Land Grabbed for Liberia Stephen H. Gobewole, 2025-07-21 In the early nineteenth century freed American Blacks established their own country on the west coast of Africa Many were members of organizations such as the American Colonization Society the Young Men's Colonization Society of Pennsylvania the Mississippi State Colonization Society and the Maryland State Colonization Society They named their country Liberia but liberation came at the expense of tribal communities notably the Dei Bassa Kru Grebo and Gola people Freed Blacks and Americo Liberians also imposed domestic servitude on tribal people even selling them into slavery to accumulate wealth Stephen H Gobewole explores how freed American Blacks misled tribal chiefs and why past land transactions were not legitimate They were inconsistent with the local African tradition and land protocols The author also examines how government officials in the United States and slaveholding aristocrats enacted legislation that funded the deportation of freed American Blacks and the consequences of their policies Find out how tribal communities in what is now Liberia were decimated how their way of life changed and why many remain in poverty to this day with *Land Grabbed for Liberia*

Historical Foundations of Black Reflective Sociology John H Stanfield II, 2016-06-03 John H Stanfield II a leading historian of Black social science distills decades of his research and thinking in a set of articles some original to the volume others from fugitive sources that trace the trajectories of Black scholars and scholarship in relationship to the broader African American experience over the past two centuries Stanfield's signature contributions to this research tradition range

from the role of philanthropy in the study and life of African Americans to institutional racism in sociology and the impacts of race on scholarly careers His analyses run from global formulations to individual biographies including his own and stretch from the early decades of social science to the present This work creates a nuanced historical context for reflective Black sociology that will be of interest to social historians sociologists and scholars of color from all disciplines *Liberian Politics* Hanes Walton (Jr.), James Bernard Rosser, Robert L. Stevenson, 2002-01-01 *Liberian Politics* tells the fascinating story of Liberia's early nation building efforts its attempts to establish democracy and the pivotal role played by African Americans in exporting the American democratic experiment to Liberia The story of the rise of Africa's oldest democracy is told through the writings of J Milton Turner an African American diplomat who served in Liberia from 1871 to 1878 Turner's official diplomatic correspondence superbly organized and edited by Walton Rosser and Stevenson document Liberia's struggle to define its political institutions and processes They chart Liberia's struggle to establish its relationship with the wider world and offer an intimate portrait of Turner's role as the agent of U S foreign policy in Liberia A comparative study in the best tradition of Tocqueville and Myrdal this pathbreaking work reveals the global dimensions of nineteenth century African American politics and offers rich insight into the direction of early U S diplomacy in Africa Charles S. Johnson Patrick J. Gilpin, Marybeth Gasman, 2012-02-01 The milestones for blacks in twentieth century America the Harlem Renaissance the struggle for equal education and the civil rights movement would have been inconceivable without the contributions of one important but often overlooked figure Charles S Johnson 1893 1956 This compelling biography demonstrates the scope of his achievements situates him among other black intellectuals of his time and casts new light on a pivotal era in the struggle for black equality in America An impresario of Harlem Renaissance culture an eminent Chicago trained sociologist a pioneering race relations leader and an educator of the generation that freed itself from legalized segregation Johnson was a visionary who linked the everyday struggles of blacks with the larger intellectual and political currents of the day His distinguished career included twenty eight years at Fisk University where he established the famed Race Relations Institute and became Fisk's first black president **Stepping Forward** Catherine Higgs, Barbara A. Moss, Earline Rae Ferguson, 2002 Annotation Presents the edited proceedings of a conference held at the University of Tennessee in September 1999 at which academics from South Africa Jamaica and the US compare the experiences of 19th and 20th century black women in Africa and African diaspora communities The volume's 18 contributions range from the theme of witchcraft and taxes in the Transkei South Africa to women and the Civil Rights Movement in Claiborne County Mississippi Annotation c 2003 Book News Inc Portland OR booknews com Sovereignty without Power Leigh Gardner, 2022-11-03 Reinterprets Liberia's economic history during the nineteenth and twentieth centuries to investigate the challenges and opportunities of sovereignty during the age of empires **African American Pioneers of Sociology** Pierre Saint-Arnaud, 2009-02-07 In *African American Pioneers of Sociology* Pierre Saint-Arnaud examines the lasting contributions that African Americans have made to the field of sociology

Arguing that science is anything but a neutral construct he defends the radical stances taken by early African American sociologists from accusations of intellectual infirmity by foregrounding the racist historical context of the time these influential works were produced Examining key figures such as W E B Du Bois Edward Franklin Frazier Charles Spurgeon Johnson Horace Roscoe Cayton J G St Clair Drake and Oliver Cromwell Cox Saint Arnaud reveals the ways in which many aspects of modern sociology emerged from these authors radical views on race gender religion and class Beautifully translated from its original French African American *Pioneers of Sociology* is a stunning examination of the influence of African American intellectuals and an essential work for understanding the origins of sociology as a modern discipline

Against the Odds Wilbur Watson, 2017-12-02 Racial separatism gender discrimination and white dominance have historically thwarted black Americans occupational aspirations Access to medical education has also been limited and mobility within the profession leading to unequal access to health care There have however been notable triumphs In *Against the Odds* Wilbur Watson describes successful efforts by determined individuals and small groups of black Americans since the early nineteenth century to establish a strong black presence in the medical profession Changes in medical education and hospital management desegregation of the medical establishment and the contemporary challenges of managed care organizations all attest to their achievements Watson analyzes sociocultural political and psychological factors associated with African American medical practice race and gender differences in medical education and professional development and doctor patient relationships during and since the period of racial separatism He discusses the policy implications of physicians viewpoints on issues such as folk practitioners as health care providers medical care for the poor abortion and euthanasia the Tuskegee syphilis experiments and the emergence of managed care organizations Through in depth interviews with older physicians and comparative analyses of their situated techniques of coping with racial discrimination and segregation we gain insight into the effects of separatism on the minds selves and social interactions of African American physicians Finally Watson outlines current ethics demographic changes since desegregation the contemporary status of black physicians and recent changes in the socioeconomic organization of the profession of medicine *Against the Odds* is a unique study of the history ethnography and social psychology of blacks in medicine Watson successfully debunks the myth that black physicians were less competent providers than t

Roads to Dystopia, Sociological Essay on the Post Modern Condition (c) Stanford M. Lyman, 2001 **A World History of Rubber** Stephen L. Harp, 2015-12-21 *A World History of Rubber* helps readers understand and gain new insights into the social and cultural contexts of global production and consumption from the nineteenth century to today through the fascinating story of one commodity Divides the coverage into themes of race migration and labor gender on plantations and in factories demand and everyday consumption World Wars and nationalism and resistance and independence Highlights the interrelatedness of our world long before the age of globalization and the global social inequalities that persist today Discusses key concepts of the nineteenth and twentieth

centuries including imperialism industrialization racism and inequality through the lens of rubber Provides an engaging and accessible narrative for all levels that is filled with archival research illustrations and maps **Atlantic Bonds** Lisa A.

Lindsay,2017-02-01 A decade before the American Civil War James Churchwill Vaughan 1828 1893 set out to fulfill his formerly enslaved father's dying wish that he should leave America to start a new life in Africa Over the next forty years Vaughan was taken captive fought in African wars built and rebuilt a livelihood and led a revolt against white racism finally becoming a successful merchant and the founder of a wealthy educated and politically active family Tracing Vaughan's journey from South Carolina to Liberia to several parts of Yorubaland present day southwestern Nigeria Lisa Lindsay documents this free man's struggle to find economic and political autonomy in an era when freedom was not clear and unhindered anywhere for people of African descent In a tour de force of historical investigation on two continents Lindsay tells a story of Vaughan's survival prosperity and activism against a seemingly endless series of obstacles By following Vaughan's transatlantic journeys and comparing his experiences to those of his parents contemporaries and descendants in Nigeria and South Carolina Lindsay reveals the expansive reach of slavery the ambiguities of freedom and the surprising ways that Africa rather than America offered new opportunities for people of African descent Christianity and Politics in

Doe's Liberia Paul Gifford,2002-05-16 This study examines the role of Christianity in Liberia under the corrupt regime of Samuel K Doe 1980 1990 Paul Gifford shows that in general Liberian Christianity far from being a force for justice and human advancement diverted attention from the cause of Liberia's ills left change to God's miraculous intervention encouraged obedience and acceptance of the status quo and thus served to entrench Doe's power This Christianity devised in and controlled from the United States thus furthered regional American economic and political objectives which were designed to support Doe's rule **The Powerful Presence of the Past** Jacqueline Knörr,Wilson Trajano Filho,2010-10-25

This book conceptualizes integration and conflict as interrelated dimensions of social interaction impacted by specific historical experiences Contributions aim at a better understanding of the social mechanisms affecting processes of integration and conflict at the local national and regional levels **Worlds of Power** Stephen Ellis,Gerrie ter Haar,2004 With Christian revivals including Evangelicals in the White House Islamic radicalism and the revitalisation of traditional religions it is clear that the world is not heading towards a community of secular states Nowhere are religious thought and political practice more closely intertwined than in Africa African migrants in Europe and America who send home money to build churches and mosques African politicians who consult diviners guerrilla fighters who believe that amulets can protect them from bullets and ordinary people who seek ritual healing all of these are applying religious ideas to everyday problems of existence at every level of society Far from falling off the map of the world Africa is today a leading centre of Christianity and a growing field of Islamic activism while African traditional religions are gaining converts in the West One cannot understand the politics of the present without taking religious thought seriously Stories about witches miracles or people

returning from the dead incite political action In Africa religious belief has a huge impact on politics from the top of society to the bottom Religious ideas show what people actually think about the world and how to deal with it Ellis and Ter Haar maintain that the specific content of religious thought has to be mastered if we are to grasp the political significance of religion in Africa today but their book also informs our understanding of the relationship between religion and political practice in general

Dictionary of Modern American Philosophers John R. Shook, 2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought

The Mask of Anarchy Stephen Ellis, 1999 The Mask of Anarchy traces the history of the civil war that has blighted Liberia in recent years and looks at its roots in the way governments have been established in West Africa during the 20th century

The Mask of Anarchy Updated Edition Stephen Ellis, 2006-09 Liberia has been one of Africa's most violent trouble spots In 1990 when thousands of teenage fighters including young men wearing women's clothing and bizarre objects of decoration laid siege to the capital the world took notice Since then Liberia has been through devastating civil upheaval What began as a civil conflict has spread to other West African nations Eschewing popular stereotypes and simple explanations Stephen Ellis traces the history of the civil war that has blighted Liberia in recent years and looks at its political ethnic and cultural roots He focuses on the role religion and ritual have played in shaping and intensifying this brutal war In this edition with a new preface by the author Ellis provides a current picture of Liberia and details how much of the same problems still exist

Child Soldiers, Adult Interests John-Peter Pham, 2005 This book weaves a narrative of the history of Sierra Leone from its foundation as a settlement for black slaves who fought for the British Crown during the American Revolution through the events of the civil war with a discussion of more general geopolitical lessons to be learned from the recent conflict its origins and settlement In addition the book contains six appendices that render the present work the first comprehensive history of Sierra Leone since the classic studies published more than a generation ago by Christopher Fyfe and John Peterson an invaluable reference on conflict resolution in general as well as the West African country in particular including a chronology of select events in the history of Sierra Leone and the texts of the peace agreements and other post conflict documents
