Birth Of China:

The Birth of China Herrlee Glessner Creel, 1939 **The Birth of China** Herrlee Glessner Creel, 1936 The Birth of China Herrie Glessner Creel, 1964 **The Birth of Communist China** Charles Patrick Fitzgerald, 1966 *Birth in Ancient China* Constance A. Cook, Xinhui Luo, 2017-10-26 Reveals cultural paradigms and historical prejudices regarding the role of birthing and women in the reproduction of society Using newly discovered and excavated texts Constance A Cook and Xinhui Luo systematically explore material culture inscriptions transmitted texts and genealogies from BCE China to reconstruct the role of women in social reproduction in the ancient Chinese world Applying paleographical linguistic and historical analyses Cook and Luo discuss fertility rituals birthing experiences divine conceptions divine births and the overall influence of gendered supernatural agencies on the experience and outcome of birth They unpack a cultural paradigm in which birth is not only a philosophical symbol of eternal return and renewal but also an abiding religious and social focus for lineage continuity They also suggest that some of the mythical founder heroes traditionally assumed to be male may in fact have had female identities Students of ancient history particularly Chinese history will find this book an essential complement to traditional historical narratives while the exploration of ancient religious texts many unknown in the West provides a unique perspective into the study of the formation of mythology and the role of birthing in early religion

China's Low Birth Rate and the Development of Population Guo Zhigang, Wang Feng, Cai Yong, 2017-12-12 As the most populous country in the world China's demographic challenges have always been too many people for ecological system resources and the environment However by the early 1990s fertility rate in China had dropped below the replacement level and China's low fertility has now attracted the world's attention This book is among the first studies to raise and examine questions on low fertility in China believing that China has entered a new era featured by low birth rate and ageing population Utilizing advanced research methods and models on low fertility to analyze China's census data this book explores the issues from various perspectives Methodologies employed in past population studies policy making concerning fertility rate underreporting of births and fertility rate estimates fertility level of the migrant population current population pattern long term population trends population dynamics and many other thought provoking problems are covered Finally the book revisits China's population issues in the context of globalization The 21st century has seen the new challenge of persistent population decrease and ageing worldwide which along with economic globalization demands a new understanding of the changes in population pattern and their consequences Researchers and students in China's demographic and social studies will be attracted by the insightful analysis and rich materials provided in the book Population policy makers will also benefit from it **THE BIRTH OF CHINA** HERRLEE GLESSNER CREEL, 1937 **Sexual and Reproductive Health in China** Kaining Zhang, 2011-04-21 Sexual and Reproductive Health in China Reorienting Concepts and Methodology is translated from the original Chinese version and presents a multi disciplinary approach to the current assessment of the changes in

sexual and reproductive health during the past thirty years This volume and the others in the SSRC series provide western scholars with an accessible English language look at the state of current scholarship in China and as such does not simply provide information for the direct study of socio political issues but also for meta level analysis of how the domestic scholarship in China is developing and assessing the interplay of the country s political and economic reforms with the society and daily life of its people Morbidity and Mortality Weekly Report ,2007 *The Retreat from Marriage and Parenthood* Sampson Lee Blair,Zheng Mu,2025-05-28 The Retreat from Marriage and Parenthood seeks a broad examination of the retreat from marriage and parenthood Featuring diverse theoretical and methodological chapters exploring the many issues pertaining to these seismic changes the authors chronicle the many dramatic impacts from shifts in attitudes to marriage and family **The China Review, Or, Notes and Queries on the Far East** Nicholas Belfield Dennys,Ernest John Eitel,William C. Barlow,James Dyer Ball,1875 **Chinese Ethnic Demography** Yueping Yan,Zhaohe Lv,2020-06-29 This book focuses on the status quo and current trends concerning ethnic issues in China and seeks to promote the equitable and harmonious development of Chinese and other nationalities around the world Drawing on representative empirical studies and case studies it describes the spatial structure and evolution of China s populace and analyzes the distribution of and legislation on its spatial development which has been conducive to the scientific formulation of national population policies After assessing the development of China s populace the book analyzes the future prospects with regard to achieving the goal of a prosperous society and balancing the population in a comprehensive way puts forward some constructive suggestions on the modernization of the populace and constructs a new knowledge system for national development with Chinese characteristics The book combines qualitative and quantitative analysis and employs empirical speculative comparative and comprehensive methods to make full use of modern science and technology so as to promote ethnological research into a broader development path Its goal is to objectively evaluate the development of the Chinese populace and provide objective facts and data to support those readers who are interested in its nature and evolution *Population Control Policies in China and India* Gabe T. Wang,2023-07-14 This book comprehensively compares the development of population control policies in China and India their implementations and the population changes over the past seven decades Analyzing how populations have changed and affected socioeconomic development in the two societies this book systematically compares China and India through social and cultural factors including religion and traditional perspectives on population ethnicity and language social classes family social status and education of women and government functions A brief introduction discusses how China has developed into a highly homogenous society and how India has developed into a highly diversified nation in history and the influence of other countries on these two societies With empirical data the book analyzes how population changes are strongly correlated with economic development in the two most populous societies An insightful discussion of the population issues with a world perspective and historical understanding of China and India is also provided This book will

be valuable reading to students and researchers interested in knowing more about the population control policies population changes and cultures and societies in China and India *Handbook on the Family and Marriage in China* Xiaowei Zang, Lucy Xia Zhao, 2017-12-29 This Handbook advances research on the family and marriage in China by providing readers with a multidisciplinary and multifaceted coverage of major issues in one single volume It addresses the major conceptual theoretical and methodological issues of marriage and family in China and offers critical reflections on both the history and likely progression of the field *China's Path of Human Rights Development* Huawen Liu, 2021-12-16 This book focuses on China's evolution in the field of human rights protection highlighting its achievements in various systems of human rights protection as well as its role in international human rights governance and the healthy development of human rights From the perspective of China's human rights protection starting with various types of citizens e.g women children and the disabled the book analyzes and discusses the changes and major events in the country's human rights development path one by one while also explaining the Chinese stance on human rights development China is becoming more active in the international human rights cooperation field playing its unique and constructive role and serving as the participant builder and contributor of the international human rights governance *The Future of English in Asia* Michael O'Sullivan, David Huddart, Carmen Lee, 2015-10-05 This collection is unique in bringing together key thinkers on language and literature to discuss the future of English in Asia Many of the contributors are themselves responsible for important sub genres in English linguistics and literary studies and this collection gives them the opportunity to respond to each other directly The different chapters also respond to different contemporary debates and emerging trends and discourses that are hugely important for the future of English language teaching in schools across Asia This volume is also ground breaking in bringing English literary studies and Applied English Linguistics together in the contemporary Asian context The Future of English in Asia includes studies on the following subject areas Cultural Translation in World Englishes Multilingual Education English Futures and the function of Literature English Literary Studies in Japan and English and Social Media in Asia Well into this century it appears that it is still very difficult to know what to expect when it comes to the future of English The future of English will continue to be determined by complex local contexts As it has in other parts of the world the future of English in Asia will continue to rely on the proliferation of its transformations as much as its hegemonic status This volume reflects the widespread acknowledgement that whatever future English has will inevitably be shaped by its fate in Asia The collection will be a welcome resource for scholars and students of English linguistics English literary studies and topics related to the teaching of English in Asia **The Rise of China** Gary J. Schmitt, 2011-02 Khrushchev's 1959 trip across America was one of the strangest exercises in international diplomacy ever conducted a surreal extravaganza as historian John Lewis Gaddis called it Khrushchev told jokes threw tantrums sparked a riot in a San Francisco supermarket wowed the coeds in a home economics class in Iowa and ogled Shirley MacLaine as she filmed a dance scene in Can Can He befriended and offended a

cast of characters including Nelson Rockefeller Richard Nixon Eleanor Roosevelt Elizabeth Taylor and Marilyn Monroe Published for the fiftieth anniversary of the trip *K Blows Top* is a work of history that reads like a Vonnegut novel This cantankerous communist s road trip took place against the backdrop of the fifties in capitalist America with the shadow of the hydrogen bomb hanging over his visit like the Sword of Damocles As Khrushchev kept reminding people he was a hot tempered man who possessed the power to incinerate America

Toward Gender Equality in East Asia and the Pacific World Bank,2012-10-01 *Toward Gender Equality in East Asia and the Pacific* examines the relationship between gender equality and development and outlines an agenda for public action to promote more effective and inclusive development in East Asian and Pacific countries

China Gungwu Wang,Yongnian Zheng,2013 China has achieved significant socio economic progress and has become a key player on the international stage after several decades of open door and reform policy Looking beyond China s transformation this book focusses on the theme of governance which is widely regarded as the next most critical element to ensure that China s growth remains sustainable Today China is confronted with a host of pressing challenges that call for urgent attention These include the need to rebalance and restructure the economy the widening income gaps the poor integration of migrant populations in the urban areas insufficient public housing and healthcare coverage the seeming lack of political reforms and the degree of environmental degradation In the foreign policy arena China is likewise under pressure to do more to address global concerns while not appearing to be overly aggressive The next steps that China takes would have a great deal to do with governance in terms of how it tackles or fails to address the myriad of challenges both domestic and foreign

China Development and Governance with 57 short chapters in total is based on up to date scholarly research written in a readable and concise style Besides China s domestic developments it also covers China s external relations with the United States Japan Korea and Taiwan Non specialists in particular should find this volume accessible and useful in keeping up with fast changing developments in East Asia
