Bishop Edward Thomas Odwyer Of Limerick 1842-1917:

Bishop Edward Thomas O'Dwyer of Limerick, 1842-1917 Thomas J. Morrissey, 2003 Our brilliant and difficult Bishop as novelist Kate O'Brien described him O'Dwyer was brilliant intellectually independent minded and quarrelsome but a lifelong supporter of the poor of Limerick He played a major role in improving primary education in helping to solve the University question and as a leader in workhouse reform In his final years he helped to change the course of Irish history In 1916 when the population was cowed following the execution of the leaders of the Rising O'Dwyer wrote from Kilmallock his public letter to General Maxwell in defense of two of his priests Frs Hall and Bayes In that letter he denounced Maxwell as a murderer and stirred the whole country to life His subsequent famous speech at the conferring on him of the Freedom of Limerick gave an episcopal approval to the spirit of national resistance and influenced the East Clare election of 1917 O'Dwyer became a national hero de Valera quoted his speech at the hustings and his name was joined to those of the dead 1916 leaders in popular ballads Limerick Constitutional Nationalism, 1898-1918 Tadhg Moloney, 2010-02-19 This book analyses local politics in Limerick from 1898 to 1918 reaching back to the Parnellite split and forward to the post-independence era It explores at local level the relevance of the commemoration of 1798 the reunification of the Irish Parliamentary Party and the emergence of multiple cultural political movements as well as the demise of Unionism The question posed is twofold whether nationalist constitutional politics changed over this time period on the one hand and whether they were driven by local or national concerns on the other The conclusion is that the spirit of politics was intensely local that political patronage was largely locally controlled and that there were greater continuities than ruptures in the composition and behaviour of political elites In fact long term continuities of personnel social class and political allegiance existed side by side with the ability of existing structures to absorb change and to adapt in the light of wider political developments and internal manoeuvres Jewish Ireland in the Age of Joyce Cormac Ó Gráda, 2016-06-28 James Joyce's Leopold Bloom the atheistic Everyman of Ulysses son of a Hungarian Jewish father and an Irish Protestant mother may have turned the world's literary eyes on Dublin but those who look to him for history should think again He could hardly have been a product of the city's bona fide Jewish community where intermarriage with outsiders was rare and piety was pronounced In Jewish Ireland in the Age of Joyce a leading economic historian tells the real story of how Jewish Ireland and Dublin's Little Jerusalem in particular made ends meet from the 1870s when the first Lithuanian Jewish immigrants landed in Dublin to the late 1940s just before the community began its dramatic decline In 1866 the year Bloom was born Dublin's Jewish population hardly existed and on the eve of World War I it numbered barely three thousand But this small group of people quickly found an economic niche in an era of depression and developed a surprisingly vibrant web of institutions In a richly detailed elegantly written blend of historical economic and demographic analysis Cormac Ó Gráda examines the challenges this community faced He asks how its patterns of child rearing schooling and cultural and religious behavior influenced its

marital fertility and infant mortality rates He argues that the community's small size shaped its occupational profile and influenced its acculturation it also compromised its viability in the long run Jewish Ireland in the Age of Joyce presents a fascinating portrait of a group of people in an unlikely location who though small in number comprised Ireland's most resilient immigrant community until the Celtic Tiger's immigration surge of the 1990s **The Road to Home Rule** Paul A. Townend, 2016-11-22 Shows that a rising antipathy in Ireland toward Victorian Britain's expanding global imperialism was a crucial factor in popular support for Irish Home Rule *Edward J. Byrne, 1872-1941* Thomas J. Morrissey, 2010 An intriguing look at the ups and downs of the new state as well as an unusual insight into the clerical and ecclesiastical culture of Ireland immediately following its independence **1916 - The Long Revolution** Dermot Keogh, Gabriel Doherty, 2030-01-01 Introduction by Garret Fitzgerald This book seeks to interpret the events of Easter Week 1916 as the central defining event of a long revolution in Irish history The origins of the long revolution lie in the second half of the nineteenth century and its legacy is still being played out in the first years of the twenty first century Acknowledged experts on specific topics seek to explore the layered domestic and international political legal and moral aspects of this uniquely influential and controversial event Contributors are Rory O'Dwyer Michael Wheatley Brendan O'Shea and Gerry White D.G. Boyce Francis M. Carroll Rosemary Cullen Owens J. van der Wiel Adrian Hardiman Keith Jeffery Mary McAleese Owen McGee Seamus Murphy and Brian P. Murphy *The Irish Establishment 1879-1914* Fergus Campbell, 2009-08-06 The Irish Establishment examines who the most powerful men and women were in Ireland between the Land War and the beginning of the Great War and considers how the composition of elite society changed during this period Although enormous shifts in economic and political power were taking place at the middle levels of Irish society Fergus Campbell demonstrates that the Irish establishment remained remarkably static and unchanged The Irish landlord class and the Irish Protestant middle class especially businessmen and professionals retained critical positions of power and the rising Catholic middle class was largely although not entirely excluded from this establishment elite In particular Campbell focuses on landlords businessmen religious leaders politicians police officers and senior civil servants and examines their collective biographies to explore the changing nature of each of these elite groups The book provides an alternative analysis to that advanced in the existing literature on elite groups in Ireland Many historians argue that the members of the rising Catholic middle class were becoming successfully integrated into the Irish establishment by the beginning of the twentieth century and that the Irish revolution 1916-23 represented a perverse turn of events that undermined an otherwise happy and democratic polity Campbell suggests on the other hand that the revolution was a direct result of structural inequality and ethnic discrimination that converted well educated young Catholics from ambitious students into frustrated revolutionaries Finally Campbell suggests that it was the strange intermediate nature of Ireland's relationship with Britain under the Act of Union 1801-1922 neither straightforward colony nor fully integrated part of the United Kingdom that created the tensions that caused the

Union to unravel long before Patrick Pearse pulled on his boots and marched down Sackville Street on Easter Monday in 1916 Irish Political Prisoners 1848-1922 Professor Sean McConville, 2005-08-19 This is the most wide ranging study ever published of political violence and the punishment of Irish political offenders from 1848 to the founding of the Irish Free State in 1922 Those who chose violence to advance their Irish nationalist beliefs ranged from gentlemen revolutionaries to those who openly embraced terrorism or even full scale guerilla war Se n McConville provides a comprehensive survey of Irish revolutionary struggle matching chapters on punishment of offenders with descriptions and analysis of their campaigns Government s response to political violence was determined by a number of factors including not only the nature of the offences but also interest and support from the United States and Australia as well as current objectives of Irish policy

Out of Due Time Paschal Scotti, 2006-02 Wilfrid Ward 1856 1916 the great biographer of Cardinal Newman was a leading Catholic voice in English society during the early twentieth century Friend to many of its major intellectual figures and a frequent writer in its most prestigious journals he was also the editor of the Dublin Review the leading Catholic journal in the English speaking world Founded by Daniel O Connell and Nicholas Wiseman in 1836 the Dublin Review was edited by Ward from 1906 to 1916 and under his guidance it entered its golden age attracting the best of England s Catholic writers and much attention outside the household of faith Under his editorship the journal featured well known contributors such as G K Chesterton Hilaire Belloc Francis Thompson Alice Meynell Herbert Thurston C C Martindale and Robert Hugh Benson Ward s lifetime goal was the reconciliation of the Church with the mind of the age and his editorship of the Dublin was the culmination of his efforts It was a time when the English Catholic Church had reached a certain maturity and depth that made her universalistic ambitions a real possibility It was also a time of conflict within the Church about how far she could adapt herself to modernity It was while he was editor that the Modernist Crisis erupted a crisis with which he was intimately involved Following the tradition of the great literary quarterlies the journal discussed every aspect of human endeavor and *Out of Due Time* offers a fine opportunity to view the best of the Catholic mind in an extraordinary period It is a book for both the specialist and the general reader Unsympathetic to extreme views Ward was much misunderstood in his own time and is generally ignored in our own This volume seeks to give him and his work due recognition Paschal Scotti O S B is a teacher in the Portsmouth Abbey School and chairman of the Christian Doctrine Department PRAISE FOR THE BOOK An absorbing study of Wilfrid Ward Scotti is extraordinarily well read in the wider history of his period as well as in Ward s Roman Catholic background the erudition of the work is most impressive especially in its biographical aspect of summarizing briefly the lives of the contributors to the Dublin The work offers an interesting perspective on the public life of England for the period it surveys and a critical view upon the scope and limitations of the Dublin s coverage of it Sheridan Gilley University of Durham *Out of Due Time* is full of fascinating facts about the intellectual climate of Edwardian and early Georgian England and specifically about the Catholic contribution to that climate as expressed in the pages of the Dublin Review under Wilfred

Ward's editorship Joseph Pearce *First Things* Scotti's study of Ward's editorship gives the reader an absorbing portrait of the era. He also uncovers interesting vignettes about many of the now forgotten figures who dominated Church life in the years leading up to the First World War. David McLaurin *The Tablet* Out of Due Time by Dom Paschal Scotti Catholic University of America Press 2006 69 95 is a study of Wilfred Ward and the *Dublin Review* perhaps the leading Catholic journal in the English speaking world. Robert G Lowery *Irish Literary Supplement* Wilfrid Ward would have good reason to be pleased with this magnificently written and informative examination of his tenure 1906-16 as editor of the *Dublin Review* the leading Catholic journal in the British Isles. After two superb chapters on the earlier life of Ward and the previous history of the journal the author carefully studies its contents in seven chapters extensive excerpts being provided from many of the articles. The editing of the book is flawless and the work of

Ireland and the Great War Niamh Gallagher, 2021-11-04 On 4 August 1914 following the outbreak of European hostilities large sections of Irish Protestants and Catholics rallied to support the British and Allied war efforts. Yet less than two years later the Easter Rising of 1916 allegedly put a stop to the Catholic commitment in exchange for a re-emphasis on the national question. In *Ireland and the Great War* Niamh Gallagher draws upon a formidable array of original research to offer a radical new reading of Irish involvement in the world's first total war. Exploring the home front and Irish diasporic communities in Canada, Australia and Britain, Gallagher reveals that substantial support for the Allied war effort continued largely unabated not only until November 1918 but afterwards as well. Rich in social texture and with fascinating new case studies of Irish participation in the conflict this book has the makings of a major rethinking of Ireland's twentieth century.

The Ireland that We Made David R. C. Hudson, 2003 Although the policy has frequently been dismissed as either incoherent or inconsequential it very nearly succeeded in its objectives and certainly brought about a profound transformation in the political, social and economic landscape of Ireland. **BOOK JACKET**

William Monsell of Tervoe 1812-1894 Matthew Potter, 2009 William Monsell first Baron Emly of Tervoe 1812-94 is one of the most significant yet also one of the most overlooked political figures of nineteenth century Ireland. His political career spanned sixty years starting in the 1830s when Daniel O'Connell was at the height of his powers until the 1890s when Eamon de Valera was a boy. Monsell's extraordinary life saw him move from being an Anglican Tory to a Catholic Liberal and his dual conversion was greatly influenced by the terrible events of the Great Famine. His long period in the House of Commons 1847-74 was marked by service in a number of administrations under four Prime Ministers. He was the most prominent lay Catholic in Ireland and the chief spokesman for a large and influential but now forgotten political group the Catholic Unionists. He was also the key liaison between the British establishment and the Irish Catholic Bishops. This rich contextual biography offers a challenging

re appraisal of the received picture of nineteenth century Ireland It is a fascinating portrait of a man whose entire political life was devoted to reconciling the various dilemmas inherent in his ideology He was a Liberal Catholic devoted to an authoritarian Church a reforming landlord opposed to the land agitation of the 1880s and 1890s and a patriotic Irishman who staunchly supported the union with Britain Catholic Liberal and Unionist Irishman Briton and adopted Frenchman friend of Gladstone Gavan Duffy and of Pope Pius IX of Cardinal Newman Lord Acton and of Cardinal Cullen William Monsell was a major player in Ireland Britain and Europe for many decades whose undeserved slide into obscurity is reversed in this fascinating book The History of Limerick City Sean Spellissy,1998 **Surveying Ireland's Past** Howard B.

Patrick McAlister Ambrose Macaulay, 2006 Patrick McAlister was bishop of Down and Connor for only nine years but during that short episcopate he had to cope with the worst riots of the 19th century in Belfast triggered by the Home Rule bill of 1886 Thirty two people lost their lives and much damage was done to property Catholic owned public houses were particularly vulnerable Four years later McAlister confronted the supporters of Parnell and founded his own newspapers in opposition to the Parnellism of the local nationalist journal At pastoral level he continued his predecessor's policy of providing churches and schools for the increasing population of Belfast and establishing societies to deal with the social problems and welfare needs of the less fortunate members of society Political antagonisms in the city and the complete dominance of the corporation by the Conservative party added to the difficulties of pastoral care
