

Bisexuality A Study

Dawn Atkins

Bisexuality A Study:

Bisexuality Charlotte Wolff, 1979 Current Research on Bisexuality Ronald Fox, 2013-04-03

Current Research on Bisexuality is an important resource on recent psychological and sociological findings in bisexual studies. The authors provide research findings and case studies that add to our understanding of bisexual identity, bisexuality and relationships, bisexuality and ethnicity, and attitudes toward bisexual people. This book examines research findings, literature reviews, and a wealth of resources that currently exist on bisexuality and bisexual issues. This book will bring you up to date on bisexual identity, development, bisexuality in college students, cross orientation, friendships of bisexual women, bisexual married women and men and their spouses, bisexuality and heterosexually married couples, monogamous as well as open bisexual relationships, the interrelationship of bisexuality, race, and ethnicity, attitudes toward bisexual women and bisexual men. Current Research on Bisexuality also contains a comprehensive reader's guide to the current social science literature about bisexuality. This bibliography brings together a wide range of nonfiction books, journal articles, book chapters, theses, and dissertations on bisexuality with a focus in the theoretical, research, clinical, and community perspectives that have developed in the last twenty years. This reading list is essential for students, educators, researchers, and practitioners in psychology, counseling, social work, psychiatry, education, sociology, and anthropology. Current Research on Bisexuality provides new knowledge of the life experiences of bisexual people. With this book you will find a basis for further research and education about bisexuality in the greater context of ongoing research, education, and advocacy regarding lesbian, gay, bisexual, and transgender issues.

Bisexuality D. Joye Swan, Shani Habibi, 2018-03-07

This pathbreaking volume brings together a diverse body of sexual, behavioral, and social science research on bisexuality. Arguing for a clear, evidence-based definition of bisexuality and standardized measures for assessing sexual orientation, it spotlights challenges that need to be addressed toward attaining these goals. The book's deep trove of findings illuminates the experiences of bisexual men and women in key aspects of life as well as common mental health issues in the face of stigma, prejudice, and outright denial from the heterosexual and homosexual communities. Throughout, contributors examine the paradoxical invisibility of bisexuality even as society and science have become more inclusive of lesbians and gay men and emphasize the critical role of thoughtful, respectful support across societal and mental health domains. Among the topics covered: Defining bisexuality, challenges and importance of and toward a unifying definition, Plurisexual identity labels and the marking of bisexual desire, Binegativity, attitudes toward and stereotypes about bisexuals, Female bisexuality, identity fluidity and cultural expectations, Romantic and sexual relationship experiences among bisexual individuals. Bisexuality is a substantial reference for psychologists, scholars, and graduate students in LGBTQIA studies and clinicians seeking both theoretical and applied perspectives on the research into bisexuality. It also offers instructors a supplemental research-based textbook option for teaching courses related to sexuality and bisexuality.

Bisexual Imaginary Bi Academic Intervention, 1997-01-01

This collection of essays focuses on historical and

contemporary representations of bisexuality both real and imagined in literature film and the visual arts They ask questions concerning what it means to desire both men and women and explores the role of bisexuality in the construction of every person's sexual identity **Dual Attraction** Martin S. Weinberg, Colin J. Williams, Douglas W. Pryor, 1994 The authors explore the riddle of dual attraction in their study of 800 residents of San Francisco Fieldwork intensive interviews and surveys provide a wealth of data about the nature of bisexual attraction the steps that lead people to become bisexual and how sexual preference can change over time It is a must read for all those interested in the study of sexual behavior

Handbook of Research with Lesbian, Gay, Bisexual, and Transgender Populations William Meezan, James I. Martin, 2009-09-10 Handbook of Research with Lesbian Gay Bisexual and Transgender Populations provides a detailed examination of the current methods and theoretical frameworks for conducting research with LGBT populations Introducing greater nuance in designing and implementing research models for working with these populations Handbook of Research with Lesbian Gay Bisexual and Transgender Populations provides guidelines for defining these groups strategies to obtain more inclusive and representative samples and methods for engaging these populations to produce consistent and relevant data Collecting essays by notable researchers and scholars in the field Handbook of Research with Lesbian Gay Bisexual and Transgender Populations provides meaningful analyses of the ethics and practical constraints that researchers confront in dealing with LGBT populations including protection of privacy which is a special concern for many For students teachers social workers mental health professionals and researchers of all backgrounds this is an invaluable resource and guidebook for anyone seeking a better quality of understanding and engagement with LGBT individuals and communities Bisexual Women in the Twenty-First Century Dawn Atkins, 2013-11-19 Bisexual Women in the Twenty First Century reflects the brave new world of bisexual women's lives through an eclectic collection of articles that typifies an ongoing feminist process of theory grounded in life experience The book's broad scope addresses a world created in response to lesbian feminism homophobia within the mainstream women's movement and sexism within the gay rights movement The book includes Carol Queen's memoirs of the swinging lesbian scene in the 1970s a critical examination of Alice Walker's novel The Temple of My Familiar and a look back at the controversy surrounding bisexual inclusion in the Northampton Lesbian and Gay Pride March in Massachusetts in the early 90s Previous groundbreaking work on bisexuality had to focus on breaking the silence around bisexual invisibility This collection works from that foundation to explore the complexities and histories of bisexual women's lives Bisexual Women in the Twenty First Century examines tensions between lesbians and bisexual women the shifting place of bisexual women in society the use of skin color as a charged metaphor the inclusion of bisexuality into queer theory groundbreaking new work on bisexual youth the creative use of the sacred whore archetype Bisexual Women in the Twenty First Century is an essential source of social and political critique and a vital resource for anyone interested in the complex dynamics of human sexuality regardless of sexual orientation The Bisexual Option Fritz Klein, 2014-05-22 Soon to be

translated into Japanese The Bisexual Option explores bisexuality explains the bisexual and explodes myths surrounding this large unseen segment of the population Now in its second edition this intriguing book gives an overview of bisexuality As there is still no book that covers the subject like this one it is must reading for establishing a contemporary view of bisexuality and those committed to a bisexual lifestyle Fritz Klein an experienced psychiatrist and expert in bisexuality and sexual orientation explains the concept and the variables of sexual orientation and where bisexuality fits He covers many subjects in the book including myths of bisexual nonexistence and the either or dilemma intimacy both emotional and sexual an explanation of bisexuality and the Oedipus Complex definitions and examples of the healthy and troubled bisexual major sociological findings about bisexuality the bisexual in history the bisexual as depicted in the arts factors that will influence bisexuality in the future The book helps readers understand where they fit on the sexual orientation continuum The Bisexual Option aids in explaining who bisexuals are and why they have problems in heterosexual as well as homosexual societies and shows bisexuals that they are not alone Even helping professionals will find information on this invisible but large segment of the population A variety of readers will want to read The Bisexual Option including the bisexual community and individual bisexuals the homosexual communities which include many bisexuals mental health practitioners psychologists both students and professionals university students married partners of bisexuals HIV AIDS workers who wish to become acquainted with how bisexuality affects the risk to the heterosexual community sexologists and researchers *Loving Them Both* Colin MacInnes,1973 *Women in Relationships with Bisexual Men* Maria Pallotta-Chiarolli,2016-03-08 Framed by a comprehensive review of international research literature and film this book is an intimate journey into the experiences and insights of 79 Australian women in relationships with bisexual men It takes us into the daily lives sexual intimacies and families of MOREs mixed orientation relationships that span the gamut from extremely oppressive experiences with bi misogynist men to extremely liberating with bi profeminist men Aged 19 to 65 the women are in monogamous open and polyamorous relationships with bisexual identifying and or bisexual behaving men The women themselves are bisexual lesbian heterosexual while others refuse to categorize their own sexualities The book addresses the discovery or disclosure of the man s bisexuality how the relationships work and where they flounder how the partners negotiate and establish new rules and boundaries to maintain their relationship and the impact of class rural urban setting ethnicity indigeneity race religion and education on these relationships But this book isn t only about MOREs The research revelations and reflections in this book tell us much about current and shifting global constructions and understandings of intimate relationships sexual desires and love and the socio cultural representations and labeling of genders and sexualities *LGBT Studies and Queer Theory* Karen Lovaas,2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the

two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies communications sociology philosophy film studies and women s studies The book s contributors address queer theory s connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10 15 years as documented by the 12 essays presented in *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether queer theory can lead to social change an analysis of the current state of proto fields of LGBT studies and queer studies in religion concerns that queer theory s erasure of identity feeds into late capitalism an analysis of variability in social psychologists studies of anti homosexual prejudice an exploration of the commodification of queer identities in independent cinema how and why the category of bisexuality has been marginalized a historical review and assessment of recent bisexual theory a case study of Provincetown Massachusetts an investigation of the interarticulation of race ethnicity and gender a case study of the struggle to introduce LGBT studies in the curriculum at West Chester University and much more *LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain* is an essential read for researchers academics and practitioners involved in exploring multifaceted aspects of LGBT Studies and Queer Theory and their points of convergence and divergence

Reader's Guide to Lesbian and Gay Studies Timothy Murphy, 2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report

Bisexual Women M Paz Galupo, 2013-03-07 Understand the unique emotional dynamics of bisexual women s friendship relationships Prevailing attitudes toward bisexuality affect every aspect of a bisexual woman s emotional and sexual life *Bisexual Women Friendship and Social Organization* comprehensively explores the friendship relationships of bisexual women and the ways that bisexuality shapes the friendship experience This book fills a gap in the literature and research on bisexuality and friendship presenting leading experts discussing the latest qualitative and quantitative studies on this rarely visited topic This examination explains how the friendships of bisexual and bi curious women can be affected by sexism heterosexism biphobia

and racism as well as providing an insightful review of how bisexual women are portrayed in film and literature. Bisexual and bi curious women often have a more diverse range of friendship experiences than heterosexual women. Bisexual Women Friendship and Social Organization presents studies and personal essays to provide a comprehensive understanding of the patterns of various friendship relationships that exist because of and in spite of prevalent social attitudes about bisexuality. This extensive look details various aspects of bisexual women's relationships as well as society's biases and preconceived notions. Analysis of research explores the various effects that being bisexual has on the way women approach friendship as well as how society views both bisexuality and relationships. Topics in Bisexual Women Friendship and Social Organization include research into young women's emerging sexual orientation identity types of friendships formed by bisexual women how friendship experiences are shaped by sociopolitical attitudes bisexual images in popular media critique of the bisexual women's friendship literature how heterosexism shapes platonic and erotic relationships how bisexuality constricts social relationships analysis of how sexual experiences influenced friendships much more. Bisexual Women Friendship and Social Organization is insightful important reading for psychologists counselors LGBT studies professionals educators and students.

Bisexual Married Men Robert Cohen, 2023-11-30 Has a fully developed marketing plan which includes using his podcast and related social media such as Twitter 4 673 followers on TwoBiGuys and 8 917 followers on RobertBCohen and Instagram 5 485 followers TwoBiGuys Instagram with posts having over 10k views and Robert has over 2k followers himself. Each podcast on average has 4k downloads with the latest episode having interviewed Florence Given author of *Pretty Women Don't Owe You Pretty*. He is keen to hire a publicist and put himself forward in the press for interviews etc. He also knows a lot of influencers so I think it will be great. Author is connected with a lot of professional groups and community organizations to help promote the book and is currently developing a training course with Scott Boots a leader of the Bisexual Queer Alliance Chicago which this book could be used for. Book focuses on an underserved community within the LGBTQ acronym. Each chapter primarily focuses on interviews with bisexual men that Robert has conducted with a few wives from a wide array of backgrounds including from different parts of the country religions family structures and more. Each chapter focuses on an important theme such as coming out monogamy intersectionality porn marriage finding community etc interspersed with Robert's personal journey research and analysis. Interweaves personal narratives with Robert's own personal bisexual journey. Could be used as supplemental reading for classes on gender and sexuality.

The Changing Dynamics of Bisexual Men's Lives Eric Anderson, Mark McCormack, 2016-05-05 This important book provides unique new knowledge on the lived experience of openly bisexual men without medicalizing or pathologizing them. Presenting research from sexology sociology and psychology it features extensive findings on the sexual social romantic and emotional behaviors of the 90 men interviewed in the U S and U K. Issues and challenges are examined in such areas as identity and self concept along with the burden of social erasure and the paradox of stigma from both the gay and straight communities. However the research

reveals evidence of a recent cultural transition toward acceptance of bisexual identity and behavior with younger bisexual men experiencing better social lives and increased recognition of the legitimacy of bisexuality Among the topics covered Examining the components of sexuality Measuring and surveying bisexuality Bisexual burden Demonstrating a generational cohort effect Expansion of gendered boundaries Erosion of the one time rule of homosexuality Coming out in the 21st century Bringing clarity and focus beyond the gender binary and compelling insights into why society and science have trouble shedding that paradigm The Changing Dynamics of Bisexual Men s Lives will interest sexuality scholars sexologists and social scientists studying the social aspects of sexuality Studies in Human Sexuality Suzanne G. Frayser,1987

Handbook of Psychology and Sexual Orientation Charlotte Patterson,Anthony R. D'Augelli, Ph.D.,2013 The first authoritative summary of its kind in this area the Handbook of Psychology and Sexual Orientation is the primary resource for the many researchers including a new generation of investigators who are continuing to advance understanding in this field The volume editors along with other leading experts contribute an extraordinary review of contemporary psychological research and theory on sexual orientation in their specific fields of work *Bisexuality in the Lives of Men* Erich W Steinman,Brett Genny Beemyn,2014-06-03 Explore the theoretical political psychological and cultural issues surrounding male bisexuality *Bisexuality in the Lives of Men* is the first anthology to focus on men who love both men and women The theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful HIV positive the dominant images of bisexual men in our culture Whether portrayed as a coward who can t quite come out into full gayness or a smooth talking serial killer the bisexual man has been vilified in books and movies In scholarly studies they are often ignored or else lumped together with gay men It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight But while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind A lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent *Bisexuality in the Lives of Men* is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man Topics include a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband s bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality *Bisexuality in the Lives of Men* is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality **Bisexuality** Beth A.

Firestein,1996-08-20 A landmark volume in the field Bisexuality presents a state of the art glimpse of what is known and what remains to be known about bisexuality Editor Beth A Firestein gathers together an impressive group of researchers activists educators theorists and clinicians to offer insight into this understudied sexual orientation Written in a scholarly but accessible style this noteworthy collection of essays provides a focused comprehensive introduction to research theory and practical clinical knowledge about bisexuality The contributors agree that given recognition and validity the study of bisexuality can extend what we know about sexual orientation and sexual identity as well as shed light on previously unexplored aspects of sexuality This insightful volume explicates the emergence of bisexuality as a phenomenon requiring a paradigm shift in sexual orientation studies and discusses the implications of this shift Bisexuality makes accurate high quality information about the subject available to professionals and students in lesbian gay studies gender studies sociology family studies and human sexuality The book also brings current clinical perspectives together in a user friendly volume for practitioners in social work and clinical counseling psychology

Education, Research, and Practice in Lesbian, Gay, Bisexual, and Transgendered Psychology Gladys L. Croom,2000 The Fifth Volume in the annual series Psychological Perspective on Lesbian and Gay Issues is devoted to providing a basic collection of resources for educators practitioners and researchers in Lesbian Gay Bisexual and Transgendered Psychology The volume and the series are sponsored by Division 44 of the American Psychological Association Academic psychologists have been challenged to make psychology curricula more inclusive Program changes involve revising undergraduate and graduate course material and content to represent the full spectrum of sexual orientation identity development and life dilemmas Similarly trainers and educators responsible for training in related mental health disciplines mental health agencies and other venues that deliver psychological services to Lesbian Gay Bisexual And Transgendered Psychology individuals have been appropriately challenged to make training competent practitioners a priority Many practitioners who have had no training in Lesbian Gay Bisexual And Transgendered Psychology find themselves confronted with clients that they feel ill equipped to address They often have the desire to develop clinical competencies in this area but don t know where to begin This volume is intended to serve as a basic resource with information on salient lesbian gay bisexual and transgendered psychology issues and to provide the reader with a range of references and other resources to explore key identity development and other subjects

As recognized, adventure as without difficulty as experience more or less lesson, amusement, as with ease as bargain can be gotten by just checking out a books **Bisexuality A Study** next it is not directly done, you could put up with even more re this life, around the world.

We manage to pay for you this proper as without difficulty as easy way to acquire those all. We meet the expense of Bisexuality A Study and numerous ebook collections from fictions to scientific research in any way. among them is this Bisexuality A Study that can be your partner.

Bisexuality A Study Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Bisexuality A Study free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Bisexuality A Study free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Bisexuality A Study free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free.

Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Bisexuality A Study. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Bisexuality A Study any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Bisexuality A Study Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Bisexuality A Study is one of the best book in our library for free trial. We provide copy of Bisexuality A Study in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Bisexuality A Study. Where to download Bisexuality A Study online for free? Are you looking for Bisexuality A Study PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Bisexuality A Study. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Bisexuality A Study are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories.
