**Peregrine's Call** Elizabeth Cole,2018-05-22 For true love nothing is impossible Robin was born poor in a rough remote part of England She survived only by disguising herself as a boy and learning to hunt on her own Then the kindly de Vere family helped her become a proper polite young woman almost Despite the family s efforts Robin s heart is still wild and when she learns that a valiant knight one she s always admired needs her help she finds her cause There is no other knight in England quite like Octavian de Levant Born in Africa raised in the Holy Land and trained by a military order he s a skilled fighter and a constant wanderer Now he s sworn to aid the king in the war for the throne The last thing he wants on his expedition is the company of the fiery and unpredictable Robin But she is also the only person who knows how to get him to his destination The unlikely pair venture deeper into the deadly landscape of the border between England and Wales and soon find their uneasy alliance growing into something more passionate Robin and Octavian can t give in to those feelings or
