The Little Wasn't the Least After All! Ramsis F. Ghaly MD,2022-03-31 In the final days of Christmas 2019 I had an epiphany I will never forget that night when I cried out as I saw a vision of that little Since then I have felt so dismal and would rather bury my head in the sand No matter where I go and how fast I run I can t forget that dream or catch that invisible little anymore I found myself running away and I couldn t help it I would ask myself To whom should I report to What is the remedy other than running away These questions have brought me to author the fourth book on COVID 19 This series has covered the world s journey experiences and views since it all began It was just a little and wasn t much Before I knew it it had infected the world entirely It was supposed to pass by swiftly with little to be done Then it proceeded to be remedied by a face mask for two weeks followed by just one dose of a vaccine All the while the nightmare never ended The little invader of human cells crept in unnoticed in the darkness and left imprinted memories for generations to come It has changed our day to day lives for more than two years shaped our daily living and will affect our future for decades to come The little wasn t the least as the world thought and was indeed ignored as many downplayed its sharp spikes until it killed millions and infected hundreds of millions The world is living in tears and terrors broken hearted and in fear What is next I would ask myself as it appears it is only getting worse as the news of wars and economic collapse are already at our door To make things grave many forever lost But now lessons must be learned and the wisdom of the past shall carry the world to the future Over 16 sections and 188 chapters the book represents the last of the author s series of

COVID 19 as it covers the last year of the pandemic and the most recent events It represents the author s views and highlights a wide variety of topics ranging from living stories medical and political to philosophical views and experiences The book reflects the author s Christian and medical devotions as it covers many true patients stories patients testimonials medical events and resident education

The Unfolding Covid-19 My Thoughts, Memoirs and Patient's Stories Ramsis F. Ghaly MD,2021-06-08 There is so much happening as we the people of the world continue to evolve through COVID 19 with it undoubtedly being one of the most catastrophic events of modern times This book is a continuation of my previous book titled Coronavirus The Pandemic of the Century and the Wrath of God It recalls actual stories and memories thus far as

mankind continues to evolve from the gloominess of COVID 19 This book represents my thoughts views and various life events that I wish to share with you all As a neurosurgeon and an anesthesiologist working the front lines within three major medical centers of the greater metropolitan area of Chicago I have without hesitancy never closed my doors to my patients My faith in our Lord Jesus and my abounding love to my patients residents and students has kept me going and strengthened my soul During COVID and as the world coming out of COVID it was a good time to flash back in marvelous works of our Lord my patients stories and my achievements performances lessons learned This book is centered in deep Christian rituals and meditations consisting of 115 chapters distributed over 12 sections touching on various topics that have passed through my mind during the evolution of COVID 19 These topics range from what I deem critical COVID all the way to vaccines political COVID and concomitant events as well as my personal memoirs patient care and the living stories of my patients There is so much to share with you from April 2020 until the time of publication so let us open the book and explore my time during COVID 19
