Women Writers of the American West, 1833-1927 Nina Baym, 2012-08-17 This book recovers the names and works of women who wrote about the American West during the nineteenth and early twentieth centuries some of them long forgotten and others better known such as Willa Cather and Mary Austin Holley It reveals how the authors showed women making lives for themselves in the West how they represented the diverse region and how they represented themselves

Encyclopedia of American Literature Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Brucoli George Parker Anderson Judith S *Women and the Historical Enterprise in America: Gender,*

Race and the Politics of Memory Julie Des Jardins, 2004-07-21 In *Women and the Historical Enterprise in America* Julie Des Jardins explores American women's participation in the practice of history from the late nineteenth century through the end of World War II a period in which history became professionalized as an increasingly masculine field of scientific inquiry Des Jardins shows how women nevertheless transformed the profession during these years in their roles as writers preservationists educators archivists government workers and social activists Des Jardins explores the work of a wide variety of women historians both professional and amateur popular and scholarly conservative and radical white and nonwhite Although their ability to earn professional credentials and gain research access to official documents was limited by their gender and often by their race these historians addressed important new questions and represented social groups traditionally omitted from the historical record such as workers African Americans Native Americans and religious minorities Assessing the historical contributions of Mary Beard Zora Neale Hurston Angie Debo Mari Sandoz Lucy Salmon Mary McLeod Bethune Dorothy Porter Nellie Neilson and many others Des Jardins argues that women working within the broadest confines of the historical enterprise collectively brought the new perspectives of social and cultural history to the study of a multifaceted American past In the process they not only developed the field of women's history but also influenced the creation of our national memory in the twentieth century

The Pacific Northwest Raymond D. Gastil, Barnett Singer, 2010-04-23 The Pacific Northwest for the purposes of this book mostly Oregon and Washington has sometimes been seen as lacking significant cultural history Home to idyllic environmental wonders the region has been plagued by the notion that the best and brightest often left in search of greater things that the mainstream world was thousands of miles away or at least as far south as California This book describes the Pacific Northwest's search for a regional identity from the first Indian European contacts through the late twentieth century identifying those individuals and groups who at least struggled to give meaning to the Northwest experience It places particular emphasis on writers and other celebrated individuals in the arts detailing how their lives and works both reflected the region and also enhanced its sense of self

The Frontiers of Women's Writing Brigitte Georgi-Findlay, 1996-05 A study of American women's writings about the West between 1830 and 1930 reviews the diaries of the overland trails letters and journals of the wives of army officers during the Indian wars professional travel writings and late 19th and early 20th century accounts of missionaries and teachers on Indian reservations

Jesse Applegate Leta Lovelace Neiderheiser, 2011-02 A history of Oregon without Jesse Applegate would be like Exodus without Moses Like Moses Jesse led pioneers through the wilderness across the Oregon Trail in 1843 Like Moses he was a law giver

and like Moses when proper provocation occurred he sometimes threw down the tablets Jesse Applegate A Dialogue with Destiny gives a comprehensive historical perspective to the life of this interesting complicated man who played a major role in the formation of Oregon Throughout his amazing life he led the cow column of 43 west to Oregon wrote the constitution of 45 played a major role in the solving of the Cayuse War led the expedition to find a new southern route in 46 and fought to keep Oregon free of slavery But perhaps even more important was the moral compass he provided for the emerging Oregon society Through his letters to editors of newspapers and to prominent political figures he provided comment council criticism and loyal opposition to those in power His opinions were sought by local state and federal leaders as well as the historians of the day

Illuminative Moments in Pacific Northwest Prose Richard W. Etulain, 2024-03-12 Richard W Etulain examines the emergence of Pacific Northwest prose beginning in the early nineteenth century up to the present The book provides an introductory overview to a vast subject through illuminative moments that illustrate major shifts in the literary history of the region The book s focus is on novels histories and other nonfiction works that trace Pacific Northwest prose in chronological order through three periods the frontier regional and post regional eras Etulain provides extensive coverage of the writings of notable authors including novelists Frederic Homer Balch and Mary Hallock Foote offering an understanding of frontier romantic and Local Color Writers He also explores the works of H G Merriam and novelist H L Davis illustrating regional prose writings Finally Etulain includes a panoply of writers who exemplify an emphasis on gender race and ethnicity and environmental texts from the post WWII period Illuminative Moments in Pacific Northwest Prose delivers a first time overview of the region s literary contributions that will interest both scholars and general readers alike

The War on Illahee Marc James Carpenter, 2025-09-30 How a generation of pioneers and their historians knowingly hid the violent history of Indigenous dispossession in the Pacific Northwest The small mostly forgotten wars of the 1850s in the American Pacific Northwest were part of a broader genocidal war the War on Illahee to seize Native land for Euro Americans Illahee a term for homeland in Chinook was turned into the states of Oregon and Washington through the violence of invading soldiers settlers and serial killers Clashes over the brutality of invasion should it be celebrated isolated or erased left behind accidental archives of atrocity as history writers disagreed over which stories they should tell and which stories they could sell By the 1920s the War on Illahee had been disappeared Drawing on records from the perpetrators themselves the papers of historians and previously suppressed evidence from Indigenous survivors Marc James Carpenter has written both a new history of pioneer atrocities within and beyond the wars on Native people in the American Pacific Northwest and a new history of how these wars were remembered commemorated and forgotten The overlapping distortions have embedded inaccuracies in our histories and textbooks all the way to the present Beyond reshaping the history of the Pacific Northwest this searing book opens broader conversations about settler colonialism historical memory problematic monuments and the historical profession
