Hearing Double Brian Kane,2024 When we talk about a jazz standard we usually mean one of the many songs that jazz musicians repeatedly play But unlike classical musical works standards are always being transformed in performance They are rearranged and improvised which raises the question what gives a standard its identity *Hearing Double* answers that question Filled with case studies and music analysis this book will draw your attention to unheard aspects of jazz performance as well as unrecognized philosophical social and cultural dimensions of the jazz repertoire

Charlie Parker, Composer Henry Martin,2020 *Charlie Parker Composer* is the first assessment of a major jazz composer s oeuvre in its entirety Providing analytical discussion of each of Parker s works this study combines music theoretical historical and philosophical perspectives A variety of analytical techniques are brought to bear on Parker s compositions including application of a revised Schenkerian approach to the music that was developed through the author s prior publications After a review of Parker s life emphasizing his musical training and involvement in composition the book

proceeds by considering the types of Parker pieces as categorized by overall form and harmony and the amount of preplanned music they contain The historical circumstances of each piece are reviewed and in some cases sources of the ideas of the most important tunes are explored The introduction includes a discussion of the ontology of a jazz composition The view is advanced that the Western concept of a music composition needs to be expanded to embrace practices typical of jazz composition and forming a significant part of Parker s work While focusing on Parker s more conventional tunes the book also considers his large scale melodic formulas Two formulas in particular are arguably compositional since they are repeated in subsequent performances of the same piece As part of the research for this book all of Parker s copyright submissions to the Library of Congress were examined and photographed The book reproduces the four of them that were copied by Parker himself

Jazz Makers Alyn Shipton, 2002-02-21 Jazz Makers gathers together short biographies of more than 50 of jazz s greatest stars from its early beginnings to the present The stories of these innovative instrumentalists bandleaders and composers reveal the fascinating history of jazz in six parts The Pioneers including Scott Joplin Louis Armstrong and Bessie Smith Swing Bands and Soloists with Duke Ellington Ella Fitzgerald and Billie Holiday The Piano Giants featuring Fats Waller Art Tatum and Mary Lou Williams Birth of Bebop including Dizzy Gillespie Charlie Parker and Miles Davis Cool Jazz Hard Bop and Fusion with John Coltrane Sonny Rollins and Stan Getz A Century of Jazz featuring Wynton Marsalis Joshua Redman and other contemporary greats
