Biting The Apple Accounts Of First Year Teachers:

Teacher Induction and Mentoring Gary P. DeBolt,1992-11-03 Introduces the equipment and skills needed for painting in oils

New Directions in Educational Psychology Nigel Hastings,Josh Schwieso,2013-10-18 First published in 1987 Teachers throughout the Western world identify motivating pupils and coping with classroom disruption as being among their main concerns The close links between these two crucial aspects of classroom life are only now beginning to be fully understood This book provides a selection of papers nearly all of which have been specially commissioned for this volume on these two closely related topics Whilst many factors both inside and outside of the school contribute to pupils behaviour and motivation in the classroom the articles included in this collection are concerned exclusively with in school factors over which classroom teachers and schools have potentially the greatest influence In this way the volume presents in a form accessible to teachers on initial or in service training courses some of the most useful and interesting recent developments in educational psychology for today s classroom

How Principals Talk about the First Year of Teaching Nancy Ann Staub,1994

From Isolation to Conversation Dwight L. Rogers,Leslie M. Babinski,2002-02-21 Provides a model to help new teachers adjust to challenges faced as they begin their classroom careers

Rethinking Teacher Education David Hopkins,Ken Reid,2012-05-04 In recent years there has been a new mood in teacher education The emphasis is on professional studies on encouraging trainee teachers to think intelligently about how to tackle problems of the classroom This book surveys the developments which are taking it further in both Britain and North America It goes on to argue the case for consolidating the new approach in a thoughtful structured and comprehensive way It argues that teacher education should be regarded as a discipline in its own right that teacher education should be increasingly school focused and problem centered that it needs to blend theory more effectively with practice It argues that teacher training programmes should prepare teachers for an uncertain future in a changing world This calls for an emphasis on process rather than content in programmes and the preparing of teachers who are self directed

From First-Year to First-Rate Barbara L. Brock,Marilyn L. Grady,1997-04-18 Help your new teachers get through that critical first year on the job Show them how to translate their college knowledge to real life teaching and learning Here are positive steps you can take to implement a year long induction program for your new teachers Find out how you can cut teacher attrition rates improve continuity for your students minimize interruptions to school programs and enhance the overall quality of teaching at your school Find out how to provide the comprehensive assistance new teachers need to remain enthusiastic as they develop their confidence and skills Brock and Grady show you how to diagnose potential trouble areas and help you tailor programs to your school s needs
