## **Birders Guide To Northern California:**

Field Guide to Birds of the Northern California Coast Rich Stallcup, Jules Evens, 2014-08-06 The Northern California coast from Monterey County to the Oregon border is home to some of the richest avian habitats on the North American continent. Field Guide to Birds of the Northern California Coast provides a comprehensive ecological overview of this extensive and diverse region. It features detailed discussions of the area's most common waterbirds, raptors, and landbirds and highlights the most productive birding sites in each Northern California coastal county. Accessibly written and user friendly, this guide contains nearly 250 species accounts that focus on seasonal rhythms and behavioral characteristics of each species. More than 130 color photographs and hand-drawn sketches depict the birds in context, and maps and occurrence charts indicate when readers might spot each species.

Birder's Guide to Northern California LoLo Westrich, 1991 Whatever your level of birding expertise, this book will show you the best places to seek birds close to home and then keep you rolling through northern California's exceptional and varied habitats in search of more.
