## **Bisexuality In The United States A Social Science Reader:**

Bisexuality in the United States Paula C. Rust, 2000 This book provides information about the lives and experiences of bisexual people Articles cover early research in which bisexuality was conceptualized as situational homosexuality pioneering research on bisexuality as an authentic sexual orientation scholarship on bisexuality in the context of AIDS research the phenomena of bisexual chic and biphobia queer theory and the contemporary relationship between academia and political activism

Bisexuality in the Lives of Men Erich W Steinman, Brett Genny Beemyn, 2014-06-03 Explore the theoretical political psychological and cultural issues surrounding male bisexuality Bisexuality in the Lives of Men is the first anthology to focus on men who love both men and women The theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful HIV positive the dominant images of bisexual men in our culture Whether portrayed as a coward who can't quite come out into full gayness or a smooth talking serial killer the bisexual man has been vilified in books and movies In scholarly studies they are often ignored or else lumped together with gay men It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight But while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind A lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent Bisexuality in the Lives of Men is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man Topics include a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband's bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality Bisexuality in the Lives of Men is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality

The Spectre of Promiscuity Christian Klesse, 2016-03-03 Wide ranging research suggests that partners in gay male and bisexual relationships do not necessarily expect monogamy or see it as an important issue Although the frequency of gay male and bisexual non monogamous partnerships tends to be widely acknowledged in social science literature these relationships have rarely been explored in more detail By providing rich empirical data thoughtful analysis and theoretical debate this book makes a significant contribution to the sociological literature on sexual and intimate relationships More specifically it explores the diversity of gay male and bisexual relationship practices in the context of heteronormative citizenship and intra social movement conflict and highlights the complexity of power relations

that circumscribe queer people's relationships and sexual lives Written in an accessible and engaging manner *The Spectre of Promiscuity* provides important insights for further studies on sexual culture discourse citizenship politics and ethics

**Bisexuality** D. Joye Swan, Shani Habibi, 2018-03-07 This pathbreaking volume brings together a diverse body of sexual behavioral and social science research on bisexuality Arguing for a clear evidence based definition of bisexuality and standardized measures for assessing sexual orientation it spotlights challenges that need to be addressed toward attaining these goals The book's deep trove of findings illuminates the experiences of bisexual men and women in key aspects of life as well as common mental health issues in the face of stigma prejudice and outright denial from the heterosexual and homosexual communities Throughout contributors examine the paradoxical invisibility of bisexuality even as society and science have become more inclusive of lesbians and gay men and emphasize the critical role of thoughtful respectful support across societal and mental health domains Among the topics covered Defining bisexuality challenges and importance of and toward a unifying definition Plurisexual identity labels and the marking of bisexual desire Binegativity attitudes toward and stereotypes about bisexuals Female bisexuality identity fluidity and cultural expectations Romantic and sexual relationship experiences among bisexual individuals Bisexuality is a substantial reference for psychologists scholars and graduate students in LGBTQIA studies and clinicians seeking both theoretical and applied perspectives on the research into bisexuality It also offers instructors a supplemental research based textbook option for teaching courses related to sexuality and bisexuality

*Current Research on Bisexuality* Ronald Fox, 2013-04-03 *Current Research on Bisexuality* is an important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual women bisexual married women and men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity attitudes toward bisexual women and bisexual men *Current Research on Bisexuality* also contains a comprehensive reader's guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology *Current Research on Bisexuality* provides new knowledge of the life experiences of bisexual people With this book you'll find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues

*Bisexuality and*

*Queer Theory* Jonathan Alexander, Serena Anderlini-D'Onofrio, 2014-04-10 According to David Halperin sexuality in our time is typified by a crisis in contemporary sexual definition What is sexuality What does it mean to have a sexual identity or orientation What is the relationship between sexuality as a knowledge construct on one hand and the often messy flows of desire and practices of love on the other How and why are some sexual erotic and intimate practices normalized and others marginalized Queer Theory has emerged in the West as one of the most provocative analytical tools in the humanities and social sciences It scrutinizes identity and social structures that take heteronormativity for granted that do not question the social construction of heterosexuality as normative in relation to its oppositional binary homosexuality At the same time bisexuality is a practice identity and orientation that challenges the binary logic around which cultural notions of sexuality are organized It is a portal to the imagination of a world of amorous expression beyond that divide This provocative collection presents bisexuality and queer theory as two parallel thought collectives that have made significant contributions to cultural discourses about sexual and amorous practices since the onset of the AIDS era and explores the ideas that circulate in these thought collectives today We learn much about the construction and experience of sexuality and the power it still holds throughout the contemporary Western world to shape identities and practices This volume challenges our understanding of what it means to be sexual to have a sexual identity and to practise the arts of loving This book was originally published as a special issue of the Journal of Bisexuality

*Ex-Gay Research* Jack Drescher, Kenneth J Zucker, 2013-04-03 Defenders and critics of the controversial Spitzer study analyze its methodologies and findings In 2001 Robert L Spitzer MD presented his study on sexual conversion therapy with its controversial findings that some homosexuals can change their sexual orientation The resulting media sensation and political firestorm enraged the study's critics and emboldened its supporters Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture presents leading experts examining Spitzer's research methodology and findings to discern whether the study itself deserves deeper consideration or outright dismissal Every facet of the study is reviewed to discuss the positive or negative aspects of the results its significance in political and social terms and the implications for the future Dr Spitzer himself was an instrumental figure in the American Psychiatric Association's decision in 1973 to remove homosexuality as a mental illness listing from the Diagnostic and Statistical Manual III His later study that states that in some individuals homosexuality may be more fluid than previously thought stirred controversy in the psychiatric community and society at large His study is presented here to allow the reader to evaluate and consider it for themselves Leading experts then voice their own pro or con views on the methodology and findings Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture fearlessly illustrates the sometimes fuzzy boundary between science and politics courageously spotlighting the culture wars now dividing our society Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture discusses the ex gay movement the nature of scientific inquiry the relationship between science and

politics the results of sexual conversion therapies gay and lesbian rights Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture is essential reading for sex researchers mental health professionals pastoral counselors political activists and any person asking if one can truly change his or her homosexuality

**Dating and Interpersonal Relationships** Nicolae Sfetcu, 2014-05-01 An introduction to interpersonal relationship methods advice and tips for friendship dating and online dating intimate relationship love and kiss flirting seduction romance marriage and wedding Interpersonal relationships are social associations connections or affiliations between two or more people They vary in differing levels of intimacy and sharing implying the discovery or establishment of common ground and may be centered around something s shared in common The study of relationships is of concern to sociology psychology and anthropology Dating is a form of courtship consisting of social activities done by two persons with the aim of each assessing the other s suitability as a partner in an intimate relationship or as a spouse

**Becoming Visible** Beth A. Firestein, 2007 Becoming Visible offers cutting edge psychological perspectives on bisexual and queer identities and the cultural and mental health issues facing bisexual lesbian gay queer and questioning individuals and their partners Essential for any professional seeking to provide best practice services to this population Becoming Visible addresses the therapeutic needs of bisexuals at every stage of the life cycle This volume explores why some people resist identity labels and what bisexual men and women consider exemplary and harmful in their therapeutic experiences It also helps practitioners distinguish between the stresses brought on by being part of a sexual minority and the clinical symptoms that indicate serious mental health issues It includes research on ethnic minority bisexuals youth elders gender variant individuals and bisexuals engaging in alternative lifestyles and sexual practices such as polyamory and BDSM Edited by a psychologist who specializes in sexual orientation and gender identity issues and with contributions from scholars and professionals from multiple disciplines the book embraces perspectives from the empirical to the phenomenological and outlines both scientific and practice based approaches to the subject while carefully considering the psychological cultural and spiritual dimensions of the issues confronting bisexual men and women Becoming Visible is a crucial step in the improved mental health and well being of bisexuals transgender individuals and other sexual minorities This book offers a path toward awareness and compassion for those who seek to understand treat and empower this underserved and frequently misunderstood group of mental health clients

**Invisible No More** Pedro Noguera, Aída Hurtado, Edward Fergus, 2013-06-17 Latino men and boys in the United States are confronted with a wide variety of hardships that are not easily explained or understood They are populating prisons dropping out of high school and are becoming overrepresented in the service industry at alarming degrees Young Latino men especially have among the lowest wages earned in the country a rapidly growing rate of HIV AIDS and one of the highest mortality rates due to homicide Although there has been growing interest in the status of men in American society there is a glaring lack of research and scholarly work available on Latino men and boys This groundbreaking interdisciplinary volume edited by

renowned scholars Pedro Noguera A da Hurtado and Edward Fergus addresses the dearth of scholarship and information about Latino men and boys to further our understanding of the unique challenges and obstacles that they confront during this historical moment The contributors represent a cross section of disciplines from health criminal justice education literature psychology economics labor sociology and more By drawing attention to the sweeping issues facing this segment of the population this volume offers research and policy a set of principles and overarching guidelines for decreasing the invisibility and thus the disenfranchisement of Latino men and boys

**An Introduction to GLBT Family Studies** J Jerry Bigner, 2013-05-13 Gain a better understanding of the special therapeutic issues and needs of GLBT families In terms of research GLBT families constitute a neglected segment of society Gender and sexual orientation can make the issues in family studies even more difficult to work through An Introduction to GLBT Family Studies tackles a challenging research topic by presenting noted experts examining the latest information on the newest type of family studies GLBT families This groundbreaking text explores a wide range of unique problems faced by nontraditional families as well as issues common to traditional families that need to be approached with a GLBT perspective Though homophobia and heterosexism constantly influence GLBT families these factors do not necessarily overwhelm the dynamic of their basic family unit Issues present in many traditional families are found when researching GLBT families An Introduction to GLBT Family Studies spotlights the issues research and future trends that provide a foundation for the study of GLBT families This breakthrough volume focuses not only on the obvious unique factors within GLBT families but also on the elements encountered within families that are present regardless of sexual orientation and gender such as physical and emotional abuse Expert contributors present research findings on family pattern issues relating to parent child relationships child development sibling relationships family structure intimate relationships stepfamilies alternative family structures and extended family relationships Each chapter is extensively referenced and offers possibilities for further research An Introduction to GLBT Family Studies discusses family studies topics such as the impact of the family of origin life course perspective transgender identity issues and the family when a spouse comes out as gay lesbian or bisexual a study of lesbian couples adapting genogram techniques in therapy research comparing siblings of different sexual orientations studies of patterns of responses to parental reactions to learning their offspring are gay lesbian or bisexual the polyamory structure to some gay men s familial relationships same sex marriages and legalized relationships gay male couples roles in today s society the impact of heterosexism on working with same sex relationships research on long term lesbian couples An Introduction to GLBT Family Studies is a valuable reference for academic researchers in family studies marriage and family therapy social work and counseling educators upper division undergraduate and graduate students and anyone interested in better understanding GLBT family studies

[Reader's Guide to Lesbian and Gay Studies](#) Timothy Murphy, 2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues

Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report      **Adolescent Identities** Deborah L. Browning, 2013-04-15 Adolescent Identities draws the reader into the inner world of the adolescent to examine the process of identity formation through the various lenses of history anthropology sociology psychology and psychoanalysis The volume reveals there is no single normal adolescent nor is there a singular adolescent experience Editor Deborah L Browning illustrates that in the course of development each individual must integrate one's unique biologically given constitution and temperament personal life history and the influence of the social and cultural milieu The book consists of six sections arranged by concentric circles of influence from the most exterior identifiable and potentially overt and conscious to the most internal private and potentially unconscious concerns Opening papers are drawn from sociology European history and cross cultural anthropology and address the question of whether and how adolescence can be considered a stage in development The second section explores how visible or potentially knowable minority statuses are experienced and how these interact with individual identity processes Moving closer to the adolescent's interpersonal world the third section presents papers about intimate relationships between adolescents and about the conscious preoccupations of adolescents when they are alone Extensive excerpts of Erikson's most important contributions on identity formation and adolescence are offered in the fourth section Papers on the most internal private and potentially unconscious conflicts comprise the fifth section The book concludes with a section of papers on failed solutions to the challenge of adolescent identity consolidation homelessness drug abuse eating disorders and suicide Adolescent Identities provides mental health practitioners teachers and graduate students in both fields with a variety of perspectives on the internal experience of adolescents      Alpha Girls Dan Kindlon, 2007-09-04 The co author of the best selling Raising Cain profiles today's girls as more independent self confident and motivated than those of previous generations sharing new research profiles and case studies that discuss the characteristics and potential of the modern alpha girl Reprint      *Woman-to-Woman Sexual Violence* Lori B. Girshick, 2009-09-01 This controversial work examines for the first time the often taboo subject of bisexual and lesbian women who are sexually assaulted by other women      *Sexual Rhetorics* Jonathan Alexander, Jacqueline Rhodes, 2015-10-16 Sexual rhetoric is the self conscious and critical engagement with discourses of sexuality that exposes both their naturalization and their queering their torquing to create different or counter discourses giving voice and agency to multiple and complex sexual experiences This volume explores the intersection of rhetoric and sexuality through the varieties of methods available in the fields of rhetoric and writing studies including case studies theoretical questioning ethnographies or close and distant readings of texts that help us think through the rhetorical force of sexuality and the sexual force of rhetoric      *The Concise Encyclopedia of Sociology* George Ritzer, J. Michael Ryan, 2011-01-25 This concise encyclopedia is the most complete international survey of sociology ever created in

one volume Contains over 800 entries from the whole breadth of the discipline Distilled from the highly regarded Blackwell Encyclopedia of Sociology with entries completely revised and updated to provide succinct and up to date coverage of the fundamental topics Global in scope both in terms of topics and contributors Each entry includes references and suggestions for further reading Cross referencing allows easy movement around the volume The Kaleidoscope of Gender Joan Z. Spade, Catherine G. Valentine, 2011 An accessible timely and stimulating introduction to the sociology of gender The Kaleidoscope of Gender Prisms Patterns and Possibilities Third Edition provides a comprehensive analysis of key ideas theories and applications in this field as viewed through the metaphor of a kaleidoscope This collection of creative articles by top scholars explains how the complex evolving pattern of gender is constructed interpersonally institutionally and culturally and challenges students to question how gender shapes their daily lives Like the prior edition the Third Edition maintains a focus on contemporary contributions to the field while incorporating classical and theoretical arguments to provide a broad framework Integrating a cross cultural focus and intersectional inquiry this unique text reader vividly illustrates that gender is a malleable continuum of prisms patterns and possibilities *Interrogating Psychiatric Narratives of Madness* Andrea Daley, Merrick D. Pilling, 2021-11-13 This book challenges the perception of the psychiatric chart as a neutral and objective text The chapters included in this book coalesce to reveal the psychiatric chart as a text that is in fact storied by institutional ideology that reflects reinforces reinterprets and at times resists gendered raced sexualized and classed norms values and presuppositions Intersectional analysis highlights the nuanced ways in which dominant ideologies are activated in chart documentation to produce qualitatively specific psychiatric narratives of distress and related responses in the psychiatric institution The book serves as a much needed resource for mental health professionals education and training programs and researchers that meaningfully takes into account the social and structural materiality of people's lives and its impact on experiences of distress It will also appeal to scholars investigating equity in health care across the fields of Critical Psychology Disability Studies Social Work Allied Health Mad Studies and Social Justice **Laud Humphreys** John F. Galliher, Wayne Brekhus, David P. Keys, 2006-07-07 Laud Humphreys 1930 1988 was a pioneering and fearless sociologist an Episcopal priest and a civil rights gay and antiwar activist In graduate school during the late 1960s he conducted extensive fieldwork in public restrooms in a St Louis city park to discover patterns of impersonal sex among men He published the results in *Tearoom Trade* Three decades later the book still triggers many debates about the ethics of his research methods In 1974 he was the first sociologist to come out as gay Laud Humphreys *Prophet of Homosexuality and Sociology* examines the groundbreaking work through the life of a complex man and the life of the man through his controversial work It is an invaluable contribution to sociology and a fascinating record of a courageous life

### **Bisexuality In The United States A Social Science Reader Introduction**

In today's digital age, the availability of Bisexuality In The United States A Social Science Reader books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Bisexuality In The United States A Social Science Reader books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Bisexuality In The United States A Social Science Reader books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Bisexuality In The United States A Social Science Reader versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Bisexuality In The United States A Social Science Reader books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Bisexuality In The United States A Social Science Reader books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Bisexuality In The United States A Social Science Reader books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Bisexuality In The United States A Social Science Reader books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Bisexuality In The United States A Social Science Reader books and manuals for download and embark on your journey of knowledge?

### FAQs About Bisexuality In The United States A Social Science Reader Books

**What is a Bisexuality In The United States A Social Science Reader PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Bisexuality In The United States A Social Science Reader PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Bisexuality In The United States A Social Science Reader PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Bisexuality In The United States A Social Science Reader PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Bisexuality In The United States A Social Science Reader PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader:

Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
