

Managing Urban Pest Bird Problems in Kentucky

Thomas G. Barnes, Extension Wildlife Specialist
Bernice U. Constantin, USDA-APHIS-ADC

Some birds come into conflict with man as a consequence of their roosting, feeding, and nesting activities. House or English sparrows (*Passer domesticus*), European starlings (*Sturnus vulgaris*), pigeons (*Columba livia*), blackbirds, and woodpeckers are examples of this conflict. Other species, such as geese, vultures, and raptors, are not considered pests but can cause problems or become a nuisance.

Sparrows, starlings, and pigeons frequently roost or nest on rafters, window sills, and ledges. Blackbirds — including red-winged blackbirds (*Agelaius phoeniceus*), common grackles (*Quiscalus quiscula*), starlings, and brown-headed cowbirds (*Molothrus ater*) — often establish large winter and summer roosts which can create a nuisance or health hazard in urban areas. The constant tapping and hole-building activities of woodpeckers during the reproductive season can frustrate homeowners.

Birds can cause other problems, including the occasional cardinal or Northern mockingbird that alams into a window during spring time and other birds that create a nuisance around a feeder.

House sparrow

Red-winged blackbird

Cowbird

Common grackle

The purpose of this publication is to provide information about the control of roost problems caused by urban pigeons, starlings, house sparrows, and small urban birds. Individuals who experience problems with woodpeckers should ask the local county Extension office for a copy of the publication *FOR-39, Controlling Woodpecker Damage*. Rural landowners with starling or blackbird problems around livestock feeding facilities, in grain crops, or in orchards should request a copy of *Starling Management in Agriculture* from the local Extension office.

If a municipality or large corporation is having problems with large bird roosts, the place to contact for technical assistance is the USDA-APHIS-Animal Damage Control office. Their address is 3231 Rackriegel Parkway, Suite 107, Louisville, Kentucky 40299. The telephone number is (502) 582-5536. These professional biologists will help alleviate large-scale bird problems.

Bird Problems In Agriculture: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
