**The Birth of Modern Comedy in Renaissance Italy** Douglas Radcliff-Umstead,1992      **Menander to Marivaux: The History of a Comic Structure** E.J.H. Greene,1977 The author examines comedies based on a structure first used by Menander in the fourth century B C and brought to its precise formulations and brilliance by Marivaux in the eighteenth century A D      Pollastra and the Origins of Twelfth Night Louise George Clubb,2017-11-30 Pollastra and the Origins of Twelfth Night addresses two closely linked and increasingly studied issues the nature of the relation of Shakespeare s plays to Italian culture and the technology of modern theater invented in Renaissance Italy The discovery of forgotten works by Giovanni Lappoli known as Pollastra led to publication in Italy in 1993 in a limited edition of the Italian texts with supplemental scholarship by the authors entitled Romance and Aretine Humanism in Sienese Comedy One of those texts the comedy Parthenio has escaped the attention of theater bibliographers because it was quickly sold out in its time and only a handful of copies are known to exist today Yet it played an important part in the birth of Italian Renaissance drama and of modern comedy in general in that it was the immediate predecessor and source of Gl Ingannati arguably the most famous comedy of the Italian Renaissance and certainly the most imitated translated adapted all over Europe The best known of its progeny is Shakespeare s Twelfth Night Much has been written in Italy and England about Gl Ingannati and Shakespeare s debt to it but nothing at all about Parthenio This volume provides the first English translation with the original Italian on facing pages and presents for an international audience the theatrical scholarship from the 1993 book Romance and Aretine Humanism in Sienese Comedy augmented with new findings      Rape of Lucretia and the Founding of Republics Melissa M. Matthes,2010-11-01 Matthes U of Maryland stages a conversation between feminism and republicanism to analyze the linkage between founding stories of republics sexual violence and gender hierarchy While pointing out the differences in the retellings of Lucretia s rape by Livy Machiavelli and Rousseau she argues that their commonality is in appropriating the classical tale to support the view that the alternative to violence is citizenship and politics infused with common good notions of agency action and community Annotation copyrighted by Book News Inc Portland OR      *Linguistic Theories of Humor* Salvatore Attardo,2024-07-22 Linguistic Theories of Humor appeared thirty years ago It attracted a lot of attention and ended up being one of the most quoted books in the linguistics of humor Partly due to its broad coverage which includes both theoretical and socio pragmatic aspects and partly due to the depth of its bibliography it remained an indispensable reference in many areas despite the growth of the field The original fully corrected text is supplemented by a long essay in which the author revisits the topics of the book to discuss how three decades have shifted the perspective of the field
