Open the Doorway to Your Soul Maggie Chula, 2015-06-10 Open the Doorway to Your Soul is a book of channeled messages from the Master Teachers of the Akasha These messages have been shared to help expand your conscious understanding and connection to the source of your true being your soul The Master Teachers share The Master Teachers included in this first book are Goddesses Isis White Tara Lakshmi Diana and Mother Mary Archangel Raphael Ascended Masters Ganesh Kuthumi Krishna Saint Germain Jesus Apollo Merlin and Lord Melchizedek Open the Doorway to Your Soul is an introduction to the course work the Master Teachers have channeled through Maggie Her connection to these Master Teachers was established very early in her childhood as they taught her ways to overcome her physical disabilities and many illnesses to become a spiritual healer and teacher able to heal her body her mind and her connection to her soul and God Come and join the Master Teachers as they share their sacred wisdom Experience vibrational healing sessions and learn how to flow within the river of well being Learn how you can Open the Doorway to Your Soul and become a conscious partner in creating your life and the world you live in with love as you joyfully look forward to what you will create next **The Tree Becomes a Soul** Dominic Colucci, 2011-05-01 This is a group of poems from Dom Colucci's meditations This book is inspired through trees waterways and mountains he climbs As it takes you on a journey on how creation has started within himself and goes through some endured suffering this book of poems finally brings you to see his own enlightenment He has lived the life of ZEN and has opened to Consciousness in the Universe Also besides climbing mountains and getting close to nature he meditates as it becomes a way of life for him with his open Consciousness He lives with natural law and is deeply involved with his Soul the entity that made the being see I hope you enjoy these poems and get inspired as well Please enjoy and Namaste *The Evolving Soul* Brad Flinders, 2014-12-19 The Evolving Soul is dedicated to the notion that we are all on a path of spiritual evolution and that we are meant to become highly evolved super beings It is not about the idea of a far off concept such as heaven but involves our capacity to live in a state of complete peace and harmony while living in this increasingly busy world It is about how the Universe is teaching us to evolve every day This book also explores the varying levels of spiritual growth through which we all progress moving from resistance to tolerance and eventually into full acceptance It also examines how these varying states of evolution relate to relationships ego hidden issues inner decisions true happiness and unconditional love The Evolving Soul is designed as a guide toward the highly evolved path of finding true peace amidst the chaos Through simple hands on principles it offers meaningful guidance toward a greater awareness of how life is trying to teach us to find this extraordinary state of being *Choice* Joseph Babinsky, 2011 Open the Mind Exercise the Soul John Cappello, 2012-05-14 Open the Mind Exercise the Soul is the first book from internationally known psychic medium John Cappello It links psychic ability with personal experiences and intellectual thought as it answers many questions about the relationship between religion philosophy and science with this controversial subject This is an intelligent

discussion offering a fresh new look at psychic abilities Have you ever wondered Why do psychic abilities exist What is the proof What is our souls role in using them How do I access my gifts Can we connect with crossed over loved ones What is really going on Open the Mind Exercise the Soul will answer these questions and more Explored with real world examples and new techniques it boldly challenges you to examine your own abilities and receive clarity While guiding you through the development of your own psychic gifts you will learn to embrace experiences you may have questioned and relate to the author as he discusses his own path in metaphysics For practicing psychics or beginners the book combines historical information with spiritual exercises to assist you in gaining insight

Soul Path Trilogy Ruth Lera,2023-11-29 Soul Path Trilogy is a collection of three books in one volume that deal with the importance of the soul s path during its human experience This collection delves into the knowledge that in every moment of our life we are forging soul patterns into our energy By being intentional with our awareness we can use loving kindness to create the soul path energy we truly want to have in our life By focusing on meditation mindfulness energy awareness and self healing we can direct our path toward peace and fulfillment Ruth Lera professional Energy Healer uses her experience to share practical exercises and powerful examples to help readers open themselves to the concept that they themselves hold the power to heal their soul existence Readers will learn how to use energetic self healing to clear old pain and trauma increase their sense of unconditional self love and develop inner confidence and strength Written in an inviting and conversational voice the Soul Path Trilogy will serve as a valuable resource for both experienced energy healing practitioners and newcomers to the understanding of the soul path With a strong balance between the practical and theoretical Soul Path Trilogy will guide readers on their most exciting journey yet

The Dying Soul Mark Cobb,2001-01-16 Holistic models of cancer and palliative care frequently refer to spirituality as an important element But what do we mean when we talk about spirituality and how do we provide spiritual care This book sets out an understanding of this complex domain describing how spirituality is experienced and expressed and looks at the impact of terminal illness The author argues that if we are to recognize spirituality as a significant aspect of living and dying then care providers must develop an interesting consistent and effective approach Therefore issues of training policy and practice all need to be addressed Spirituality is often represented as the fourth pillar of palliative care and yet it is often the least developed area in terms of both theory and practice Originating from the author s clinical and teaching experience this book aims to explore the concepts issues and practical implications of spirituality in care

Death and Eternal Life John Hick,1994-01-01 In this cross cultural interdisciplinary study John Hick draws upon major world religions as well as biology psychology parapsychology anthropology and philosophy to explore the mystery of death He argues that scientific and philosophical objections to the idea of survival after death can be challenged and he claims that human inadequacy in facing suffering supports the basic religious argument for immortality

The Empowered Life + Part 2 Cassandra Blizzard, 2014-06-15

Ready to change your life So empowering Loved the book The book is well written and keeps you interested It brings new approaches as well as reminds us of lessons already learned but put aside Just buy it There are very few people who escape this physical life without having the experience of feeling like giving up Life can get so hectic and out of control at times that we feel like we don't have any control at all What we believe about ourselves becomes our reality and in so many ways what we believe about ourselves forms our future I'm not speaking in airy fairy New Age terms here I am talking about the real deal Our paradigms drive us one way or the other You have to willfully choose how you want to be steered If you are the captain of your boat called life then your hands need to firmly remain on the wheel that moves the rudder You can't be the captain of your boat called life if you allow other people to form your paradigms your beliefs about Self Don't allow others to shape your beliefs about yourself Read The Empowered Life Success coach Cassandra Blizzard offers an intensive look at how we inadvertently give away our personal power and how we can regroup and bring ourselves back into balance This book is the culmination of years of working with people and teaching clients how to trust in their Soul live a more balanced life and find fulfillment and happiness in the world Build a bridge of trust with your own Soul become self actualized and take charge of your life like never before Learn how to get rid of old baggage and break up old belief systems that hold you back and be bold about moving forward in positive ways You can have the good life a balanced life and an emotionally healthy life Cassandra shows readers how to appreciate respect and value Self how to lay down positive boundary lines in relationships and how to transform your life overall Break through wrong thinking overcome obstacles restore hope and create personal success Using this book together with The Empowered Life The Workbook you can transform yourself and your life reconnect with your Soul and develop inner peace Wouldn't you like to feel better about your life Empowerment is just a choice away Sometimes we make major changes in life just by taking one small step or making one simple decision But those decisions are not always easy to make We tend to cater to other people's whim or we are afraid of hurting someone's feelings Afraid to

take a risk to step out of that dead end job and aim for something higher Afraid to make a decision to get out of a bad relationship Afraid fearful anxious Too often these are the emotions that rule our lives and make our decisions for us But it doesn't have to be that way You can empower yourself to be more in control of your life to be more centered to make more positive decisions for self and to understand how the soul works in your life to bring you to a better place always Whether in business relationship or just within yourself you can learn how to take control and be a much more balanced much happier person Relationship Self Esteem Depression Empowerment Healing Confidence Personal Power Intuition **Devices of the Soul** Steve Talbott, 2007-04-27 Self forgetfulness is the reigning temptation of the technological era This is why we so readily give our assent to the absurd proposition that a computer can add two plus two despite the obvious fact that it can do nothing of the sort not if we have in mind anything remotely resembling what we do when we add numbers In the computer's case the mechanics of addition involve no motivation no consciousness of the task no mobilization of the will no metabolic activity no imagination And its performance brings neither the satisfaction of accomplishment nor the strengthening of practical skills and cognitive capacities In this insightful book author Steve Talbott software programmer and technical writer turned researcher and editor for The Nature Institute challenges us to step back and take an objective look at the technology driving our lives At a time when 65 percent of American consumers spend more time with their PCs than they do with their significant others according to a recent study Talbott illustrates that we're forgetting one important thing our Selves the human spirit from which technology stems Whether we're surrendering intimate details to yet another database eschewing our physical communities for online social networks or calculating our net worth we freely give our power over to technology until he says we arrive at a computer's eye view of the entire world of industry commerce and society at large an ever more closely woven web of programmed logic Digital technology certainly makes us more efficient But when efficiency is the only goal we have no way to know whether we're going in the right or wrong direction Businesses replace guiding vision with a spreadsheet's bottom line Schoolteachers are replaced by the computer's dataflow Indigenous peoples give up traditional skills for the dazzle and ease of new gadgets Even the Pentagon's zeal to replace boots on the ground with technology has led to the mess in Iraq And on it goes The ultimate danger is that in our willingness to adapt ourselves to technology we will descend to the level of the computational devices we have engineered not merely imagining ever new and more sophisticated automatons but reducing ourselves to automatons To transform our situation we need to see it in a new and unaccustomed light and that's what Talbott provides by examining the deceiving virtues of technology how we're killing education socializing our machines and mechanizing our society Once you take this eye opening journey you will think more clearly about how you consume technology and how you allow it to consume you Nothing is as rare or sorely needed in our tech enchanted culture right now as intelligent criticism of technology and Steve Talbott is exactly the critic we've been waiting for trenchant sophisticated and completely original Devices of the Soul is an urgent and important book Michael

Pollan author of *The Omnivore's Dilemma* *A Natural History of Four Meals* and *The Botany of Desire* *A Plant's Eye View of the World* Steve Talbott is a rare voice of clarity humanity and passion in a world enthralled by machines and calculation His new book *Devices of the Soul* lays out a frightening and at the same time inspiring analysis of what computers and computer like thinking are doing to us our children and the future of our planet Talbott is no Luddite He fully understands and appreciates the stunning power of technology for both good and evil His cool and precise skewering of the fuzzy thinking and mindless enthusiasm of the technology true believers is tempered by his modesty the elegance of his writing and his abiding love for the world of nature and our capacity for communion with it Edward Miller Former editor Harvard Education Letter Those who care about the healthy and wholesome lives of children can gain much from Steve Talbott's wisdom He examines the need to help children spend more time touching nature and real life and less touching keyboards He eloquently questions the assumption that speeding up learning is a good thing Is after all a sped up life a well lived life Most importantly he reminds all of us that technology is just one part of life and ought not to overshadow the life of self and soul Joan Almon Coordinator Alliance for Childhood One of the most original and provocative writers of our time Steve Talbott offers a rich assortment of insightful reflections on the nature of our humanity challenging our own thinking and conventional wisdom about advances in technology Dorothy E Denning Department of Defense Analysis Naval Postgraduate School Monterey CA Are you experiencing growing unease as computational metaphors have seized our discourse Steve Talbott offers immediate relief You are not losing your mind Chapter after chapter he shows how to draw on the powers of technology without losing your soul or breaking your heart Peter Denning Past President of ACM Monterey California Steve Talbott is a rare writer whose words can alter one's entire perception of the world He is our most original and perceptive defender of the wholeness of life against the onslaught of mechanism *Devices of the Soul* is written with Talbott's typical grace and clarity It displays a quality hardly found anymore in our high tech culture wisdom Lowell Monke Associate Professor of Education Wittenberg University **Igniting Soul Fire** Gaye Mack, 2004 Edward Bach was a visionary thinker not just the discoverer of a series of flower essences that are at the heart of complementary medicine This book deals with understanding his remedies

Soul Whisperer Gary Comer, 2013-02-19 What if we changed the face of evangelism In a time when so many have a negative perception of evangelism what if a new model was entirely biblical loaded with skills and more effective *Soul Whisperer* shifts the emphasis from telling to a drawing paradigm It develops biblically the pattern of Jesus who did not give static presentations but rather customized his words to each hearer By learning his ways our words too can have pinpointed impact Christians will discover how to draw out first in order to read their friends and discern the relevant appeal of the gospel In this way the style is far more dynamic It adapts Understanding the non believer's unique starting point will determine a distinct path By creating a conversation about spiritual influence and what is involved in faith formation this book charts ways for Christians to go deeper in evangelistic relationships Most importantly *Soul Whisperer* infuses skills that

will shape a more Christ likened missional disciple **Unleashing Your Soul** Susan Hanshaw,2006 Don t You Want a Fulfilling Life Wouldn t you rather spend each day doing what you love rather than wishing your life away to weekends Unleashing Your Soul is an invaluable guide for anyone wanting to let go of unfulfilling work to create a new and deeply satisfying life Whether you know what your heart is calling you towards or need help with defining it Unleashing Your Soul offers proven techniques for getting unstuck in delightfully clear language You will discover how you can Learn to trust that you will be provided for Manage your thoughts to produce desired results Create new habits that attract prosperity Find confidence through your unique skills and attributes Change beliefs that hold you back Give yourself permission to live joyfully Recognize options for making the transition Unleashing Your Soul is a useful guide for individuals looking to create change as well as for professionals who support them Life is too precious to waste just showing up for the paycheck What is it going to take for you to claim your right to love your life **Starve the Ego: Feed the Soul! Souldrama: Ignite Your Spiritual Intelligence!** Connie Miller,2010 This is a story about relationships A story about a man named Iye who has been searching for his soulmate In order to find his partner he must leave the land of Ego and pass through seven doors of spiritual transformation of souldrama Each door offers and challenge and a gift upon its completion Will he complete the journey Today we seem to search for meaning and purpose in our lives and begin a spiritual journey as we ask ourselves Is this all there is What keeps people stuck in relationships careers addictions Souldrama helps us to move past the resistance in our lives preventing us from accessing our higher purpose Souldrama integrates all three levels of intelligences our rational emotional and spiritual through a group process that puts spirituality into action The end result helps us to create spiritually intelligent leadership Souldrama moves group therapy and psychodrama to another level that of the transpersonal
