Ronald Harwood's Tragic Vision Ann C Hall, 2024-11-26 Ronald Harwood's *Tragic Vision* offers the first critical analysis of prolific and award winning British author Ronald Harwood 1934-2020 This study proposes a conceptual framework to approach his and others work based on the genre of tragedy offering a greater appreciation for and understanding of the Harwood canon 'And' Barry Schein, 2017-07-21 A bold argument that *and* always means descriptive event anaphora which replaces simple event variables with silent descriptive pronouns adverbialization which interposes adverbials derived from the descriptive content of every DP and AdPs which replace all NPs with Address Phrases that locate what nominals denote within scenes or frames of reference With *And* Schein rehabilitates an old rule of transformational generative grammar answering the challenges to it exhaustively and meticulously Tracks Of Our Tears James Allen, 2024-04-17 It was late August 1939 Nature's glorious colors had begun to gradually alter Europe's picturesque landscape For those graced with a window to peer through the peaceful serenity of autumn was time for many to pause for reflective introspection But Adolph Hitler was poised to alter that landscape *Tracks of Our Tears* the sequel to *From Promise to Peril* continues to follow the fortunes of the glamorous Marta a world renowned German violin virtuoso and her intellectually gifted lifelong best friend Anna whose Jewish family has been destroyed by the Nazi Holocaust Anna's prodigious intellect and her deep connection to Marta's influential family has won her a false identity and an undercover role for German Intelligence She and an increasingly disillusioned group of high ranking officers begin scheming for Hitler's downfall Akin to moving chess pieces this secretive collaboration skillfully establishes Hitler's confidence in them and over time deceptively uses their influence to alter the course of the war Despite their vastly different religious ancestry the closeness between Anna and Marta is unshakable inspiring their remarkable formidability to overcome the tyranny and violence surrounding them Meanwhile a poor but precocious young adolescent named Julia witnesses the genocide of her family during the German invasion of Poland Instantly she becomes an orphan of war Now being alone and innocent but neither helpless nor defeated Julia begins her inspirational journey Relying upon keen insight and unshakable courage Julia awakens her own inherent determination to not only survive her ordeal but to impactfully avenge the unspeakable tragedy befalling her family This richly researched tale enfolds fascinating historical characters and incidents into its fictional storyline while painting a vivid and absolutely devastating portrait of WWII wreaking havoc on Eastern Europe and its
