Bishop Jots It Down:

The Bishop Jots it Down Francis Clement Kelley, 1939 **A Realist's Church** Christopher Denny, Patrick Hayes, Nicholas Rademacher, 2015-10-15 Catholic Borderlands Anne M. Martinez, 2014-10-01 In 1905 Rev Francis Clement Kelley founded the Catholic Church Extension Society of the United States of America Drawing attention to the common link of religion Kelley proclaimed the Extension Society's duty to be that of preventing American Protestant missionaries public school teachers and others from separating people from their natural faith Catholicism Though domestic evangelization was its founding purpose the Extension Society eventually expanded beyond the national border into Mexico in an attempt to solidify a hemispheric Catholic identity Exploring international racial and religious implications Anne M Martinez's Catholic Borderlands examines Kelley's life and actions including events at the beginning of the twentieth century that prompted four exiled Mexican archbishops to seek refuge with the Archdiocese of Chicago and befriend Kelley This relationship inspired Kelley to solidify a commitment to expanding Catholicism in Mexico Puerto Rico and the Philippines in response to the national plan of Protestantization which was indiscreetly being labeled as Americanization Kelley's cause intensified as the violence of the Mexican Revolution and the Cristero Rebellion reverberated across national borders Kelley's work with the U S Catholic Church to intervene in Mexico helped transfer cultural ownership of Mexico from Spain to the United States thus signaling that Catholics were considered not foreigners but heirs to the land of their Catholic forefathers The Body and the Song Marilyn May Lombardi, 1995 In this original contribution to Elizabeth Bishop studies Marilyn May Lombardi uses previously unpublished materials letters diaries notebooks and unfinished poems to shed new light on the poet's published work She explores the ways Bishop's lesbianism alcoholism allergic illnesses and fear of mental instability affected her poetry the ways she translated her bodily experiences into poetic form A cornerstone of *The Body and the Song* is the poet's thirty year correspondence with her physician Dr Anny Baumann who was both friend and surrogate mother to Bishop The letters reveal Bishop's struggles to understand the relation between her physical and creative drives Dr Anny also helped Bishop unravel the connections in her life between psychosomatic illness and early maternal deprivation her mother was declared incurably insane and institutionalized in 1916 when Bishop was five years old Effectively an orphan she spent the rest of her childhood with relatives In addition to these letters Lombardi uses Bishop's unpublished notebooks to demonstrate the poet's resolve to face the facts to confront her own emotional intellectual and physical frailties and translate them into poetry that is clear eyed and economical in its form Lombardi argues that in her subtle way Bishop explores the same issues that preoccupy the current generation of women writers A deeply private artist Bishop never directly refers to her homosexuality in her published work but the metaphors she draws from her carnal desires and aversions confront stifling cultural prescriptions for personal and erotic expression In choosing restraint over confession Bishop parted company with her friend Robert Lowell but Lombardi shows that her reticence becomes a powerful artistic strategy resulting in poetry remarkable for

its hermeneutic potential Informed by recent gender criticism Lombardi's lucid argument advances our understanding of the ways the material circumstances of life can be transformed into art

Red Pope Vefie Poels, 2023-11-15 Arriving in Rome from the Netherlands in 1895 the Catholic priest and Redemptorist Willem van Rossum 1854 1932 rose quickly through the ranks of the curia In many ways an outsider he made a resounding success of his career His zeal in the fight against the virus of modernism earned him a cardinal's hat in 1911 and he was appointed prefect of the Congregation of Propaganda Fide in 1918 As red pope or head of the Vatican's mission department Van Rossum led a hard fought and ultimately successful campaign to separate missionary policy fundraising and staffing from Western nationalism and concentrate control over the worldwide missionary project at supranational level in Rome He was the driving force behind two programmatic documents on the missions by Popes Benedict XV and Pius XI which promoted the building up of indigenous churches and the educating of native clergy thus helping to create a favourable position for the Catholic church during the subsequent wave of decolonisation In the meantime Van Rossum continued to decry Italian dominance in the church as well as the curia's inefficiencies for instance in a vituperative pamphlet that he wrote shortly before his death This scholarly biography of Willem van Rossum rescues this great strategist behind the popes of the missions from oblivion and throws fascinating light on the history of the Catholic church and the Roman curia from the late nineteenth century until far into the twentieth

Irish-American Autobiography James Silas Rogers, 2016 Irish American Autobiography opens a new window on the shifting meanings of Irishness over the twentieth century by looking at a range of works that have never before been considered as a distinct body of literature Opening with celebrity memoirs from athletes like boxer John L Sullivan and ballplayer Connie Mack written when the Irish were eager to put their raffish origins behind them later chapters trace the many tensions often unspoken registered by Irish Americans who've told their life stories New York saloonkeepers and South Boston step dancers set themselves against the larger culture setting a pattern of being on the outside looking in Even the classic 1950s TV comedy *The Honeymooners* speaks to the urban Irish origins and the poignant sense of exclusion felt by its creator Jackie Gleason Catholicism so key to the identity of earlier generations of Irish Americans has also evolved One chapter looks at the painful diffidence of priest autobiographers and others reveal how traditional Irish Catholic ideas of the guardian angel and pilgrimage have evolved and stayed potent down to our own time Irish American Autobiography becomes in the end a story of a continued search for connection documenting an ethnic fade that never quite happened

The Bishop's Apron A study in the origins of a great family W. S. Maugham, 2023-11-01 A very famous British author named W Somerset Maugham wrote the comedian play *The Bishop's Apron* The play takes area in Edwardian England and is by and large approximately Lord George a noble who is fascinating however has money troubles Lord George is in severe economic problem so he uses the bishop's apron as safety to try to get a mortgage This starts a chain of funny and silly occasions As Lord George deals with the

problems of sophistication differences the tale is complete of false names lies and social satire Maugham s sharp views of how humans act and his wit shine via as he makes use of humor and perception to break down social norms The play appears at troubles with awful economic management and the consequences of social expectations It shows that Maugham may want to write each exciting and critical works about the human state of affairs The Bishop s Apron suggests how appropriate Maugham changed into at telling stories and how nicely he should catch the spirit of his time The play s timeless mind on society hold to interact audiences making it a crucial addition to Maugham s frame of work which continues to be praised for its perception into human relationships and the complexities of society **The Bishop's Apron** William Somerset

Maugham,2015-02-05 Example in this ebook I THE world takes people very willingly at the estimate in which they hold themselves With a fashionable bias for expression in a foreign tongue it calls modesty mauvaise honte and the impudent are thought merely to have a proper opinion of their merit But Ponsonby was really an imposing personage His movements were measured and noiseless and he wore the sombre garb of a gentleman s butler with impressive dignity He was a large man flabby and corpulent with a loose smooth skin His face undisturbed by the rapid play of expression which he would have thought indecorous had a look of placid respectability his eyes with their puffy lower lids rested on surrounding objects heavily and his earnest obsequious voice gave an impression of such overwhelming piety that your glance involuntarily fell to his rotund calves for the gaiters episcopal He looked gravely at the table set out for luncheon while Alfred the footman walked round it placing bread in each napkin Is Tommy Tiddler coming to day Mr Ponsonby he asked His lordship is expected returned the butler with a frigid stare He emphasised the aspirate to mark his disapproval of the flippancy wherewith his colleague referred to a person who was not only the brother of his master but a member of the aristocracy Here he is said Alfred unabashed looking out of the window He s just drove up in a cab Lord Spratte walked up the steps and rang the bell Though Ponsonby had seen him two or three times a week for ten years he gave no sign of recognition Am I expected to luncheon to day Ponsonby Yes my lord Lord Spratte was middle aged of fresh complexion notwithstanding his grey hair and his manner was quick and breezy He carried his years and the increasing girth which accompanied them with a graceful light heartedness and was apt to flatter himself that with the light behind he might still pass for five and thirty He had neither the wish nor the intention to grow old But the man of fifty seeking to make the most of himself must use many careful adjustments Not for him are the loose ill fitting clothes that become a stripling of eighteen his tailor needs a world of skill to counteract the slackening of muscle and to minimize the excess of avoirdupois On his toilet table are numerous pots and jars and bottles and each is a device to persuade himself that the troublesome years are not marching on He takes more care of his hands than a professional beauty Above all his hair is a source of anxiety Lord Spratte by many experiments had learnt exactly how to dress it so that no unbecoming baldness was displayed but he never seized a brush and comb without thinking like Achilles stalking melancholy through the fields of death that he would much sooner be a crossing sweeper of fifteen than

a peer of the realm at fifty Do you insist on leading me upstairs like a ewe lamb Ponsonby he asked The butler s face outlined the merest shadow of a smile as silently he preceded Lord Spratte to the drawing room For nothing in the world would he have omitted the customary ceremonies of polite society Lord Spratte he announced The guest advanced and saw his sister Sophia his brother Theodore his nephew and his niece Lady Sophia a handsome and self assured woman of five and fifty the eldest of the family put aside her book and rose to kiss him Canon Spratte extended two fingers Good heavens have you invited me to a family party Than which I venture to think there can be nothing more charming nothing more beautiful and nothing more entertaining replied the Canon gaily To be continue in this ebook *The Bishop Jots It Down.
