

A pregnant woman with dark hair, wearing a maroon short-sleeved top and light grey pants, is leaning forward and reaching out with her right hand towards a young child. The child, wearing a blue and white plaid shirt and dark pants, is looking up at the woman. They are standing in a grassy area with dense green foliage and trees in the background. Birth Normal:

An Easier Childbirth Gayle H. Peterson, 1993 Childbirth should be one of the most joyful experiences in a woman's life. All too frequently it is one of the most fearful. Gayle Peterson, a nationally recognized leader in the field of perinatal psychology, prepares the mother to be for the most positive experience possible utilizing a childbirth preparation method based on medical research that shows emotional factors to be important in a healthy pregnancy and delivery. Guided imagery, visualization, and journal writing help the mother to learn ways of yielding comfortably and safely into the entire childbirth process. *Birth Normal After a Cesarean Or Two (American Edition)* H L Ne Vadeboncoeur, Helene
