witch scares and individuals particularly the witch hunts of the medieval period when 100 000 women were accused of witchcraft and nearly 80 000 executed It examines the concept of witch hunting detailing the activities of men like Matthew Hopkins the famous Witchfinder General The book does not just focus on medieval and ancient witches it takes in modern witch hunting with people like Senator Joe McCarthy during his Communist witch hunts of the 1950s and the continued modern persecution of women and men accused of witchcraft in African Indian and Caribbean states This is a detailed account of witches and witchcraft in many ways a tribute to the thousands of men and women accused and executed without full evidence or proof of evil doing It is a broad historical sweep that includes fictional characters like Morgan le Fey and Merlin the magician of King Arthur s court Thoroughly researched and elegantly written it is essential reading for anyone who is interested in the social and political history of the past
