of real women's lives in the contemporary American West Kathleen Norris This wide ranging collection of essays and poetry reveals the day to day lives and experiences of a diverse collection of women in the western United States from Buddhists in Nebraska to Hutterites in South Dakota to rodeo moms A woman chooses horse work over housework neighbors pull together to fight a raging wildfire a woman rides a donkey across Colorado to raise money after the tragedy at Columbine Women recall harmony found at a drugstore at a powwow in a sewing circle Lively heartfelt urgent enduring Crazy Woman Creek celebrates community connections built or strengthened by women that unveil a new West **Rooted** David R. Pichaske,2009-05 David Pichaske has been writing and teaching about midwestern literature for three decades In Rooted by paying close attention to text landscape and biography he examines the relationship between place and art His focus is on seven midwestern authors who came of age toward the close of the twentieth century their lives and their work grounded in distinct places Dave Etter in small town upstate Illinois Norbert Blei in Door County Wisconsin William Kloefkorn in southern Kansas and Nebraska Bill Holm in Minneota Minnesota Linda Hasselstrom in Hermosa South Dakota Jim Heynen in Sioux County Iowa and Jim Harrison in upper Michigan The writers intimate knowledge of place is reflected in their use of details of geography language environment and behavior Yet each writer reaches toward other geographies and into other dimensions of art or thought jazz music and formalism in the case of Etter gender issues in the case of Hasselstrom time past and present in the case of Kloefkorn ethnicity and the role of the artist in the case of Blei magical realism in the case of Heynen the landscape of literature in the case of Holm and the curious worlds of academia best selling novels and Hollywood films in the case of Harrison The result Pichaske notes is the growing away from roots the explorations and alter egos of these writers of place and the tension between the here and there that gives each writer's art the complexity it needs to transcend provincial boundaries Quoting generously from the writers Pichaske employs a practical jargon free literary analysis fixed in the text making Rooted interesting readable and especially useful in treating the literary categories of memoir and literary essay that have become important in recent decades **Wild by Design** Laura J.
