Gibraltar Stars Michael McCollum,2019-11-18 The great debate is over The human race has rejected the idea of retreating to Earth and that the Broa will continue to overlook them at least for a few more generations Instead the World Parliament by a 60 40 vote has decided to throw the dice and go for a win Brave words echo in Parliament Hall as members declare a victory inevitable While plans for war mount on Earth Mark and Lisa Rykand face grave danger as spies in enemy territory The Broa have begun to scrutinize these strange two legged interlopers and question their intentions It s only a matter of time before their identities are revealed But the Rykands mission is key to securing a victory With the number of forces favoring the enemy by roughly a million to one Earth will need all the help they can get *Stars Came Tumbling*
