The Birth of Jesus the Messiah Edward C. Visser,2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesnt seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively *The Birth of Jesus the Messiah* combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Lukes Symphony Angels in Advent Dont Be Afraid

The Virgin Birth of Christ J. Gresham Machen, 2022-01-01 In what remains a widely discussed issue in contemporary theology J Gresham Machen's *The Virgin Birth of Christ* acts as both an introduction to the subject and a window into American Princeton theology in the early twentieth century Machen undertakes an encyclopaedic study of the different perspectives on the virgin birth He begins with a close reading of the scriptural accounts comparing and contrasting the stories of Jesus birth told in Luke and Matthew Secular historical accounts are then considered as well as possible alternative theories including the likelihood of the story being of early Jewish or Pagan origin Machen's study was the definitive work on the virgin birth for the majority of the twentieth century and remains an invaluable resource both as an apologetic work and as a time capsule of theological progress

The Birth of the Messiah Steve Laureanti, 2024-08-14 How often do we celebrate Christmas and feel like we've missed something Most of us understand that it's really about Jesus but do we really take the time to think about the prophecy and meaning of His birth In an explanatory and critical thinking style Steve Laureanti takes us on a 31 day journey to explore this from a practical and theological perspective Using the biblical text itself Part 1 lays the foundation of the deity of Jesus who was not created but existed with God the Father and the Holy Spirit in eternity past and introduces John the Baptist as the forerunner and witness to Jesus the Messiah Part 2 focuses on the Old Testament prophecies about John the Baptist the angel Gabriel's announcement to Zechariah that John would be the forerunner and witness to the Messiah and Zechariah's prophecy about the coming Messiah Part 3 focuses on the prophecy and arrival of the promised Messiah including Mary's song of praise the birth of Jesus the multitude of angels appearing to the shepherds and the wise men to announce the Messiah's birth Each day of this devotional includes Bible verses to guide you through each part including insightful analysis and additional scripture to consider in this theological journey of the prophecy and birth of the Messiah
