suffering deformity and disappearance as well as the radiant lightness of the resurrected body This astonishing work of intellectual and religious history is illustrated with telling artistic examples ranging from medieval manuscript illuminations to sculptures by Michelangelo and paintings by Salvador Dal Astell puts the lives of medieval saints in conversation with modern philosophers as disparate as Simone Weil and G W F Hegel

Essays on Selected Christian Topics Raymond E. Isbell, 2011-02 These essays involve biblical topics which have special meaning to the author for one reason or another The story of Noah is included because of a long fascination with the flood and the chapter on faith was precipitated by a study of the relationship of grace faith and works in the salvation process It is hoped that all have been presented without bias but it should be understood that all call for personal study and decisions based upon the guidance of the reader by the Holy Spirit In determining a doctrinal stance or a course of behavior two cardinal rules should be followed The first is to let your conscience be your guide and the second is to let a thorough study of the Word guide your conscience I wish to thank the reader for considering my point of view and to urge you to weigh carefully what is presented to assure that God is leading you If my point of view helps anyone in their effort to be led by God s Spirit to a fuller understanding of His Word I will be grateful Be assured however that I claim no credentials to biblical scholarship other than from my studies from standard versions of the Bible KJV and NIV with help from Cruden s Concordance and Webster s Dictionary

Preaching the Beatitudes for the Glory of God Landis Brown, 2025-01-21 For far too long the Beatitudes have been misunderstood as a daunting checklist of requirements for believers to meet to gain the promises at the end of each statement Preaching the Beatitudes with this interpretation places unnecessary pressure upon believers to meet such high standards Help believers break free from the burden of trying to make their lives match the Beatitudes by showing them that in Christ they already fulfill them This book aims to help preachers preach the Beatitudes as a vibrant profile of believers already in Christ Each Beatitude is not a duty to fulfill but a promise to claim promises that allow the believer to live in a state of flourishing in the present not waiting till they reach heaven In these perilous times believers need reminding of their identity in Christ and the promises that come with it Through an in depth exploration of the Greek word makarios this book illuminates Christ s intent when giving the Beatitudes to his disciples showing how every believer can live

in flourishing state due to the present and future promises Christ gives in each statement May readers rediscover the promises and assurance Jesus gives to all believers at the beginning of the greatest sermon ever preached the Sermon on the Mount Spirituality of the Beatitudes Michael Crosby,1981 **Publication** World Academy of Art and Science,1970

Exalting Jesus In James David Platt,2014-09 This series affirms that the Bible is a Christ centered book containing a unified story of redemptive history of which Jesus is the hero It s presented as sermons divided into chapters that conclude with a Reflect Discuss section making this series ideal for small group study personal devotion and even sermon preparation It s not academic but rather presents an easy reading practical and friendly commentary The series is projected to be 48 volumes **American Book Publishing Record** ,1996 **Shadows We Run from** Nelson L. Price,1975 What do shadows mean to you Do they stand as problems or as opportunities in disguise You can turn frustration fear and defeat into triumph and God can use the shadows to help you reach ultimate goals **Kingdom Manifesto (Volume 1)** Nelson Thermitus,2020-04-14 Manifestos are very popular nowadays Some one could argue have become infamous Kingdom Manifesto however is a series of biblical studies on the Sermon on the Mount This manifesto was originally given by the King of kings The first volume is on the Beatitudes which the author entitled the Beautiful Attitudes The author Dr Nelson Thermitus has done an in depth study of the Beatitudes he has offered different ways to apply them and live them out in your Christian walk These beautiful attitudes once applied with the help of the Holy Spirit will help you to become a better disciple of our Lord and Savior Jesus Christ The values of the kingdom are thoroughly explained The book will aid you in assessing your values with those of the King and require a change in your behavior This book could serve as a personal devotional or personal Bible study it is also perfect for small group Bible studies The author believes that Kingdom Manifesto can truly change the world and make it a better place Happy reading **What on Earth?** Barney Wiget,2022-04-28 In his most famous Sermon Jesus announces a Kingdom so counterintuitive that it appears upside down in contrast to conventional wisdom By prescribing both a revolutionary personal piety and a radical social possibility he teaches us how to become better people who in turn make the world better His vision for a countercultural Kingdom challenges our engagement with contemporary culture morally socially and even politically The impact of this Kingdom on the earth as it is in heaven with a view to partnering with Jesus in his venture to nudge the world toward its intended design is the focus of this compelling treatment of the Sermon By a lifestyle of holy nonconformity shaped by the Blessed Attitudes Beatitudes Jesus commissions his prophetic community to embody a social alternative that the world cannot imagine on its own and to foment a humble and loving cultural shift where the privileged and powerless flourish together in peace and justice As previews of the coming attractions when Christ will return and reign as King over a new heaven and earth Kingdom citizens work toward initiating such a world on earth as it is in heaven today *A Mountain of a Sermon* Kim Matthews,2024-05-06 A Mountain of a Sermon looks at the Sermon on the Mount Matthew 5 7 in a unique perspective I believe this remarkable passage can be

considered in two ways One is to be considered as a legalistic endeavor That may be true The other is to look at the Sermon and dig a little deeper to see the principle that is foundational to the instruction This is a methodology to change actions by changing the heart
