Mysteries of the Bird of Paradise Patty Wallis,2014-08-17 Paleontologists Alice and Juan experience life changing events after discovering a Bird of Paradise fossil Will it be possible to clone the extinct bird If successful the Wintun Indians could once again worship the sacred bird that transports their souls to paradise Would a greedy Arab Prince upset their plans The ancient spirit of the Wintun High Priestess Lianaka begins to appear to her grandson many generations removed with strange riddles that only he can solve Alice never could have imagined the life and death struggles that awaited them when the secrets are revealed *Sarojini Naidu* Vishwanath S. Naravane,1996 Sarojini Naidu s interests and passions were many books poetry people conversation food gardens folklore handicrafts and travel As a poet she had perhaps the finest ear among Indians for the English language As a public speaker she impressed the most sophisticated audiences As a political worker her courage and conviction embarrassed her detractors As a proponent of women s rights she won over numerous chauvanists Bird at the Buzzer Jeff Goldberg,2019-05-07 On March 6 2001 the top two women s college basketball teams in the nation UConn and Notre Dame played what was arguably the greatest game in the history of the sport When UConn s Sue Bird hit a twelve foot pull up jumper at the buzzer over national player of the year Ruth Riley in the Big East Tournament championship game it marked the end of an epic contest that featured five future Olympians and eight first round WNBA selections Bird at the Buzzer re creates this unique season with a detailed account of the games that led up to and beyond the tournament fina profiles of the two coaches UConn s Geno Auriemma and Notre Dame s Muffet McGraw close ups of the players who made the year so memorab and finally an in depth recap of the game worthy of being designated ESPN s first ever women s basketball Instant Classic Author Jeff Goldberg shows us the drama on the court and behind the scenes as the big game pitted Riley and the upstarts from Notre Dame against what many believed was the most talented team in UConn history under Hall of Fame coach Auriemma A see saw affair in which neither team led by more than eight points the 2001 Big East championship game encapsulates the quintessential inside story of the individual talents and skills team spirit and smarts and the moment by moment realities of college athletics that made this season a snapshot of sports at its finest

Subcommittee on District of Columbia Appropriations,1983 **A New English Dictionary on Historical Principles: part 1. A (1888)** James Augustus Henry Murray,1888 **The Strange and Unlikely Tale of Montgomery, the Mysterious Bird of Mystery** Antony Elworthy,2024-11-15 From the animator of The Corpse Bride Coraline and Isle of Dogs comes a hilarious illustrated tale about Gramps s life as a magician Gramps had what they call a Chequered Career which he insists on regaling to his sceptical grandson He s been a stuntman and a deep sea diver but his most exciting and discombobulating career was when he was a magician Known as The Astounding Alfredo and he became famous throughout the world especially for the disappearing trick with his dove Montgomery The Mysterious Bird of Mystery Unfortunately Montgomery is not just mysterious but malevolent envious and ambitious And Gramps and Montgomery discover that fame has a way of changing people and places Expect the unexpected and believe the unbelievable in this hilarious debut novel from acclaimed animator Antony Elworthy *Dr. Bird and Operative Carnes* Capt Sp Meek,2010-10-01 All of Dr Bird and Operative Carnes adventures in one book **Anglophone Indian Women Writers, 1870-1920** Ellen Brinks,2016-04-15 The result of extensive archival recovery work Ellen Brinks s study fills a significant gap in our understanding of women s literary history of the South Asian subcontinent under colonialism and of Indian women s contributions and responses to developing cultural and political nationalism As Brinks shows the invisibility of Anglophone Indian women writers cannot be explained simply as a matter of colonial marginalization or as a function of dominant theoretical approaches that reduce Indian women to the status of figures or tropes The received narrative that British imperialism in India was perpetuated with little cultural contact between the colonizers and the colonized population is complicated by writers such as Toru Dutt Krupabai Sathianadhan Pandita Ramabai Cornelia Sorabji and Sarojini Naidu All five women found large audiences for their literary works in India and in Great Britain and all five were also deeply rooted in and connected to both South Asian and Western cultures Their works created new zones of cultural contact and exchange that challenge postcolonial theory s tendencies towards abstract notions of the colonized women as passive and of English as a de facto instrument of cultural domination Brinks s close readings of these texts suggest new ways of reading a range of issues central to postcolonial studies the relationship of colonized women to the metropolitan literary culture Indian and English women s separate and joint engagements in reformist and nationalist struggles the translatability of culture the articulation strategies and complex negotiations of self identification of Anglophone Indian women writers and the significance and place of cultural difference Traditions of the
