Catalog of Copyright Entries Library of Congress. Copyright Office, 1949 **Lines and Rhymes of Our Times** Tom Campbell, 2024-11-04 Since I started this book with some famous quotes from people, documents, books, and cartoon characters, I thought a quote from a famous person would be a good way to end it on the back cover. Since I have written two books, the words of Winston Churchill at the beginning of World War II seemed appropriate. This is not the end. It is not even the beginning of the end, but perhaps the end of the beginning. I know that I will continue to write my monthly poems to my beautiful bride, Nancy, but will I put them in another book? Time will tell about another book being published, and if for no other reason, I had a good time doing it. Even if no other books make it past the cutting room floor, Nancy and I will have some documentation of our life together. This is not the end. It is not even the beginning of the end, but perhaps the end of the beginning. *The New York Times Guide to the Best Children's Videos* Kids First!, 1999-11 The only guide you'll need for choosing the best videos and CD-ROMs for your family.
