Bitter Fame A Poets Life:

Bitter Fame Anne Stevenson, 1989 Biografi om den amerikanske forfatter Sylvia Plath 1932 1963 **International Who's Who in Poetry 2004** Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets **Voyages over Voices** Angela Leighton, 2010-09-15 Voyages over Voices is the first book length critical exploration of the internationally acclaimed American British poet Anne Stevenson A past winner of the The Poetry Foundation s Neglected Masters Award the Lannan Lifetime Achievement Award for Poetry and the Northern Rock Foundation Writer s Award Stevenson has long been admired by poets and critics alike as one of the most important contemporary poets on either side of the Atlantic Angela Leighton brings together a distinguished list of contributors including Jay Parini Carol Rumens Tim Kendall and John Lucas in a collection that provides a significant and invaluable contribution to understanding Stevenson s work as poet and critic Voyages over Voices will be required reading for scholars contemporary British and American poetry *Claiming Sylvia Plath* Marianne Egeland, 2013-02-14 Over the years Sylvia Plath has come to inhabit a contested area of cultural production with other ambiguous authors between the highbrow the middlebrow and the popular Claiming Sylvia Plath is a critical and comprehensive reception study of what has been written about Plath from 1960 to 2010 Academic and popular interest in her seems incessant verging on a public obsession The story of Sylvia Plath is not only the story of a writer and her texts but also of the readers who have tried to make sense of her life and work A religious tone and a rhetoric of accountability dominate among the devoted Questing for the real or true Sylvia they share a sense of possessiveness towards outsiders or those who deviate from what they see as a correct approach to the poet In order to offer a new and more nuanced perspective on Plath s public image the reception has been organized into interpretive communities composed of critics feminists biographers psychologists and friends Pertinent questions are raised about how the poet functions as an exemplary figure and how and by whom she is used to further theories politics careers and a number of other causes Ethical issues and rhetorical strategies consequently loom high in Claiming Sylvia Plath The book may be employed both as a guide to the massive body of Plath literature and as a history of a changing critical doxa Why Sylvia Plath has been serviceable to so many and open to colonization is another way of asking why she keeps on fascinating all kinds of readers worldwide Claiming Sylvia Plath suggests a host of possible answers It includes an extensive Plath bibliography

The Strength of Poetry James Fenton, 2003 A major account of modern poetry from one of its leading figures James Fenton examines issues of creativity and the earning of success of judgement tutorage rivalry and ambition He considers the juvenilia of Wilfred Owen the scarred lines of Philip Larkin the inheritance of imperialism and issues of constituency in Seamus Heaney The book contains insights into the work of Marianne Moore Elizabeth Bishop Sylvia Plath D H Lawrence and W H Auden **International Who's Who of Authors and Writers 2004** Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who s Who of

Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters *Tait's Edinburgh magazine* ,1846 **Visionary Philology**

Matthew Sperling,2014-03 This book length study of the poetry and critical writing of Geoffrey Hill one of the major post war writers in English combines nuanced and incisive close reading with detailed scholarship and fresh archival work Hill s work is examined in relation to the history of language and of the study of language with key chapters dedicated to the linguistic ideas of the Oxford English Dictionary and its founder Richard Chenevix Trench and of scholar poets Gerard Manley Hopkins and Samuel Taylor Coleridge The final two chapters consider the basis for a poetic theology of language founded in the myths of linguistic fallenness and original sin In the range of its attention and the depth of its scholarship this book represents one of the fullest and most authoritative accounts of the work of a living writer in recent years Out of the Cradle

Endlessly Rocking Nephie Christodoulides,2021-11-15 Out of the Cradle Endlessly Rocking delves deeply into the notion of motherhood in Sylvia Plath s work in order to redeem Plath from the one dimensional role assigned to her of the suicidal father obsessed poet Written from the theoretical perspective of Julia Kristeva s theory of subject formation the book focuses on Plath s baby poems in which mother figures are seen as subjects in process oscillating between authentication and non authentication in motherhood Furthermore since the mother is always a daughter part of the discussion centers on Plath s daughterhood poetry in which daughter figures are engaged in an endless struggle to release themselves from a suffocating maternal hold and achieve their own linguistic individuation Finally Plath s works for children The Bed Book The It Doesn t Matter Suit Mrs Cherry s Kitchen as well as her fairy tale poems largely ignored until now are read as manifestations of the self s regressive journey to once below a time to grasp an elusive pre symbolic organization and take signification back to infancy The book makes extensive use of Plath s drafts mainly of the Ariel poems her recycled materials annotated books from her personal library published and unpublished material from The Lilly Library Archive The Mortimer Rare Book Room and The Ted Hughes Archive in Emory The Solitary Vice Mikita Brottman,2008-02-28 Mikita Brottman wonders just why

is reading so great It s a solitary practice one that takes away from time that could be spent developing important social networking skills Reading s not required for health happiness or a loving family And if reading is so important why are catchy slogans like Reading Changes Lives and Champions Read needed to hammer the point home Fearlessly tackling the notion that nonreaders are doomed to lives of despair and mental decay Brottman makes the case that the value of reading lies not

in its ability to ward off Alzheimer's or that it's a pleasant hobby. Rather, she argues that like that other well-known solitary vice, masturbation, reading is ultimately not an act of pleasure but a tool for self-exploration, one that allows people to see the world through the eyes of others and lets them travel deep into the darkness of the human condition. **Sylvia Plath** Harold Bloom, Sterling Professor of Humanities, Harold Bloom, 2007. A collection of essays on poet Sylvia Plath's life and work.

Representing Sylvia Plath Sally Bayley, Tracy Brain, 2011-08-11. Interest in Sylvia Plath continues to grow as does the mythic status of her relationship with Ted Hughes, but Plath is a poet of enduring power in her own right. This book explores the many layers of her often unreliable and complex representations and the difficult relationship between the reader and her texts. The volume evaluates the historical familial and cultural sources which Plath drew upon for material from family photographs, letters, and personal history to contemporary literary and cinematic texts. It examines Plath's creative processes, what she does with materials ranging from Romantic paintings to women's magazine fiction, how she transforms these in multiple drafts, and the tools she uses to do this, including her use of colour. Finally, the book investigates specific instances when Plath herself becomes the subject matter for other artists, writers, film-makers, and biographers. Poetry Review Stephen Phillips, Galloway Kyle, 2002. **Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson, 2014-01-21. The Encyclopedia of American Poetry: The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries which provide biographical and cultural contexts for the author's career; entries on individual works which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States. Narrative and Voice in Postwar Poetry Neil Roberts, 2014-05-12. Poetry in English since the Second World War has produced a number of highly original narrative works as diverse as Derek Walcott's *Omeros*, Ted Hughes' *Gaudete*, and Anne Stevenson's *Correspondences*. At the same time, poetry in general has been permeated by narrative features, particularly those linguistic characteristics that Mikhail Bakhtin considered peculiar to the novel and which he termed dialogic. This book examines the narrative and dialogic elements in the work of a range of poets from Britain, America, Ireland, Australia, and the Caribbean, including poetry from the immediate postwar years to the contemporary, and novel-like narratives to personal lyrics. Its unifying theme is the way in which these poets, with such contrasting styles and from such varied backgrounds, respond to and creatively adapt the language worlds and hence the social worlds in which they live. The volume includes a detailed bibliography to assist students in further study and will be a valuable resource to undergraduate and postgraduate students of contemporary poetry. **Tait's Edinburgh Magazine** William Tait, Christian Isobel Johnstone, 1846. **The Cambridge Companion to Sylvia Plath** Jo Gill, 2006-03-09. The controversies that surround Sylvia Plath's life and work mean that her

poems are more read and studied now than ever before This Companion provides a comprehensive and authoritative overview of Sylvia Plath's poetry prose letters and journals and of their place in twentieth century culture These essays by leading international scholars represent a spectrum of critical perspectives They pay particular attention to key debates and to well known texts such as Ariel and the The Bell Jar while offering thought provoking readings to new as well as more experienced Plath readers The Companion also discusses three additions to the field Ted Hughes's Birthday Letters Plath's complete Journals and the Restored edition of Ariel With its invaluable guide to further reading and chronology of Plath's life and work this Companion will help students and scholars understand and enjoy Plath's work and its continuing relevance

The Poetry Review, 1990 **Ted Hughes: From Cambridge to Collected** M. Wormald, N. Roberts, 2015-12-17

Including a previously unpublished poem by Ted Hughes as well as new essays from Seamus Heaney and Simon Armitage Ted Hughes From Cambridge to Collected offers fresh readings and newly available archival research challenging established views about Hughes's speaking voice study at Cambridge and the influence of other poets on Hughes's work

The Poetry Review Stephen Phillips, Galloway Kyle, Harold Monroe, 1987
