to the promise land Canaan Israel was delivered from Egypt's degrading bondage simply because God has promised them a destiny free of slavery and bondage. When God promises his children a place where they have to travel, He makes it a point that they arrive safe under the protection of His hand. Israel, led by Moses, wandered in the Sinai wilderness. During that time, Israel experienced supernatural providence such as the supply of manna, water from rocks, and the pillar of cloud by day and fire by night, and so forth. During that time, they also received divine revelation, the Mosaic Law. God communicated to them His holy standard. Everyone in this world is in the journey. People want to see themselves in Canaan, a place of success. The land of Canaan represents the destination of God's people after they have been set free from degrading bondage or slavery. Canaan is a picture of rest and victory that can be enjoyed by every believer. You, as a believer in the journey led by God, are going to enjoy your success because God will ensure that you do. The deliverance from Egypt was only in preparation for the enjoyment of Canaan. In your Christian life, you are brought out of sin so that you may be brought in to abundant life. The wilderness is never God's permanent destination for you. Even as an entire generation of Israel died in the wilderness, so many Christians die in the desert of dryness of spiritual experience. This book is meant to remind you that you don't have to die without making it in life. You need the fullness of God to direct your journey. Entrance into the land of Canaan was entrusted to a representative. Joshua was the trustee of the land for the people. In the same way, your representative Jesus goes before you, and what you have in God, you possess in Him. The whole land was given, but they could only possess that which they claimed. What they took must be fought for against a determined opposition. God certainly could have simply eliminated all their enemies with a mere thought, but He calls Israel into partnership with Himself to see His will done. You need to partner with God and never entertain things of this world for you to reach your destination. Because taking the land took effort, the challenge ahead was not for those content with Egypt, but for those who would press ahead for what God had called them to. The precise territory of the land is described. This was no "Pizza in the sky" promise. It described real land with real boundaries. It could not be easy, anyway, so is your dream. I will be with you, God promised. Victory is assured, not because Joshua is a great leader or because Israel is a great nation, but because God is a great God, and He says to Joshua, "I will be with you." This is enough for any man seeking to do God's will. Be strong and very courageous. Joshua is called to boldness in God. This exposes Joshua's weakness; there was a need for such a command because even a great leader like Joshua needed such encouragement. Boldness is needed to everyone, one who needs Canaan. You can't be weak. This bold courage would not be in Joshua himself, but in God. You can be full of self-confidence that will take you to ruin, but you should instead be full of a genuine God-confidence. Joshua must take great care to observe the law, God's word, and Joshua's commitment to it would be the pillars supporting his success. You also need the word of God as a pillar supporting

**Be Fruitful and Multiply R.**

Michael Tarpley, 2009-12. Be Fruitful And Multiply is a fresh and forward look at how we, as believers, have not only been commanded to prosper by God, mind, body, and soul, but have equally been designed and equipped by Him to do so. During the

course of this book we ll discuss God s incredible revelation of pregnancy and how it relates to us given birth to our full potential Yes I said our because God s perfect intent is not to bless everyone else and leave you out However there is a process to becoming spiritually pregnant just as there is a process to becoming naturally pregnant As you read this book I believe that the revelation will speak directly to you the reader to get up and participate with God s plan for your life This is not to discourage you or to make you feel ashamed on the contrary it speaks directly to you in order to inspire you to show greatness Some of the questions that this book will address are What is my purpose Can I make it through this pain Am I waiting on God or is God waiting on me When is the right time to get pregnant and Is ministry just preaching If you have asked yourself any or all of these questions then without a doubt you will want to read this book in its entirety Now let s go forward and participate with God believing big and doing big because truly nothing just happens especially birth Be Fruitful And Multiply Living in the Victory of Jesus--Leader's Guide A Okechukwu Ogbonnaya,2006 The companion to Living in the Victory of Jesus Bible Lessons to Deepen Faith the Leaders Guide helps class leaders prepare to examine the lives of powerful biblical characters with students *Future Perfect* Jerry Udoh, Ph.D.,2022-07-22 God s plan for you as a believer is that you live in victory on earth with your eyes earnestly focused on the life of eternity with Him The Lord revealed this much to prophet Jeremiah when He declared in Jeremiah 29 11 For I know the plans I have for you declares the LORD plans to prosper you and not to harm you plans to give you hope and a future John the Apostle reiterated the same promise when he wrote in 3 John 2 Beloved I wish above all things that thou mayest prosper and be in health even as thy soul prospered Victory connotes winning over circumstances that are in opposition to the fulfillment of your destiny and to be victorious is to be free to live and utilize your potentials as God has ordained From the Scriptures we can therefore boldly conclude that there are three levels of prosperity the Lord plans for His children prosperity in health material prosperity and prosperity in the spirit I call this total or true prosperity Therefore to be a prosperous Christian you must seek for and position yourself to be a partaker of this total prosperity And this may not be possible unless you obey certain laws that pertain to life and godly living These laws are seven in number This book is a compilation of all the seven laws in one volume **Living Your Life, While Trusting God with Theirs** Mary Lynn Ludwig,2014-08-12 Do you have a teenager or adult child whose difficulties seem to be preventing you from living your life We are not responsible when they choose the wrong path We are not responsible to carry them if they take drugs or commit crimes Even when they have a disease such as mental illness we cannot carry this load for them Do you feel guilty as if you can t do enough to help Do you question what you didn t do right or what you did wrong Are you compelled to somehow make this right You can be freed from this false belief and start living your life God does not hold you responsible Galatians 6 5 says for each one should carry his own load Taking on others responsibilities is not being a good person it is enabling the person and preventing them from growing as a person It is important to know what you are responsible for and what you are not My son Bradley had paranoid schizophrenia It was

serious and I had to learn new ways to cope and help him Much of what I needed to learn was to give it to God and then find people to help me After ten years of Brad in several apartments group homes and the mental health complex he passed my son died due to his medication that ruined his heart I stand only by the grace of God In this book I impart to you what has helped me

Life's Chosen Angel Paul Kumar,2008-07 This is like a life transforming manual It would be hard to find a more exciting inspirational and easy reading book so loaded with life changing experiences

essential advice and appropriate responses to life's adversities and distractions. This volume is a compendium of sound practical, discerning and thought-provoking advice. It is a story of LIFE, its inherent struggles, vicissitudes, pain, highpoints, joy, sadness, discouragement and bitterness. It is a unique roadmap which can be very useful to thousands of students starting at the high school level. It makes for easy reading and will be enjoyed by a wide range of readers. This book is an encouragement to people born in the humblest of circumstances; it gives them hope. It is at times a painful testimony, but one from which people from all walks of life can learn. Dr. Ferguson has obviously spent a great deal of time thinking about and analyzing his experiences. I congratulate him for his honesty and willingness to share them. This book, in some respects, is a challenge we are encouraged not to settle for the easy and comfortable but to identify and accept our true life assignments which may be more difficult to achieve but will bring lasting satisfaction.
