EBOOK: Understanding Stepfamilies: A practical guide for professionals working with blended families Lisa Doodson, 2016-04-16 Despite the growing number of stepfamilies and the recognition that they experience unique difficulties related to their complex family dynamics there is very little support available to them In this practical evidence based guide Lisa Doodson offers a valuable

resource for professionals working with stepfamilies giving insight into their unique nature and guidance on how to provide more effective support and advice In addition to the wealth of research and knowledge that the book shares there are a range of case studies which illustrate issues that the different types of stepfamilies frequently face Each chapter also contains practical tools and exercises that professionals can use with their clients to help facilitate change in the family unit as well as interventions including mediation and group workshops and more traditional counselling techniques

Understanding Stepfamilies is a must have resource for counsellors and therapists social workers local authorities charities and teaching professionals working with stepfamilies

The Remarriage Blueprint Maggie Scarf,2014-08-12 It is estimated that forty percent of new marriages are remarriages but the survival rate of second marriages is alarmingly low Many remarrying couples set out with a sense of optimism a belief that this marriage will usher in a life of happiness and family unity But complicated family dynamics can often strain new partnerships to the breaking point The challenges of remarriage are pervasive but little guidance has existed until now Based on more than a decade of candid revelatory interviews this book provides a crucial framework for the obstacles to re marriage and the secrets to overcoming them The author plumbs the everyday workings of shared life to illuminate the emotional preconceptions social pressures and perpetuated fantasies that confound re marriage Through cautionary tales and stories of hope the author offers guidance for handling everything from children who reject the new family dynamic to the thorny issue of money Loaded with practical wisdom and searing accounts this is a definitive roadmap to a happy thriving integrated household

Changing Families, Changing Responsibilities Marilyn Coleman, Lawrence Ganong,1999-05 This volume explores attitudes and beliefs concerning intergenerational family responsibilities with special focus on families affected by divorce and or remarriage For developmentalists family studies specialists sociologists and policy makers

The International Handbook of Stepfamilies Jan Pryor,2008-06-06 Written by contributors from around the world The International Handbook of Stepfamilies Policy and Practice in Legal Research and Clinical Environments is a collection of research legal and clinical recommendations that fills a growing need for complex re formed families Using the information in this book which includes contemporary research and its implications you will be able to consider stepfamilies in an international context Understand the issues that clinicians face when they work with stepfamilies both before and after formation and gain more knowledge about this topic as the rates of family reformation increase

Stepfamilies Marvin B Sussman,2020-04-01 Stepfamilies History Research and Policy examines language use laws cultural stereotypes media images and social policies and practices to create an understanding of how predominant views about stepfamilies and stepfamily members are constructed within society As the rates of divorce and remarriage continue to increase it is more important than ever to overcome nuclear family ideology and abandon the model of research that compares stepfamilies with nonstepfamilies This book shows you how honor and empowerment can be attained in new family structures and how alternative kin networks can be just as healthy as the traditional nuclear family

unit As this book examines the ability of different societies to integrate different family forms into mainstream notions of family you will realize the damaging effects of treating stepfamilies as incomplete undesirable institutions In fact Stepfamilies History Research and Policy will challenge your notions of family over and over again as it discusses key relationships in stepfamilies stepfather involvement in parenting after remarriage meaning of gender in a stepfamily differences in investment between biological and nonbiological parents demographic change and significant shifts in the social and cultural implications of stepfamilies attempting to reconstruct a household like that of a previous marriage the impact of stereotypes on the internal dynamics of stepfamilies and on the interactions of stepfamilies with outsiders the absence of guidelines and cultural norms for role performance and problem solving in stepfamilies Stepfamilies History Research and Policy discusses both the difficulties of forming new families and households as well as the factors that promote family cohesiveness and integration in stepfamilies From stereotypes of stepmothers to ambiguous legal relationships to child maltreatment in stepfamilies to sibling relations there isn't much that the penetrating lens of this book leaves uncovered Widening the Family Circle Kory Floyd, Mark T. Morman, 2006 Widening the Family Circle New Research on Family Communication bridges the significant gap in family communication literature by providing a thorough examination of lesser studied family relationships such as those involving grandparents in laws cousins stepfamilies and adoptive parents In this engaging text editors Kory Floyd and Mark T Morman bring together a diverse collection of empirical studies theoretic essays and critical reviews of literature on communication to constitute a stronger more complete understanding of communication within the family **Clinical Handbook of Couple Therapy, Fifth Edition** Alan S.
