Birds Of North America A Personal Selection:

Birds of North America Eliot Porter, 1972-01-01 Atlas of the Breeding Birds of Los Alamos County, New Mexico J. R. Travis, 1992 **Rare and Elusive Birds of North America** William Burt, 2001 For sixteen years author and photographer William Burt has been on an uncommon mission Every spring and summer since 1984 he has been in pursuit of the toughest of subjects twenty of the least known almost mythically elusive North American birds Burt spent weeks in the field at a time employing his own hand built equipment and often revisiting sites year after year in certain cases to get the pictures he wanted The end result is this collection of stunning photographs of these birds in the wild and the engaging stories behind capturing the images This book contains over fifty remarkable photographs of these camera shy birds Additionally it contains an appendix of thumbnail sketches about each of the birds featured in the book where they can be found their markings and other unique characteristics Rare and elusive Birds of North America is a wonderful addition to the libraries of serious and armchair birders alike *Chasing Warblers* , 2013-08-28 Known to many as the butterflies of the bird world wood warblers allure even the most experienced and discriminating birders Their annual migrations to and from nesting areas in the United States and Canada draw thousands of birders to places such as High Island Texas Crane Creek Ohio and Point Pelee Ontario where warblers stop to rest and feed during the long journey There birders have a chance to see and photograph these colorful elusive songbirds whose quick darting flight among high branches and thick cover makes them some of the most challenging birds to observe and identify In this entertaining beautifully illustrated book Bob Thornton recounts his and Vera Thornton s cross continent adventures in finding and photographing all 52 species of wood warblers that nest in the United States In addition to describing where and how they photographed each species Thornton tells marvelous stories of the colorful characters they encountered along the way He also touches on the current human threats to wood warblers that come from loss of habitat **The Oxford Dictionary of American Art and Artists** Ann Lee Morgan, 2007 In this dictionary of American art 945 alphabetically arranged entries cover painters sculptors graphic artists photographers printmakers and contemporary hybrid artists along with important aspects of the cultural infrastructure Nest Building and Bird Behavior Nicholas E. Collias, Elsie C. Collias, 2014-07-14 This book is a comprehensive study of nest building behavior in birds A much needed synthesis of the previously scattered literature on this central aspect of avian biology it is organized by behavior problems and focuses on evolution as its unifying theme Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
